## Corporate Update

### **Closing of Second Tranche of Private Placement Financing, Amendment to Terms of Secured Debt and Director Change**

BURLINGTON, Ontario – September 22, 2023 - Rapid Dose Therapeutics Corp. (“**RDT**” or the “**Company**”) (CSE: DOSE) is pleased to announce that it has closed on \$310,000 in a second tranche of its previously announced private placement financing (the “**Financing**”) bringing the total amount invested to \$1,779,445. The Financing allowed for up to \$5,000,000 of gross proceeds, consisting of up to 5,000,000 units (the “**Units**”) at a price of \$1.00 per Unit. Each Unit consists of \$1.00 principal amount of secured convertible notes (the “**Notes**”) and five (5) common share purchase warrants of the Company (the “**Warrants**”). On this second tranche closing of the Financing, 310,000 Units were purchased; and accordingly, the Company issued \$310,000 principal amount of Notes and 1,550,000 Warrants.

The Notes have a maturity date of November 30, 2025 and bear interest from their date of issue at 12.0% per annum, calculated monthly, accrued, added to principal and payable quarterly in arrears in common shares of the Company (“**Common Shares**”) at a price per share equal to the closing market price of the Common Shares on the Canadian Securities Exchange on the last trading day of each calendar quarter. A loan initiation fee of 5% shall be paid in Common Shares at the end of the first calendar quarter following the applicable closing date at a price per share equal to the closing market price of the Common Shares on the Canadian Securities Exchange on the last trading day of such calendar quarter.

The Notes are convertible, at the option of the holders at any time prior to maturity, into Common Shares at a conversion price of \$0.17 per Common Share. Each whole Warrant may be exercised for one Common Share at a price of \$0.14. Each whole Warrant that was issued on the first tranche closing on July 21, 2023 may be exercised for one Common Share at a price of \$0.14 per Common Share (the “**Floor Price**”). For subsequent tranches closing under the Financing, the exercise price of the Warrants must be the higher of the Floor Price and the closing market price of the Common Shares on the Canadian Securities Exchange on the last trading day immediately prior to any such subsequent tranche closing. Accordingly, the Warrants issued on this second tranche closing have an exercise price of \$0.14. The Warrant term is the same as the maturity of the Notes, being November 30, 2025, notwithstanding the date on which the Warrants are issued. All securities issued on the Financing are subject to a four month hold from the applicable date of closing.

The Company may prepay the Notes in certain circumstances. During the period from June 30, 2024 to December 31, 2024, the Company shall be entitled to prepay all or any portion of each of the Notes with a prepayment fee payable to each noteholder of 3% of the amount of the principal prepayment of the Note. There shall be no prepayment fee if the Notes are prepaid after December 31, 2024.

The Notes are secured pursuant to a general security agreement issued by the Company in favour of the various noteholders. The Company intends to use the proceeds from the Financing for working capital purposes and to repay debt. The first \$2,500,000 of proceeds raised pursuant to the Financing shall be used for general working capital purposes, with any proceeds raised thereafter being used to first repay approximately \$750,000 principal of secured debt as well as any accrued and unpaid interest thereon; provided however, that the Company shall, at any time, have the right to repay the principal and/or interest on the secured debt, in whole or in part, from any proceeds raised pursuant to the Financing.

\$500,000 of the Company's secured debt that was initially due on July 31, 2023 was extended to November 30, 2023. \$250,000 of the Company's secured debt that was initially due on July 5, 2023 was acquired by Madison Partners Corporation (the "**Madison Debt**"). Madison Partners Corporation agreed to extend the Madison Debt until September 22, 2024 and in exchange the Company agreed to (i) issue 1,250,000 warrants to Madison Partners Corporation, where each warrant may be exercised for one Common Share at a price of \$0.14, for a one year term and (ii) pay a loan fee of \$12,500 to Madison Partners Corporation which shall be payable in Common Shares at the end of the first calendar quarter following the date hereof, with each such Common Share being issued at the closing market price of a Common Share on the Canadian Securities Exchange on the last trading day immediately prior to the end of the relevant calendar quarter. Interest on the Madison Debt is 12.0% per annum calculated monthly, compounded, accrued, added to the principal amount and payable quarterly in arrears on a calendar quarter basis (each an "**Interest Payment Date**") until the Madison Debt is fully repaid. Interest will be paid in Common Shares at the price per share equivalent to the closing market price of a Common Share on the Canadian Securities Exchange on the last trading day immediately preceding the end of the relevant Interest Payment Date. The Company is entitled to prepay the outstanding principal amount, in whole or in part, together with all accrued interest, without penalty or bonus.

An insider of the Company participated in this second tranche of the Financing in the amount of \$30,000. Issuance of the Notes and Warrants indirectly to John McKimm (via his holding company, Madison Partners Corporation), a director of the Company, in the amount of \$30,000 of Notes and 150,000 Warrants, is a related party transaction within the meaning of Multilateral Instrument 61-101 ("**MI 61-101**").

An insider of the Company was also involved in the amendment to the Madison Debt. Such debt amendment and issuance of the 1,250,000 warrants and payment of the \$12,500 loan fee indirectly to John McKimm (via his holding company, Madison Partners Corporation), a director of the Company, is a related party transaction within the meaning of MI 61-101.

The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in Section 5.5(b) (Company is listed on the Canadian

Securities Exchange) and Section 5.7(1)(a) (fair market value of the transaction insofar as it involves related parties does not exceed 25% of the Company's market capitalization) in respect of the aforementioned related party transactions. A resolution of the board of directors of the Company was passed to approve the Financing. A resolution of the board of directors of the Company was also passed to approve the amendment to the Madison Debt, with interested parties abstaining. There were no materially contrary views or abstentions by any other directors.

The Company did not file a material change report more than 21 days before issuing this press release, which it considers reasonable in the circumstances, as the participation in the transactions by a related party of the Company was not definitive until shortly prior to closing and the Company was attempting to close the transactions expeditiously.

The Company would also like to announce the recent resignation of Andrew Duckman from the Company's board of directors effective September 18, 2023.

#### **About Rapid Dose Therapeutics Corp.**

Rapid Dose Therapeutics is a Canadian biotechnology company revolutionizing drug delivery through innovation. The Company's flagship product QuickStrip™ is a thin, orally dissolvable film, that can be infused with an infinite list of active ingredients, including nutraceuticals, pharmaceuticals and vaccines, that are delivered quickly into the bloodstream, resulting in rapid onset of the active ingredient.
