SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement

On November 30, 2021, Body and Mind Inc. (the “**Company**” or “**BaM**”), through its wholly owned subsidiary, DEP Nevada, Inc., a Nevada corporation (“**DEP**”) entered into two membership interest purchase agreements with Canopy Monterey Bay, LLC (“**Canopy**”) and the membership interest owners (the “**Sellers**”) of Canopy to acquire an aggregate of 100% of Canopy, which owns a retail dispensary in the limited license jurisdiction of Seaside, California, called “The Reef.”

Membership Interest Purchase Agreement #1

On November 30, 2021, DEP entered into a membership interest purchase agreement (the “**MIPA #1**”) to purchase eighty percent (80%) of the issued and outstanding membership interests (the “**Purchased Interests**”) of Canopy from Cary Stiebel (the “**Continuing Owner**”), Jana Stiebel, Jayme Rivard, Adrian Dermicek, and Laurie Johnson (collectively, the “**Sellers**”).

As consideration for DEP’s purchase of the Purchased Interests, DEP will pay to Sellers a total purchase price of Four Million Eight Hundred Thousand Dollars (\$4,800,000.00) comprising of: (i) Two Million Five Hundred Thousand Dollars (\$2,500,000.00) to be paid in cash (the “**Cash Purchase Price**”); and (ii) Two Million Three Hundred Thousand Dollars (\$2,300,000.00) to be paid via a secured promissory note (“**Note Purchase Price**”).

Pursuant to MIPA #1, DEP is obligated to transfer the Cash Purchase Price to Secured Trust Escrow (the “**Escrow Agent**”) and following such transfer, the Sellers are to assign the Purchased Interests to DEP on either the first or the sixteenth day of the first calendar month following DEP’s transfer of the Cash Purchase Price to the Escrow Agent. As a closing condition, DEP is also required to deliver to Sellers a secured promissory note for the Note Purchase Price. MIPA #1 specifically states that the Cash Purchase Price is not to be released from the Escrow Agent to the Sellers until the date following DEP receiving approval from the local and state regulators that DEP owns the Purchased Interests and the completion of any required audited annual financial statements and unaudited interim financial statements of Canopy prepared in accordance with US GAAP.

Contemporaneous with the execution of MIPA #1, DEP also entered into a second membership interest purchase agreement to purchase, subject to all approvals required by applicable laws and regulations, the remaining twenty percent (20%) of the issued and outstanding membership interests of Canopy from the Continuing Owner (“**MIPA #2**”). In MIPA #1, the parties agree that the target working capital for Canopy on the date that DEP is assigned the Purchased Interests shall be Zero Dollars (\$0.00). The Sellers are obligated to deliver a statement of financial position for Canopy that provides, among other things, Canopy’s current working capital. DEP has up to one (1) year from the delivery of such statement to provide an adjusted statement based on DEP’s further financial due diligence. The Sellers will then have an opportunity to dispute and if no agreement is reached, a neutral third-party will determine the actual working capital of Canopy as of the date the Purchased Interests are assigned to DEP. The purchase price in MIPA #2 is subject to adjustments based on the actual working capital as determined by the calculations made pursuant to MIPA #1.

The foregoing description of the Membership Interest Purchase Agreement #1 does not purport to be complete and is qualified in its entirety by the Membership Interest Purchase Agreement #1, which is filed as Exhibit 10.1 hereto and is incorporated by reference herein.

Secured Promissory Note

On November 30, 2021, DEP entered into secured promissory note (the “**Promissory Note**”) promising to pay the Note Purchase Price (\$2,300,000.00) to the Sellers. The Promissory Note was delivered as partial consideration for DEP’s agreement to purchase the Purchased Interests (80% of the issued and outstanding membership interests of Canopy) from the Sellers.

The Promissory Note was signed on November 30, but does not become effective by its terms unless and until the state regulators and local regulators approve DEP as the owner of the Purchased Interests (the date such approval is received being the “**Effective Date**”). In the event the MIPA #1 for DEP to purchase the Purchased Interests is terminated for any reason, the Promissory Note automatically terminates.

Pursuant to the Promissory Note, interest will accrue on the principal amount at the rate of ten percent (10%) compounded annually. DEP will be obligated to make monthly interest only payments for the initial six (6) months following the Effective Date. Following the initial six (6) months, no payments shall be due until the maturity date, which is the date that is five (5) years following the Effective Date.

Following the transfer of the Purchased Interests to DEP, Canopy will sign a joinder to this Promissory Note and further enter into a security agreement granting a security interest to the Sellers in all of Canopy’s assets to secure DEP’s fulfillment of its obligations under the Promissory Note.

The foregoing description of the Secured Promissory Note does not purport to be complete and is qualified in its entirety by the Secured Promissory Note, which is filed as Exhibit 10.2 hereto and is incorporated by reference herein.

Security Agreement

On November 30, 2021, Canopy Monterey Bay, LLC (the “**Grantor**”) entered into a security agreement granting a security interest in all of Grantor’s personal property, general intangibles, accounts receivable, real property, insurance proceeds, deposits and documents, investment property, instruments and letter of credit rights, proceeds and products, permits, licenses and entitlements. The secured interest granted pursuant to this security agreement is for the purposes of securing the obligations of DEP pursuant to the Promissory Note promising to pay the Note Purchase Price (\$2,300,000.00) to the Sellers.

The foregoing description of the Security Agreement does not purport to be complete and is qualified in its entirety by the Security Agreement, which is filed as Exhibit 10.3 hereto and is incorporated by reference herein.

Escrow Agreement

On November 30, 2021, DEP, Canopy, the Sellers and Secured Trust Escrow, Inc. entered into the Holding Escrow Instructions (the “**Escrow Agreement**”) in order to establish an escrow account to facilitate the sale of the Purchased Interests in Canopy between DEP and the Sellers. Pursuant to the Escrow Agreement, \$2,490,000 of the Cash Purchase Price is to be paid through escrow. The Escrow Agent shall disburse the funds as directed by the parties pursuant to written instructions. Escrow Agent shall receive specific instructions as to the release of funds, including but not limited to the amount of the funds to be released and detailed recipient information. Upon receipt of such request to release funds, the Escrow Agent shall prepare an amendment and/or authorization to release funds to be signed by the parties. The Escrow Agent shall only release funds when such amendment and/or authorization to release funds is executed by the parties.

The Escrow Agent shall receive, as compensation for services a fee in the amount of \$6,000. Escrow fees shall be deducted out of the initial deposit into escrow and pre-paid by DEP. At closing, the escrow fees shall be split equally between DEP and the Sellers. In the event of cancellation of the escrow, DEP shall pay a \$3,000 escrow fee and all other escrow funds shall be distributed as instructed to the Escrow Agent and under the terms of the Escrow Agreement.

The foregoing description of the Holding Escrow Instructions does not purport to be complete and is qualified in its entirety by the Holding Escrow Instructions, which is filed as Exhibit 10.4 hereto and is incorporated by reference herein.

Landlord Consent to Change of Control of Tenant

On November 30, 2021, the Company and Canopy (“**Tenant**”) entered into an agreement with Ann Marie Bevins and Carol Gay Lavin, the Successor Co-Trustees of the Peter Ralph Lavin Trust U/A DTD August 7, 2006, as amended (the “**Landlord**”) whereby the Landlord is providing certain consent to the Company’s subsidiary, DEP purchasing the Purchased Interests of Tenant in two (2) transactions.

Pursuant to a lease agreement between the Tenant and the Landlord dated July 1, 2018 (the “**Lease**”), the Tenant is required to obtain the Landlord’s consent for a change of control transaction. DEP’s purchase of the Purchased Interests qualifies as a change of control transaction under the Lease.

Pursuant to the Consent, the Landlord has agreed to provide its consent to both transactions whereby DEP is acquiring one hundred percent (100%) of the Tenant, subject to the following obligations: (1) Tenant must pay the Landlord a transfer fee equal to Two Hundred Ninety Thousand Dollars (\$290,000.00); (2) Tenant must pay the Landlord Two Hundred Twenty-Nine and 60/100 Dollars (\$229.60) in liquidated damages; (3) Tenant must reimburse Landlord for legal fees associated with the change of control transaction with such amount not to exceed Six Thousand Five Hundred Dollars (\$6,500.00); and (4) a renewal of the current guaranty of the lease is delivered to the Landlord. The Consent became effective following the assignment of the Purchased Interests to DEP.

The foregoing description of the Landlord Consent to Change of Control of Tenant does not purport to be complete and is qualified in its entirety by the Landlord Consent to Change of Control of Tenant, which is filed as Exhibit 10.5 hereto and is incorporated by reference herein.

Lease and Second Amendment

On November 30, 2021, Canopy (the “**Tenant**”) entered into a Second Amendment to Lease agreement with the Landlord whereby the Tenant and the Landlord agreed to modify certain terms related to the existing lease between the Tenant and the Landlord dated July 1, 2018, as amended on July 19, 2021 (the “**Lease**”).

The Lease

The Lease provides for a 5-year term that includes three (3), 5-year extension periods (each, an “**Option Term**”) (collectively, the “**Lease Term**”). The monthly rent under the Lease for the first four (4) months is Zero Dollars (\$0.00) per month; for months five through twelve (12), the monthly rent is Six Thousand One Hundred Ninety Dollars (\$6,190.00) per month; and for months thirteen (13) through twenty four (24), the monthly rent is Seven Thousand Two Hundred Dollars (\$7,200.00) per month.

The monthly rent is subject to an annual increase of three percent (3%) per year, but in no event less than the amount of the increase in the Consumer Price Index, as of the first day of July every year during the term of the lease (the “**Adjustment Date**”), in each fiscal year (July 1 through June 30) of the Lease Term, which Lease Term shall include the Option Term and any extensions of Lease that may hereinafter be granted, beginning in the year as follows: July 1, 2020 and on the first of July in each fiscal year (July 1 through June 30) of any extensions of Lease Term thereafter, the monthly rental shall be increased at least Three percent (3%), but in no case less than the amount calculated by multiplying the amount of the then monthly rental, and as thereafter adjusted from time to time in accordance with the provisions of Article 5.2 of the Lease, by a fraction of which the denominator is the cost of living for the calendar month February, seventeen (17) months previous to the Adjustment Date, as reflected in the Consumer Price Index, or, at Landlord’s option, the same Index for the United States as a whole (as determined by the United States Department of Labor, Bureau of Labor Statistics, or any successor Index), and the numerator is the cost of living as reflected in the same Index for the calendar month of February, five (5) months previous to each such Adjustment Date. The annual rent in any fiscal year (July 1 through June 30) will not be less than one hundred three percent (103%) of the annual rent for the then immediately preceding fiscal year.

The monthly rent for the first year of each Option Term shall be the fair market value monthly rent for the premises as determined by the Landlord as of the effective date of the Tenant’s exercise of an Option Term. In the event there is a dispute between the Landlord and the Tenant regarding the monthly rent for the first year of an Option Term as of the date of Tenant’s exercise of an Option Term, and the Landlord and Tenant cannot mutually agree on a monthly rent for an Option Term ninety (90) days before the expiration of this Lease, third-party appraisers will set the Option Term monthly rent.

In addition to monthly rent, the Tenant is required to pay certain maintenance fees based on Tenant's gross sales for each year during the term of the Lease. These fees are modified and replaced in the Second Amendment.

The Second Amendment to Lease

The Second Amendment modifies the monthly rent fees such that the monthly rent fee for December 1, 2021 through June 30, 2022 will be \$9,000.00 per month. On July 1, 2022, the monthly rent will be subject to the normal annual increases set forth in the Lease.

The maintenance fees in the Lease are superseded and replaced with the a new monthly maintenance fee equal to One and One Half Percent (1.5%) of the Tenant's gross sales, which shall be computed each calendar month and, on or before the fifteenth (15th) day of the calendar month immediately following the close of such period, the Tenant shall pay to the Landlord the maintenance fee for the immediately preceding calendar month.

The Second Amendment includes a waiver and release of all claims against the Landlord up to and including the date of the second amendment.

Membership Interest Purchase Agreement #2

On November 30, 2021, DEP entered into a membership interest purchase agreement ("MIPA #2") to purchase the remaining twenty percent (20%) of the issued and outstanding membership interests (the "Remaining Purchased Interests") of Canopy from the Continuing Owner.

As consideration for DEP's purchase of the Remaining Purchased Interests, DEP will pay to the Continuing Owner a total purchase price of One Million Dollars (\$1,000,000.00) (the "Purchase Price") to be paid via either: (i) shares of the Company's common stock (the "Consideration Shares"); or (ii) in cash at DEP's sole option if such payment takes place within six (6) months following the date of MIPA #1 wherein DEP acquired eighty percent (80%) of the issued and outstanding membership interest of Canopy. In the event DEP elects or is required to pay the Purchase Price via Consideration Shares, the amount of Consideration Shares shall be determined based on the VWAP as of the date of execution of MIPA #1. In the event that, six (6) months following the execution date of MIPA #1, the value of the Consideration Shares have decreased such that total value of the Consideration Shares is less than ninety percent (90%) of its value, DEP agrees to cause the Company to issue an additional One Hundred Thousand Dollars (\$100,000.00) worth of shares of the Company's common stock (the "Additional Shares") to the Continuing Owner based on the VWAP calculated as of six (6) months following the closing of MIPA #1.

The Purchase Price is to be adjusted based on the actual working capital of Canopy as of the closing of MIPA #1.

Within seven (7) business days from the date that DEP receives notification from the city and state regulators that it is approved as the one hundred percent (100%) owner of Canopy and all adjustment calculations for determining the working capital are completed, DEP shall be obligated to pay to Continuing Owner the Purchase Price subject to applicable adjustments.

The foregoing description of the Membership Interest Purchase Agreement #2 does not purport to be complete and is qualified in its entirety by the Membership Interest Purchase Agreement #2, which is filed as Exhibit 10.6 hereto and is incorporated by reference herein.

SECTION 2 – FINANCIAL INFORMATION

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information set forth under Item 1.01 of this Current Report on Form 8-K with respect to the Membership Interest Purchase Agreement #1, the Secured Promissory Note and the Security Agreement is incorporated by reference into this Item 2.03.

SECTION 3 – SECURITIES AND TRADING MARKETS

Item 3.02 Unregistered Sales of Equity Securities

In connection with the Purchase Price to be paid under MIPA #2, DEP and the Company have determined that the Purchase Price will be paid in shares of the Company's common stock. The 10 day VWAP ending on November 30, 2021 was \$0.3665 per share which would result in the issuance of a total of 2,728,156 shares of the Company's common stock to be equivalent to \$1,000,000.00. The Company issued such Consideration Shares on December 3, 2021 and is holding such Consideration Shares in escrow pending the closing of MIPA #2 and in the event MIPA #2 does not close, the Consideration Shares will be cancelled and returned to treasury. The Company relied upon the exemption from the registration under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act") provided by Rule 506(b) of Regulation D and/or Section 4(a)(2) of the U.S. Securities Act with respect to such issuance.

(c) (i) own any interest in, manage, control, participate in, consult with or be or become engaged or involved in any Person engaged in or to engage in a licensed cannabis retail storefront and/or non-storefront or other business endeavor that is directly competitive with the Company within the City of Seaside, California or a ten (10) mile radius of the principal place of business of the Company as of the Closing Date (the “Territory”), including by being or becoming an organizer, owner, co-owner, trustee, promoter, affiliate, investor, lender, partner, joint venturer, stockholder, officer, director, employee, consultant, licensor or advisor of, to or with any Person engaged in or to engage in any such competitive business within the Territory; or (ii) make any investment (whether equity, debt or other) in, lend or otherwise provide any money or assets to, or provide any guaranty or other financial assistance to any Person engaged in or to engage in any such competitive business in the Territory; provided, however, that nothing herein shall prevent such Seller from owning, solely as an investment, less than two percent (2%) of the equity securities of any corporation which are publicly traded, if the Seller has no active participation in the business of such corporation.

Section 8.06 Further Assurances. From time to time, as and when requested by any Party, the other Party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as the requesting Party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by the Transaction Agreements.

Section 8.07 Access to Premises. From the date hereof through the First Closing Date, the Purchaser will have the right to conduct, during normal business hours and upon reasonable notice, such inquiries as it may reasonably require with respect to the Company and the Business, including the Books and Records thereof and all operational, legal, regulatory and financial matters relating to the Company and the Business. The Company shall cause the officers, employees, consultants, agents, accountants, attorneys and other representatives of the Company to reasonably cooperate with Purchaser and Purchaser's representatives in connection with such investigation and examination, and Purchaser and its representatives shall cooperate with the Company and its representatives and shall use their commercially reasonable efforts to minimize any disruption to the business.

Section 8.08 Restrictive Covenants. The Sellers agree that the Buyer is relying on the covenants and agreements set forth in this Article VIII, that without such covenants the Buyer would not enter into this Agreement or the transactions contemplated hereby, and that the Purchase Price (and the substantial value of the goodwill of the Company and the Business being purchased by Buyer hereunder) is sufficient consideration to make the covenants and agreements set forth herein enforceable.

ARTICLE IX INDEMNIFICATION

Section 9.01 Survival of Representations, Warranties and Covenants

Subject to the limitations and other provisions of this Agreement, including the provisions of this Article IX, the representations and warranties contained herein as to the Transaction shall survive the Closing Date and shall remain in full force and effect, regardless of any investigation made by or on behalf of the Company, the Seller or Buyer until the two (2) year anniversary of the Closing Date (the "General Expiration Date"). The covenants and agreements of the Parties contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive the Closing Date indefinitely or for the shorter period explicitly specified therein, except that for such covenants and agreements that survive for such shorter period, breaches thereof shall survive indefinitely. Notwithstanding the preceding sentences, any breach of representation, warranty, covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentences, if notice of the inaccuracy or breach thereof giving rise to such right of indemnity shall have been given to the Party against whom such indemnity may be sought prior to such time.

Section 9.02 Indemnification

(a) Subject to the limitations set forth in this Article IX, Seller shall, for the Company indemnify and hold harmless Buyer and its Affiliates (including the Company on and following the Closing Date) and each of their respective officers, directors, managers, Affiliates, agents and employees (hereinafter referred to individually as a "Buyer Indemnified Person" and collectively as "Buyer Indemnified Persons") from and against any and all losses, costs, damages, Liabilities, Taxes, claims, suits, proceedings, judgments, settlements and expenses (including reasonable fees and expenses of attorneys and in respect of any investigation conducted by Buyer Indemnified Persons) (collectively, "Damages") incurred by Buyer Indemnified Persons arising out of, relating to or in connection with (or arising out of or relating to any Third Party Claim containing allegations that, if true, would constitute):

(i) any misrepresentation or breach of, or default in connection with, any of the representations and warranties made with respect to the Seller in in Article V or VI of this Agreement;

(ii) any breach or violation of, failure to comply with, or default in connection with, any covenant or agreement made by or to be performed by the Seller or the Company in this Agreement;

(iii) any liability for Transfer Taxes which are the responsibility of the Seller, and any liability for Taxes of the Company attributable to any Pre-Closing Period (for an Overlap Period, determined in accordance with Section 10.01(b); and

(iv) any Company Indebtedness or any Company Transaction Expenses that were outstanding as of the Closing but not paid by the Company as of the Closing.

(b) Seller shall not be obligated to indemnify Buyer for liabilities and obligations of the Company that: (i) are not identified in or related to the express indemnification obligations set forth in Section 9.02(a)(i)-(iv); and (ii) Sellers had no Knowledge of as the Closing Date. For the avoidance of doubt, this provision shall in no way limit the Sellers' obligation to indemnify Buyer in accordance with Section 9.02(a)(i)-(iv).

(c) Subject to the limitations set forth in this Article IX, Buyer shall indemnify and hold the Seller and their respective successors and assigns (the "Seller Indemnified Persons") harmless from and against any and all Damages incurred by the Seller Indemnified Persons arising out of, relating to or in connection with (or arising out of or relating to any Third Party Claim containing allegations that, if true, would constitute) (i) any misrepresentation or breach of, or default in connection with, any of the representations and warranties made by Buyer in Article VII of this Agreement; or (ii) any breach or violation of, failure to comply with, or default in connection with, any covenant or agreement made by or to be performed by Buyer in this Agreement.

(d) Any qualifications in the representations, warranties and covenants contained herein with respect to a Material Adverse Effect, materiality, material or similar terms shall be disregarded for purposes of calculating the amount of Damages attributable a breach of such representation, warranty or covenant.

(e) Notwithstanding anything contained in this Agreement to the contrary, no party shall be liable to any other party for indirect, special, punitive, exemplary or consequential loss or Damages arising out of this Agreement (collectively "Consequential Damages"), provided, however, the foregoing shall not be construed to preclude recovery by a Buyer Indemnified Person or Seller Indemnified Person in respect of Consequential Damages payable to third parties as a result of Third Party Claims or Consequential Damages premised or arising from a Claim of fraud or intentional criminal acts by a party.

Section 9.03 Indemnification Procedure.

(a) **Non-Third-Party Claims.** The Person seeking indemnification hereunder (the “Indemnitee”) shall notify the Party obligated to provide indemnification hereunder (the “Indemnitor”) in writing (such notice, a “Claim Notice”) promptly of the Indemnitee’s discovery of any matter (including if a Claim is filed against the Indemnitee) for which the Indemnitor may be liable to the Indemnitee under this Article XI, which Claim Notice shall specify in reasonable detail each individual item of Damages and the nature of the breach of representation, warranty, covenant or agreement to which each such item is related. The failure of an Indemnitee to deliver a timely Claim Notice hereunder shall not affect its rights to indemnification hereunder, except to the extent that the Indemnitor is actually and materially prejudiced by such failure to provide timely notice.

(b) **Third Party Claims.** With respect to any Claim (other than a Claim made with respect to Taxes, which is governed by Section 10.04) made by a third Person (a “Third Party Claim”) against an Indemnitee for which the Indemnitee will seek indemnification from the Indemnitor hereunder, after delivery of the respective Claim Notice, the Indemnitor shall be entitled (if it so elects), at its own cost, risk and expense, (a) to take control of the defense and investigation of such Claim, (b) to employ and engage legal counsel of its own choice to handle and defend the same (unless the Indemnitee has been advised by counsel that there exists an actual or potential conflict of interest between the Indemnitee and counsel chosen by the Indemnitor (including one or more legal defenses or counterclaims available to it or to other indemnified parties that are different from or additional to those available to the indemnifying parties) that makes it inappropriate in the reasonable judgment of the indemnified party for the same counsel to represent both the indemnified party and the indemnifying parties), in which event the Indemnitee shall be entitled, at the Indemnitor’s cost, risk and expense, to reasonable fees of not more than one separate counsel of the Indemnitee’s own choosing, and (c) to compromise or settle such Claim, which compromise or settlement shall be made only with the written consent of the Indemnitee, such consent not to be unreasonably delayed or withheld, unless (A) there is no finding or admission against Indemnitee of any violation of the rights of any Person and it is not reasonably expected to have an effect on any other Claims that may be made against the Indemnitee, (B) the sole relief provided is monetary damages that are paid in full by the Indemnitor, (C) the Indemnitee will have no liability with respect to any compromise or settlement of such Claims effected without its consent and (D) the compromise or settlement of such Claim without the consent of the Indemnitee will not adversely affect the Tax liability of the Indemnitee or any of its Affiliates. After notice from the Indemnitor to the Indemnitee of its election to assume the defense of a Claim, the Indemnitor will not, as long as it diligently conducts such defense, be liable to the Indemnitee for any fees of other counsel with respect to the defense of such claim, except as otherwise provided in this Section 9.03(b) with respect to possible conflicts of interest between the Indemnitee and Indemnitor’s counsel. If the Indemnitor fails to notify the Indemnitee that the Indemnitor will assume the defense of such Claim within fifteen (15) calendar days after delivery by the Indemnitee of the Claim Notice (or such shorter period as may be required in connection with the underlying Claim), the Indemnitee will (upon delivering notice to such effect to the Indemnitor) have the right to undertake the defense, compromise or settlement of such Claim on behalf of and for the account and risk of the Indemnitor and Indemnitor shall reimburse the Indemnitee for the reasonable expenses of counsel engaged by Indemnitee to defend such Claim; provided, however, that, in such event, the Indemnitee shall not settle or compromise any Third Party Claim without the prior written consent of the Indemnitor, which consent shall not to be unreasonably withheld, conditioned or delayed. The Party undertaking the defense, compromise or settlement of the Third Party Claim will keep the other Party reasonably informed of the progress of any such defense, compromise or settlement, and the Indemnitor and Indemnitee shall cooperate (at the Indemnitor’s expense) in the investigation, trial and defense of such Third Party Claim and any appeal arising therefrom, and the Indemnitee may, at its own cost, monitor and further participate in the investigation, trial and defense of such Third Party Claim and any appeal arising therefrom. To the extent that there is an inconsistency between this Section 9.03 and Article X as to any Tax matter, the provisions of Article X shall control.

Section 9.04 No Right of Contribution. The Seller shall not make any claim for, any contribution from the Company or any of its officers, managers or employees with respect to any indemnity claims arising under or in connection with this Agreement to the extent that any Buyer Indemnified Person is entitled to indemnification hereunder for such claim, and the Seller hereby waives any such right of contribution from the Company and any of its officers, managers or employees it has or may have in the future.

Section 9.05 Effect of Investigation; Reliance. The right to indemnification, recovery of Damages or any other remedy will not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the Closing Date, with respect to the accuracy or inaccuracy of or compliance with any representation, warranty, covenant or agreement made by the Seller or the Company or any other matter. The waiver of any condition based on the accuracy of any such representation or warranty, or on the performance of or compliance with any such covenant or agreement, will not affect the right to indemnification, recovery of Damages or any other remedy based on any such representation, warranty, covenant or agreement. No Indemnitee shall be required to show reliance on any representation, warranty, fate or other agreement in order for such Indemnitee to be entitled to indemnification hereunder.

Section 9.06 Characterization of Payments. Any payments made to any party pursuant to this Article IX shall constitute an adjustment of the Purchase Price for Tax purposes and shall be treated as such by the Parties on their Tax Returns unless otherwise required by a change in law occurring after the date hereof, a closing agreement with an applicable Tax Authority or a final, non-appealable judgment of a court of competent jurisdiction.

ARTICLE X
TAX MATTERS

Section 10.01 Tax Returns.

(a) Any Tax Return or estimate of taxes due by the Company for any pre-Closing tax period shall be submitted by Buyer to Seller (together with schedules, statements and, to the extent requested by the Seller, supporting documentation) at least 30 days prior to the due date (including extensions) of such Tax Return or any tax return to be filed by Buyer. If Seller objects to any item on any such Tax Return or estimate of taxes due, Seller shall, within ten days after delivery of such Tax Return or estimate, notify Buyer in writing of such objection, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If a notice of objection shall be duly delivered, the Buyer and the Sellers shall negotiate in good faith and use their reasonable commercial efforts to resolve such items. If Buyer and Sellers are unable to reach such agreement within ten (10) days after receipt by the Buyer of such notice, the disputed items shall be resolved by an independent accounting firm appointed by Buyer with at least five (5) years' experience with cannabis business accounting, (the "**Independent Accountant**"), which Independent Accountant shall have no prior business relationship with the Buyer or Sellers, and any determination by the Independent Accountant shall be final. The Independent Accountant shall resolve any disputed items within twenty (20) days of having the item referred to it pursuant to such procedures as it may require. If the Independent Accountant is unable to resolve any disputed items before the due date for such Tax Return, the Tax Return shall be filed as prepared by the Buyer and then amended to reflect the Independent Accountant's resolution. The costs, fees and expenses of the Independent Accountant shall be borne equally by Buyer and the Seller. The preparation and filing of any Tax Return that does not relate to any pre-Closing periods shall be exclusively within the control of Buyer.

(b) For purposes of determining the Taxes attributable to an Overlap Period, Taxes of Company shall be allocated to the portion of the Overlap Period ending on the Closing Date on a per diem basis, and all Taxes shall be allocated as if such Overlap Period ended on the Closing.

Section 10.02 Cooperation with Respect to Tax Returns. Buyer and the Seller shall furnish or cause to be furnished to each other, and each at their own expense, as promptly as practicable, such information (including access to books and records) and assistance, including making employees available on a mutually convenient basis to provide additional information and explanations of any material provided, relating to the Company as is reasonably necessary for the filing of any Tax Return, for the preparation for any audit, and for the prosecution or defense of any claim, suit or proceeding relating to any adjustment or proposed adjustment with respect to Taxes. Buyer or the Company shall retain in its possession, and shall provide the Seller reasonable access to (including the right to make copies of), such supporting books and records and any other materials that the Seller may specify with respect to Tax matters relating to any taxable period ending on or prior to the Closing Date for a period of seven years following the Closing Date. After such time, Buyer may dispose of such material.

Section 10.03 Disputes. Except as otherwise provided herein, any dispute as to any matter covered hereby shall be resolved by the Accounting Referee, the fees and expenses of which shall be borne equally by the Seller and Buyer.

Section 10.04 Tax Contest. On and after the Closing Date, Buyer shall have the sole right to control, defend, settle, compromise or contest any Tax Contest relating to a Tax Return of Company; provided, however, that if the Seller would be required to indemnify Buyer for any Taxes, losses, claims or expenses arising from any such Tax Contest, the Seller, at the sole expense of the Seller, shall have the right to participate in any such Tax Contest, and Buyer shall not settle any such Tax Contest without the prior written consent of the Seller, such consent not to be unreasonably withheld, delayed or conditioned.

Section 10.05 Tax Refunds. Except for income Tax refunds or amounts credited against income Taxes, any Tax refunds that are received by Buyer or the Company, and any amounts credited against Tax to which Buyer or the Company become entitled, attributable to any Pre-Closing Period, shall be for the account of the Seller, and Buyer or the Company shall pay over to the Seller any such refund or the amount of any such credit within ten (10) days after receipt thereof or entitlement thereto.

XI

Section 11.01 Conditions of Termination. This Agreement may be terminated at any time prior to the Closing Transfer as follows:

- (a) by mutual written agreement of the Seller and Buyer;
- (b) in the event of denial of City Approval or State Approval as set forth in and subject to Section 4.04.
- (c) by the Seller or Buyer if any court of competent jurisdiction or other Governmental Authority shall have issued an Order permanently restraining, enjoining or otherwise prohibiting the Transaction, and such Order shall have become final and non-appealable; provided, however, that the Party seeking to terminate this Agreement pursuant to this clause (b) shall not be available to any Party whose breach or failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing Transfer;
- (d) by Buyer, if the Seller shall have breached in any material respect any of their respective representations or warranties or shall have breached or failed to perform or comply with any of its respective covenants or agreements in this Agreement in any material respect or Continuing Member has breached any obligations or commitments in the A&R OA and such breach or failure cannot be cured or has not been cured within thirty (30) days after the giving of written notice by Buyer to the Seller/Continuing Member-specifying such breach or failure; or
- (e) by the Seller, if Buyer shall have breached in any material respect any of its representations or warranties or shall have breached or failed to perform or comply with any of its covenants or agreements in this Agreement in any material respect and such breach or failure cannot be cured or has not been cured within thirty (30) days after the giving of written notice by the Seller to Buyer specifying such breach or failure.

Section 11.02 Effect of Termination. In the event of the termination of this Agreement prior to the consummation of the Closing Transfer, this Agreement (including, without limitation, the Closing Transfer, the payment of the Purchase Price) and the other applicable Transaction Agreements shall become void and have no further force and effect, and the Transaction shall be abandoned without any further action or Liabilities of any Party.

Section 12.02 Governing Law; Mediation; Arbitration.

(a) THIS AGREEMENT SHALL BE GOVERNED IN ALL RESPECTS, INCLUDING VALIDITY, INTERPRETATION AND EFFECT, BY THE LAWS OF THE STATE OF CALIFORNIA APPLICABLE TO CONTRACTS EXECUTED AND TO BE PERFORMED WHOLLY WITHIN SUCH STATE WITHOUT GIVING EFFECT TO THE CHOICE OF LAW PRINCIPLES OF SUCH STATE.

(b) In the event of any Claim arising out of or relating to any performance required under this Agreement, or the interpretation, validity or enforceability of this Agreement, the parties hereto shall use their good faith efforts to settle the Claim. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable resolution satisfactory to the parties. If the Claim cannot be settled through negotiation within a period of seven (7) days, the parties agree to attempt in good faith to settle the Claim through mediation, administered by a mediator mutually agreeable to the parties, before resorting to arbitration. If they do not reach such resolution, or an agreed upon mediator cannot be identified, within a period of thirty (30) days, then, upon notice by either Party to the other they shall commence arbitration as set forth in Section 12.02(c).

(c) Subject to the foregoing, the parties agree to submit any and all Claims arising out of or relating to any performance required under this Agreement, or the interpretation, validity or enforceability of this Agreement, to binding arbitration before JAMS. The arbitrator shall be either a retired judge, or an attorney who is experienced in commercial contracts and licensed to practice law in California, selected pursuant to the JAMS rules. The parties expressly agree that any arbitration shall be conducted in the County of Los Angeles, California. EACH PARTY UNDERSTANDS AND AGREES THAT BY SIGNING THIS AGREEMENT, SUCH PARTY IS WAIVING THE RIGHT TO A JURY. Pursuant to Section 12.02(a), the arbitrator shall apply California substantive law in the adjudication of all Claims. Notwithstanding the foregoing, either party may apply to the Superior Courts located in Monterey County for a provisional remedy, including but not limited to a temporary restraining order or a preliminary injunction. The application for or enforcement of any provisional remedy by a party shall not operate as a waiver of the agreement to submit a dispute to binding arbitration pursuant to this provision. In no event shall a Claim be adjudicated in Federal District Court. In the event that either party commences a lawsuit in Federal District Court or moves to remove such action to Federal District Court, the parties hereby mutually agree to stipulate to a dismissal of such Federal action with prejudice. After a demand for arbitration has been filed and served, the parties may engage in reasonable discovery in the form of requests for documents, interrogatories, requests for admission, and depositions. The arbitrator shall resolve any disputes concerning discovery. The arbitrator shall award costs and reasonable attorneys' fees to the prevailing party, as determined by the arbitrator, to the extent permitted by California law. The arbitrator's decision shall be final and binding upon the Parties. The arbitrator's decision shall include the arbitrator's findings of fact and conclusions of law and shall be issued in writing within thirty (30) days of the commencement of the arbitration proceedings. The prevailing Party may submit the arbitrator's decision to Superior Courts located in Monterey County for an entry of judgment thereon.

Section 12.03 Entire Agreement. This Agreement, the schedules and exhibits hereto, the other Transaction Agreements and agreements that reference this Agreement contain the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede all prior agreements, understandings, and negotiations, both written and oral, among the parties with respect to the subject matter of this Agreement.

Section 12.04 Expenses. Except as otherwise provided in this Agreement, each Party shall be responsible for and shall pay all costs and expenses incurred by such Party in connection with entering into this Agreement and the transactions contemplated by this Agreement.

Section 12.05 Counterparts. This Agreement may be executed and delivered by facsimile, email or electronic signature service (e.g., DocuSign or adobesign) and in two or more counterparts, all of which shall be considered one and the same agreement.

Section 12.06 Successors and Assigns; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party; provided, however, that Buyer may assign any or all of its rights, interests and obligations hereunder (a) in connection with the sale of all or substantially all of the assets of or any business combination transaction involving Buyer (whether pursuant to a merger, consolidation, sale of equity interests or otherwise) or (b) to any of its Affiliates without any prior written consent of the Seller; provided, further, however, that notwithstanding such assignment, Buyer shall remain liable for any default by its assignee of any of its obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors or assigns, heirs, legatees, distributees, executors, administrators and guardians.

Section 12.07 Amendments and Waivers. This Agreement, and each of the terms and provisions of this Agreement, may be modified, waived or amended, to the extent permitted by law and, if applicable, approved by the board of directors or similar governing body of the Seller and Buyer, by an instrument or instruments in writing signed by each of the Parties. The failure of any Party to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part of this Agreement or the right of any Party thereafter to enforce each and every such provision. The waiver by any Party of a breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

Section 12.08 Headings. The Section and Article headings contained in this Agreement are inserted for convenience of reference only and will not affect the meaning or interpretation of this Agreement.

Section 12.09 No Third-Party Beneficiaries. Except as expressly set forth herein, neither this Agreement nor any of the provisions herein is intended to confer upon any Person other than the Parties (and their successors and assigns as permitted by [Section 12.06](#) hereof) any rights or remedies hereunder.

Section 12.10 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Legal Requirement, (a) such provision will be fully severable, (b) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by such provision or its severance herefrom and (c) in lieu of such provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such provision as may be possible.

Section 12.11 Specific Performance. The rights and remedies of the Parties hereto shall be cumulative (and not alternative). Each Party hereby agrees that, in the event of any breach or threatened breach by the other Party of any covenant or obligation contained in this Agreement, the non-breaching Party shall be entitled (in addition to any other remedy that may be available to them, whether in law or equity, including monetary damages) to: (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and/or (b) an injunction restraining such breach or threatened breach. Each Party further agrees that the other Party shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 12.12, and each Party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 12.12 Acknowledgement. Each Party acknowledges that it or he and its or his attorneys have been given an equal opportunity to negotiate the terms and conditions of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party or any similar rule operating against the drafter of an agreement shall not be applicable to the construction or interpretation of this Agreement.

All proceeds of any insurance on the Collateral will be applied in the same manner as the payment of principal due and owing under the terms of the Existing Loans or the Additional Loan documents.

3. Grantor's Right to Possession. Until an Event of Default occurs and continues beyond the time permitted for cure under the Loan Agreement, Grantor may have possession of the tangible personal property and beneficial use of all of the Collateral and may use it in any lawful manner not inconsistent with this Security Agreement or the Related Documents.

4. Expenditures by Secured Party. If not discharged or paid by Grantor when due, or if not provided for in a good faith contest as required by Section 2(h), above, Secured Party may discharge taxes, liens, security interests, or other encumbrances at any time levied or placed on the Collateral, may pay for insurance on the Collateral, and may pay for maintenance and preservation of the Collateral. All such payments will become a part of the Indebtedness secured hereby, payable on demand, with interest from date of expenditure until repaid at the Default Rate under the notes then outstanding as set forth in the Related Documents. Such right will be in addition to any other rights or remedies to which Secured Party may be entitled on account of default.

5. Events of Default. If any of the following events occur ("Events of Default"), Grantor will be in default under this Agreement, and Secured Party, during the continuing of an Event of Default, will be entitled to exercise any remedies described in Section 6 below:

- a) Any of the Indebtedness is not paid when due and such payments become more than five (5) business days' late; or
- b) Grantor fails to comply with any term, obligation, covenant or condition contained herein or in any of the Related Documents; or
- c) Any warranty, representation, or statement made or furnished to Secured Party by or on behalf of Grantor proves to have been false in any material respect when made or furnished or becomes false in any material respect during the term hereof; or
- d) An Event of Default occurs under the terms of any of the Related Documents.

6. Rights of Secured Party.

a) **Rights Prior to Default or Thereafter.** Subject to applicable laws and regulations, Secured Party and its designated representatives or agents may at all times examine and inspect the Collateral, wherever located. Prior to the occurrence and continuance of an Event of Default, Grantor will have a license to collect all rents and profits from the use or operation of the Collateral.

b) **Rights Upon Default or Thereafter.** Upon the occurrence and continuance of an Event of Default, Secured Party may exercise any one or more of the following rights and remedies in addition to any other rights or remedies that may be available at law, in equity, or otherwise.

i) Secured Party may declare the entire Indebtedness immediately due and payable.

ii) Secured Party may require Grantor to deliver to Secured Party all or any portion of the Collateral and any and all certificates of title and other documents relating thereto. Secured Party may require Grantor to assemble the Collateral and make it available to Secured Party at a place to be designated by Secured Party. Secured Party also will have full power to enter upon the property of Grantor to take possession of and remove the Collateral.

iii) Secured Party will have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of Grantor. Secured Party may sell the Collateral at public auction. Unless the Collateral threatens to decline rapidly in value or is of the type customarily sold on a recognized market, Secured Party will give Grantor reasonable notice of the time and place of any public sale or reasonable notice of the time after which any private sale or any other intended disposition thereof is to be made. The requirements of reasonable notice of any sale will be conclusively met if such notice is mailed by registered or certified mail, postage prepaid, to the address of Grantor stated in this Agreement at least ten (10) days before the time of the sale or intended disposition. Grantor will be liable for expenses of retaking, holding, preparing for sale, selling, and all other expenses of Security Party in preserving, maintaining or enforcing its rights hereunder, and the same will be secured hereby.

iv) Secured Party may have a receiver appointed as a matter of right. The receiver may be an employee of Secured Party and may serve without bond. All fees of the receiver and his or her attorney must be paid by Grantor on demand and secured hereby.

v) Secured Party may revoke Grantor's right to collect the rents and revenues from the Collateral, and may, either itself or through a receiver, collect the same. To facilitate collection, Secured Party may notify any account Grantors of Grantor to pay directly to Secured Party, and Grantor will not take any action to adversely affect direct payment from account Grantors to Secured Party.

vi) Secured Party may obtain a judgment for any deficiency remaining in the Indebtedness due to Secured Party after application of all amounts received from the exercise of the rights provided in this Section. Grantor will be liable for a deficiency even if the underlying transaction is a sale of accounts or chattel paper.

vii) In addition to the foregoing, Secured Party will have and may exercise any or all of the rights and remedies as set forth in the Related Documents or of a secured creditor under the provisions of the Uniform Commercial Code, at law, in equity, or otherwise.

7. Waiver. Secured Party will not be deemed to have waived any rights hereunder or under the Related Documents unless such waiver is in writing and signed by Secured Party. No delay or omission on the part of Secured Party in exercising any right will operate as a waiver of such right or any other right. No consent or waiver, express or implied, by any party to or of any breach or default by the other in the performance by the other of its obligations hereunder will be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other party of the same or any other obligations hereunder.

8. Remedies Cumulative. All of Secured Party's rights and remedies, whether evidenced hereby, by any other document, or by law, will be cumulative and may be exercised singularly or concurrently. Election by Secured Party to pursue any remedy will not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of Grantor under this Agreement after Grantor's failure to perform will not affect Secured Party's right to declare a default and exercise its remedies under Section 6 hereof or under any of the Related Documents.

9. Successors and Assigns. This Security Agreement will be binding upon and inure to the benefit of the parties, their heirs, successors, and assigns.

10. Litigation Expenses. In any controversy, claim or dispute arising out of, or relating to, this Agreement or the method and manner of performance thereof or the breach thereof, the prevailing party will be entitled and awarded, in addition to any other relief, to a reasonable sum as litigation expenses. In determining what is a reasonable sum for litigation expenses, the actual amount of attorneys' fees the party is obligated to pay its attorney or attorneys will be presumed to be reasonable, which presumption is rebuttable, and the actual expenses incurred in the proceeding including but not limited to travel expenses and loss of time of a party will be presumed to be reasonable, which presumption is rebuttable. For the purposes of this provision, the term proceeding will include arbitration, administrative, bankruptcy, and judicial proceedings, including appeals therefrom. In the event that Secured Party is otherwise required to incur any expenses whatsoever to preserve, maintain or enforce its rights hereunder, whether or not litigation is commenced, Secured Party will be entitled to recover any and all such sums and all incidental expenses, including reasonable attorneys' fees. All such sums will be part of the Indebtedness secured hereby.

11. Choice of Law. This Agreement will be governed by and construed in accordance with the laws of the State of California with venue for any action arising hereunder in the state courts located in Monterey County, California.

12. Limitation by Law. Notwithstanding anything in this Agreement to the contrary, all rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate Law. All the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of Law that may be controlling and to be limited to the extent necessary so that they shall not render this agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any Law.

13. Savings Provision. Invalidity, unenforceability, or invalidation of any one or more of the provisions of this Agreement for any reason will in no way affect any other provisions hereof, which other provisions will remain in full force and effect.

IN WITNESS WHEREOF, Grantor has executed this instrument as of the day and year first above written.

WHEREAS, Tenant’s members intend to enter into a Membership Interest Purchase Agreement for the sale of Eighty Percent (80%) of the Member Interests of Tenant to DEP Nevada Inc., a Nevada corporation (“DEP”) such that the resulting ownership of Tenant would be 80% by DEP and 20% by Continuing Member (the “MIPA”) and Tenant shall remain the Tenant under the Lease (collectively the “Purchase Transaction”).

WHEREAS, Tenant desires to obtain Landlord’s consent to the Purchase Transaction pursuant to the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

 - b. This Agreement shall be governed by the laws of the State of California without regard to its conflict of law principles.

Section 8.03 Indemnification Procedure.

(a) Non-Third-Party Claims. The Person seeking indemnification hereunder (the “Indemnitee”) shall notify the Party obligated to provide indemnification hereunder (the “Indemnitor”) in writing (such notice, a “Claim Notice”) promptly of the Indemnitee’s discovery of any matter (including if a Claim is filed against the Indemnitee) for which the Indemnitor may be liable to the Indemnitee under this Article VII, which Claim Notice shall specify in reasonable detail each individual item of Damages and the nature of the breach of representation, warranty, covenant or agreement to which each such item is related. The failure of an Indemnitee to deliver a timely Claim Notice hereunder shall not affect its rights to indemnification hereunder, except to the extent that the Indemnitor is actually and materially prejudiced by such failure to provide timely notice.

(b) **Third Party Claims.** With respect to any Claim made by a third Person (a “Third Party Claim”) against an Indemnitee for which the Indemnitee will seek indemnification from the Indemnitor hereunder, after delivery of the respective Claim Notice, the Indemnitor shall be entitled (if it so elects), at its own cost, risk and expense, (a) to take control of the defense and investigation of such Claim, (b) to employ and engage legal counsel of its own choice to handle and defend the same (unless the Indemnitee has been advised by counsel that there exists an actual or potential conflict of interest between the Indemnitee and counsel chosen by the Indemnitor (including one or more legal defenses or counterclaims available to it or to other indemnified parties that are different from or additional to those available to the indemnifying parties) that makes it inappropriate in the reasonable judgment of the indemnified party for the same counsel to represent both the indemnified party and the indemnifying parties), in which event the Indemnitee shall be entitled, at the Indemnitor’s cost, risk and expense, to reasonable fees of not more than one separate counsel of the Indemnitee’s own choosing), and (c) to compromise or settle such Claim, which compromise or settlement shall be made only with the written consent of the Indemnitee, such consent not to be unreasonably delayed or withheld, unless (A) there is no finding or admission against Indemnitee of any violation of the rights of any Person and it is not reasonably expected to have an effect on any other Claims that may be made against the Indemnitee, (B) the sole relief provided is monetary damages that are paid in full by the Indemnitor, (C) the Indemnitee will have no liability with respect to any compromise or settlement of such Claims effected without its consent and (D) the compromise or settlement of such Claim without the consent of the Indemnitee will not adversely affect the Tax liability of the Indemnitee or any of its Affiliates. After notice from the Indemnitor to the Indemnitee of its election to assume the defense of a Claim, the Indemnitor will not, as long as it diligently conducts such defense, be liable to the Indemnitee for any fees of other counsel with respect to the defense of such claim, except as otherwise provided in this Section 8.03(b) with respect to possible conflicts of interest between the Indemnitee and Indemnitor’s counsel. If the Indemnitor fails to notify the Indemnitee that the Indemnitor will assume the defense of such Claim within fifteen (15) calendar days after delivery by the Indemnitee of the Claim Notice (or such shorter period as may be required in connection with the underlying Claim), the Indemnitee will (upon delivering notice to such effect to the Indemnitor) have the right to undertake the defense, compromise or settlement of such Claim on behalf of and for the account and risk of the Indemnitor and Indemnitor shall reimburse the Indemnitee for the reasonable expenses of counsel engaged by Indemnitee to defend such Claim; provided, however, that, in such event, the Indemnitee shall not settle or compromise any Third Party Claim without the prior written consent of the Indemnitor, which consent shall not to be unreasonably withheld, conditioned or delayed. The Party undertaking the defense, compromise or settlement of the Third Party Claim will keep the other Party reasonably informed of the progress of any such defense, compromise or settlement, and the Indemnitor and Indemnitee shall cooperate (at the Indemnitor’s expense) in the investigation, trial and defense of such Third Party Claim and any appeal arising therefrom, and the Indemnitee may, at its own cost, monitor and further participate in the investigation, trial and defense of such Third Party Claim and any appeal arising therefrom.

Section 8.04 No Right of Contribution. The Seller shall not make any claim for, any contribution from the Company or any of its officers, managers or employees with respect to any indemnity claims arising under or in connection with this Agreement to the extent that any Buyer Indemnified Person is entitled to indemnification hereunder for such claim, and the Seller hereby waives any such right of contribution from the Company and any of its officers, managers or employees it has or may have in the future.

Section 8.05 Effect of Investigation; Reliance. The right to indemnification, recovery of Damages or any other remedy will not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the Closing Date, with respect to the accuracy or inaccuracy of or compliance with any representation, warranty, covenant or agreement made by the Seller or the Company or any other matter. The waiver of any condition based on the accuracy of any such representation or warranty, or on the performance of or compliance with any such covenant or agreement, will not affect the right to indemnification, recovery of Damages or any other remedy based on any such representation, warranty, covenant or agreement. No Indemnitee shall be required to show reliance on any representation, warranty, fate or other agreement in order for such Indemnitee to be entitled to indemnification hereunder.

Section 8.06 Characterization of Payments. Any payments made to any party pursuant to this Article VIII shall constitute an adjustment of the Purchase Price for Tax purposes and shall be treated as such by the Parties on their Tax Returns unless otherwise required by a change in law occurring after the date hereof, a closing agreement with an applicable Tax Authority or a final, non-appealable judgment of a court of competent jurisdiction.

To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable resolution satisfactory to the parties. If the Claim cannot be settled through negotiation within a period of seven (7) days, the parties agree to attempt in good faith to settle the Claim through mediation, administered by a mediator mutually agreeable to the parties, before resorting to arbitration. If they do not reach such resolution, or an agreed upon mediator cannot be identified, within a period of thirty (30) days, then, upon notice by either Party to the other they shall commence arbitration as set forth in Section 10.02(c).

(c) Subject to the foregoing, the parties agree to submit any and all Claims arising out of or relating to any performance required under this Agreement, or the interpretation, validity or enforceability of this Agreement, to binding arbitration before JAMS. The arbitration shall be held in accordance with the JAMS then-current Streamlined Arbitration Rules & Procedures (and no other JAMS rules), which currently are available at: <https://www.jamsadr.com/rules-streamlined-arbitration>. The arbitrator shall be either a retired judge, or an attorney who is experienced in commercial contracts and licensed to practice law in California, selected pursuant to the JAMS rules. The parties expressly agree that any arbitration shall be conducted in the County of Los Angeles, California. EACH PARTY UNDERSTANDS AND AGREES THAT BY SIGNING THIS AGREEMENT, SUCH PARTY IS WAIVING THE RIGHT TO A JURY. Pursuant to Section 10.02(a), the arbitrator shall apply California substantive law in the adjudication of all Claims. Notwithstanding the foregoing, either party may apply to the Superior Courts located in Monterey County for a provisional remedy, including but not limited to a temporary restraining order or a preliminary injunction. The application for or enforcement of any provisional remedy by a party shall not operate as a waiver of the agreement to submit a dispute to binding arbitration pursuant to this provision. In no event shall a Claim be adjudicated in Federal District Court. In the event that either party commences a lawsuit in Federal District Court or moves to remove such action to Federal District Court, the parties hereby mutually agree to stipulate to a dismissal of such Federal action with prejudice. After a demand for arbitration has been filed and served, the parties may engage in reasonable discovery in the form of requests for documents, interrogatories, requests for admission, and depositions. The arbitrator shall resolve any disputes concerning discovery. The arbitrator shall award costs and reasonable attorneys' fees to the prevailing party, as determined by the arbitrator, to the extent permitted by California law. The arbitrator's decision shall be final and binding upon the Parties. The arbitrator's decision shall include the arbitrator's findings of fact and conclusions of law and shall be issued in writing within thirty (30) days of the commencement of the arbitration proceedings. The prevailing Party may submit the arbitrator's decision to Superior Courts located in Monterey County for an entry of judgment thereon.

Section 10.03 Entire Agreement. This Agreement, the schedules and exhibits hereto, the other Transaction Agreements and agreements that reference this Agreement contain the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede all prior agreements, understandings, and negotiations, both written and oral, among the parties with respect to the subject matter of this Agreement.

Section 10.04 Expenses. Except as otherwise provided in this Agreement, each Party shall be responsible for and shall pay all costs and expenses incurred by such Party in connection with entering into this Agreement and the transactions contemplated by this Agreement.

Section 10.05 Counterparts. This Agreement may be executed and delivered by facsimile, email or electronic signature service (e.g., DocuSign or adobesign) and in two or more counterparts, all of which shall be considered one and the same agreement.

Section 10.06 Successors and Assigns; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party; provided, however, that Buyer may assign any or all of its rights, interests and obligations hereunder (a) in connection with the sale of all or substantially all of the assets of or any business combination transaction involving Buyer (whether pursuant to a merger, consolidation, sale of equity interests or otherwise) or (b) to any of its Affiliates without any prior written consent of the Seller; provided, further, however, that notwithstanding such assignment, Buyer shall remain liable for any default by its assignee of any of its obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors or assigns, heirs, legatees, distributees, executors, administrators and guardians.

Section 10.07 Amendments and Waivers. This Agreement, and each of the terms and provisions of this Agreement, may be modified, waived or amended, to the extent permitted by law and, if applicable, approved by the board of directors or similar governing body of the Seller and Buyer, by an instrument or instruments in writing signed by each of the Parties. The failure of any Party to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part of this Agreement or the right of any Party thereafter to enforce each and every such provision. The waiver by any Party of a breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

Section 10.08 Headings. The Section and Article headings contained in this Agreement are inserted for convenience of reference only and will not affect the meaning or interpretation of this Agreement.

Section 10.09 No Third-Party Beneficiaries. Except as expressly set forth herein, neither this Agreement nor any of the provisions herein is intended to confer upon any Person other than the Parties (and their successors and assigns as permitted by Section 10.06 hereof) any rights or remedies hereunder.

Section 10.10 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Legal Requirement, (a) such provision will be fully severable, (b) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by such provision or its severance herefrom and (c) in lieu of such provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such provision as may be possible.

Section 10.11 Specific Performance. The rights and remedies of the Parties hereto shall be cumulative (and not alternative). Each Party hereby agrees that, in the event of any breach or threatened breach by the other Party of any covenant or obligation contained in this Agreement, the non-breaching Party shall be entitled (in addition to any other remedy that may be available to them, whether in law or equity, including monetary damages) to: (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and/or (b) an injunction restraining such breach or threatened breach. Each Party further agrees that the other Party shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 10.12, and each Party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 10.12 Acknowledgement. Each Party acknowledges that it or he and its or his attorneys have been given an equal opportunity to negotiate the terms and conditions of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party or any similar rule operating against the drafter of an agreement shall not be applicable to the construction or interpretation of this Agreement.

2. The undersigned further covenants, represents and warrants to the Company that:
 - (a) it understands that the Securities have not been and will not be registered under the U.S. Securities Act, that the sale contemplated hereby is being made in reliance on the exemption from such registration requirement provided by Rule 506(b) of Regulation D, that as such the Securities will be "restricted securities" within the meaning of Rule 144 under the U.S. Securities Act, and the undersigned is familiar with such rule and understands the resale limitations imposed thereby and the U.S. Securities Act;

 - (c) acknowledges that it has not acquired the Securities as a result of, and will not itself engage in, any "directed selling efforts" (as defined in Regulation S under the U.S. Securities Act) in the United States in respect of the Securities which would include any activities undertaken for the purpose of, or that could reasonably be expected to have the effect of, conditioning the market in the United States for the resale of such Securities;
 - (d) it understands and agrees that there may be material tax consequences to the undersigned of an acquisition, disposition or exercise of any of the Securities. The Company gives no opinion and makes no representation with respect to the tax consequences to the undersigned under United States, state, local or foreign tax law of the undersigned's acquisition or disposition of such Securities. In particular, no determination has been made whether the Company will be a "passive foreign investment company" ("**PFIC**") within the meaning of Section 1297 of the *United States Internal Revenue Code*;

THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE U.S. SECURITIES ACT AND IN ACCORDANCE WITH ANY APPLICABLE STATE SECURITIES LAWS, OR PURSUANT TO AN EXEMPTION OR EXCLUSION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS."

provided, however, if any Securities are being sold, the legend may be removed by delivery to the registrar and transfer agent and the Company of an opinion of counsel, of recognized standing reasonably satisfactory to the Company, that such legend is no longer required under applicable requirements of the U.S. Securities Act or state securities laws.

- (f) the undersigned acknowledges that the certificates representing the Securities will bear a legend in substantially the following form:

- (g) it is a resident of the state or other jurisdiction listed in its address as indicated below the undersigned's signature hereto;
- (h) it has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Securities and it is able to bear the economic risk of loss of its entire investment;
- (i) the Company has provided to it the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and it has had access to such information concerning the Company as it has considered necessary or appropriate in connection with its investment decision to acquire the Securities;
- (j) it is acquiring the Securities for its own account, for investment purposes only and not with a view to any resale, distribution or other disposition of such Securities in violation of the United States securities laws;
- (k) if it decides to offer, sell or otherwise transfer any of such Securities, it will not offer, sell or otherwise transfer any of such Securities directly or indirectly, unless
