

For Immediate Release.

HARRYS ANNOUNCES AGREEMENT WITH ATLAS MODULAR SOLUTIONS INC. TO DESIGN NEW FACILITIES

Vancouver, British Columbia, June 24, 2024 – Harrys Manufacturing Inc. (CSE: HARY) (the “Company”, “Harrys”, “we” or “our” or “us”), a national cigarette company in Canada, is very pleased to announce it has entered an agreement with Atlas Modular Solutions Inc. (“Atlas”). Known for their high-performance modular buildings, Atlas will design a 10,000 sq. ft. high-quality modular manufacturing and distribution facility for the Company to be constructed in British Columbia.

“We’re delighted to work with Mr. Marks and the team at Atlas,” says CEO Nick Brusatore. “The partnership aligns with our vision to be recognized as the premier tobacco marketer in Canada, known for our commitment to innovation, quality, and social responsibility.” Michael Stringile, Vice President of Manufacturing and Regulatory Affairs, adds, “Working with Atlas provides us with unparalleled opportunities to focus on sustainable and energy-efficient facilities. This collaboration is a game-changer, allowing us to build a state-of-the-art manufacturing hub that meets the highest industry standards. We are committed to setting the benchmark for excellence and driving our future growth with cutting-edge, best-in-class infrastructure.”

ON BEHALF OF THE BOARD

Nick Brusatore
CEO

Cautionary Note Regarding Forward-Looking Statements: This news release includes certain statements and information that may constitute “forward-looking information” within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, timing and assumptions or expectations

of future performance are forward-looking statements and contain forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this news release. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except as required by applicable securities laws.
