

Spearmint Resources Commences Operations On BC Gold/Copper/Nickel Projects in the Golden Triangle

Vancouver, British Columbia--(Newsfile Corp. - July 17, 2018) - **Spearmint Resources Inc. (TSXV: SRJ) (OTC Pink: SPMTF) (FSE: A2AHL5) ("SRJ" or the "Company")** is pleased to announce that it has secured the services of Precision GeoSurveys ("Precision") based out of British Columbia to conduct the airborne work programs over Spearmint's multiple BC gold/copper/nickel properties. The airborne survey is the first of several work programs that are being formulated.

James Nelson, President of Spearmint states, "We are very pleased to be working with the team at Precision. They have significant experience in these airborne surveys and our projects in the Golden Triangle are all in significant areas with multiple drill programs underway by our neighbors Garibaldi Resources, Aben Resources and GT Gold. We have also recently renewed our Clayton Valley lithium claims bordering Cypress Development due to our recent drill program intersecting lithium values as high as 1,670 parts per million. We are very encouraged by this and plan to continue drilling as soon as possible."
