## SECTION 7 – REGULATION FD

### Item 7.01 Regulation FD Disclosure

On February 24, 2020, Body and Mind Inc. (the “Company”) issued a news release announcing that it has received all necessary permits to commence operations at its Nevada production facility located within one mile of the Pepper Lane cultivation facility.

The new production facility will be located within a 7,500 square foot commercial building where the Company has secured a long-term lease. Equipment is being moved into the facility and the space has been custom designed to produce edibles, oils and extracts at scale. With the increased production capacity, the Company plans to offer contract manufacturing for other brands of complementary products.

“We are looking forward to the opportunity to expand all aspects of our production as we move into the custom designed space. The new facility includes high-volume extraction equipment to dramatically increase capacity and efficiency of our extraction products including oils, wax, live resin and ambrosia. We currently have strong demand for our brands and new equipment and space planning is anticipated to enable us to meet the increased interest for our current and future products. The new facility and increased capacity will allow Body and Mind the opportunity to provide white label services to national brands interested in entering the Nevada market” stated Michael Mills, President and Interim CEO of BaM.

The Company is currently testing new edible, oil and extraction products that upon successful testing will be manufactured at the new facility and marketed under the Body and Mind marquis life-style brand.

A copy of the news release is attached as Exhibit 99.1 hereto.
