MANAGEMENT INFORMATION CIRCULAR

(As at November 5, 2024, except as indicated)

INTRODUCTION

Spearmint Resources Inc. (the “**Company**” or “**Spearmint**”) is providing this management information circular (the “**Information Circular**”) and a form of proxy in connection with the management’s solicitation of proxies for use at the annual general meeting (the “**Meeting**”) of the Company to be held at the offices of Cozen O’Connor LLP, at Suite 2501 – 550 Burrard Street, Vancouver, British Columbia, on Thursday, December 19, 2024 at 10:00 a.m. (Pacific Time), or at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of meeting (the “**Notice**”).

The Record Date and Currency

Only Shareholders of record at the close of business (Pacific Time) on Tuesday, November 5, 2024 (the “**Record Date**”) will be entitled to receive Notice of and vote at the Meeting, or any adjournment or postponement thereof. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Notice-and-Access

The Company is sending proxy related materials to its registered and beneficial Shareholders using “notice-and-access”, as defined under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Notice-and-access is a set of rules for reducing the volume of materials that must be physically mailed to Shareholders by allowing issuers to post their information circular and additional materials online. Instead

of receiving paper copies of meeting materials, Shareholders receive a “notice-and-access notice” containing prescribed information, as well as a form of proxy or voting information form, as applicable.

Shareholders with existing instructions on their account to receive paper materials will receive a paper copy of the meeting materials.

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed on the form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the form as mailed. A proxyholder need not be a Shareholder.

Voting by Proxy

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed form of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, before 10:00 a.m. (Pacific Time), on December 17, 2024, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Non-Registered Holders

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as brokerage firm through which they purchased the Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your Shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the notice-and-access notice and form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a Shareholder, his or her attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company at any time up to and including the last Business Day preceding the date of the Meeting, or any adjournment or postponement thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value ("**Shares**"), of which 272,203,583 Shares were issued and outstanding as of the Record Date. Persons who are registered Shareholders at the close of business on the Record Date will be entitled to receive Notice of and vote at the Meeting and will be entitled to one vote for each Share held. The Company has only one class of shares issued and outstanding.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, controls or directs, directly or indirectly, Shares carrying 10% or more of the voting rights attached to the outstanding Shares of the Company.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company until the next annual meeting. The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at four.

Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

The Company currently has four directors and all these directors are standing for re-election. The directors of the Company are elected at each annual general meeting and generally hold office until the next annual meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, proxies will be voted for the nominees listed herein.

The Company is required by applicable securities laws to have an audit committee. Members of the audit committee (the "**Audit Committee**") are set out below.

Management of the Company proposes to nominate each of the following persons for election as a director. Information concerning such persons, as furnished by the individual nominees, is as follows:

Omnibus Equity Incentive Plan and Other Incentive Plans

The Company implemented an omnibus equity incentive plan (the “**2022 Equity Incentive Plan**”) effective December 8, 2022. On October 30, 2023, the board of directors (the “**Board**”) passed a resolution to adopt an amended and restated omnibus equity incentive plan (the “**2023 Plan**”), which removed the limits on grants of awards to any one director of the Company within any one financial year of the Company contained in Section 3.7(b)(ii) of the 2022 Equity Incentive Plan. At the Company’s annual general and special meeting held on December 14, 2023, the Shareholders approved the 2023 Plan. The 2023 Plan continues providing flexibility to the Company to grant equity-based incentive awards in the form of stock options, RSUs, DSUs, and performance share units (“**PSUs**”).

The purpose of the 2023 Plan is to, among other things, provide the Company with a share related mechanism to attract, retain and motivate qualified directors, employees and consultants of the Company and its subsidiaries, to reward such of those directors, employees and consultants as may be granted awards under the 2023 Plan by the Board from time to time for their contributions toward the long-term goals and success of the Company and to enable and encourage such directors, employees and consultants to acquire Shares as long-term investments and proprietary interests in the Company.

Key Terms of the 2023 Plan

Shares Subject to the 2023 Plan

The 2023 Plan is a rolling plan which, subject to the adjustment provisions provided for therein (including a subdivision or consolidation of Shares), provides that the aggregate maximum number of Shares that may be issued upon the exercise or settlement of awards granted under the 2023 Plan, shall not exceed 20% of the Company’s issued and outstanding Shares from time to time, such number being 54,440,717 as of the Record Date. The 2023 Plan is considered an “evergreen” plan, since the Shares covered by awards which have been exercised, settled or terminated shall be available for subsequent grants under the 2023 Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

Insider Participation Limit

The 2023 Plan also provides that the aggregate number of Shares (a) issuable to insiders at any time (under all of the Company’s security-based compensation arrangements) cannot exceed 10% of the Company’s issued and outstanding Shares and (b) issued to insiders within any one year period (under all of the Company’s security-based compensation arrangements) cannot exceed 10% of the Company’s issued and outstanding Shares.

Any Shares issued by the Company through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of awards granted under the 2023 Plan.

Administration of the 2023 Plan

The Plan Administrator (as defined in the 2023 Plan) is determined by the Board, and is initially the Board. The 2023 Plan may in the future continue to be administered by the Board itself or delegated to a committee of the Board. The Plan Administrator determines which directors, officers, consultants and employees are eligible to receive awards under the 2023 Plan, the time or times at which awards may be granted, the conditions under which awards may be granted or forfeited to the Company, the number of Shares to be covered by any award, the exercise price of any award, whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any award, and the nature of any such restrictions or limitations, any acceleration of exercisability or vesting, or waiver of termination regarding any award, based on such factors as the Plan Administrator may determine.

In addition, the Plan Administrator interprets the 2023 Plan and may adopt guidelines and other rules and regulations relating to the 2023 Plan, and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2023 Plan.

Eligibility

All directors, employees and consultants are eligible to participate in the 2023 Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the 2023 Plan will be determined in the sole and absolute discretion of the Plan Administrator.

Types of Awards

Awards of RSUs and PSUs may be made under the 2023 Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the 2023 Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations provided in the 2023 Plan and in accordance with applicable law, the Plan Administrator may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Shares issued pursuant to awards.

Restricted Share Units

A RSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each RSU after a specified vesting period. The Plan Administrator may, from time to time, subject to the provisions of the 2023 Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the “**RSU Service Year**”).

The number of RSUs (including fractional RSUs) granted at any particular time under the 2023 Plan will be calculated by dividing (a) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the Market Price. The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs, provided that the terms comply with Section 409A of the U.S. Internal Revenue Code of 1986, to the extent applicable.

Upon settlement, holders will redeem each vested RSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested RSU, (b) a cash payment or (c) a combination of Shares and cash. Any such cash payments made by the Company shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the

settlement date. Subject to the provisions of the 2023 Plan and except as otherwise provided in an award agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU any later than the final business day of the third calendar year following the applicable RSU Service Year.

Performance Share Units

A PSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each PSU after specific performance-based vesting criteria determined by the Plan Administrator, in its sole discretion, have been satisfied. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the effect of termination of a participant's service and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable award agreement. The Plan Administrator may, from time to time, subject to the provisions of the 2023 Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the "**PSU Service Year**").

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of PSUs. Upon settlement, holders will redeem each vested PSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested PSU, (b) a cash payment, or (c) a combination of Shares and cash. Any such cash payments made by the Company to a participant shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date. Subject to the provisions of the 2023 Plan and except as otherwise provided in an award agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU any later than the final business day of the third calendar year following the applicable PSU Service Year.

Dividend Equivalents

Except as otherwise determined by the Plan Administrator or as set forth in the particular award agreement, RSUs, PSUs and DSUs shall be credited with dividend equivalents in the form of additional RSUs, PSUs and DSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the awards to which they relate. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, PSUs and DSUs, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places.

Black-out Periods

In the event an award expires, at a time when a scheduled blackout is in place or an undisclosed material change or material fact in the affairs of the Company exists, the expiry of such award will be the date that is 10 business days after which such scheduled blackout terminates or there is no longer such undisclosed material change or material fact.

Term

While the 2023 Plan does not stipulate a specific term for awards granted thereunder, as discussed below, awards may not expire beyond 10 years from its date of grant, except where shareholder approval is received or where an expiry date would have fallen within a blackout period of the Company. All awards must vest and settle in accordance with the provisions of the 2023 Plan and any applicable award agreement, which award agreement may include an expiry date for a specific award.

Termination of Employment or Services

The following table describes the impact of certain events upon the participants under the 2023 Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a participant’s applicable employment agreement, award agreement or other written agreement:

<u>Event</u>	<u>Provisions</u>

Termination without Cause	<ul style="list-style-type: none"> A portion of any unvested awards shall immediately vest, such portion to be equal to the number of unvested awards held by the participant as of the Termination Date multiplied by a fraction the numerator of which is the number of days between the date of grant and the Termination Date and the denominator of which is the number of days between the date of grant and the date any unvested awards were originally scheduled to vest.
Disability	<ul style="list-style-type: none"> A portion of any unvested awards shall immediately vest, such portion to be equal to the number of unvested awards held by the participant as of the date of disability multiplied by a fraction the numerator of which is the number of days between the date of grant and the date of disability and the denominator of which is the number of days between the date of grant and the date any unvested awards were originally scheduled to vest. Any vested award will be settled within 90 days after the Termination Date.
Death	<ul style="list-style-type: none"> A portion of any unvested awards shall immediately vest, such portion to be equal to the number of unvested awards held by the participant as of the date of death multiplied by a fraction the numerator of which is the number of days between the date of grant and the date of death and the denominator of which is the number of days between the date of grant and the date any unvested awards were originally scheduled to vest. Any vested award will be settled with the Participant’s beneficiary or legal representative (as applicable) within 90 days after the date of the Participant’s death.
Retirement	<ul style="list-style-type: none"> (i) a portion of any unvested awards shall immediately vest, such portion to be equal to the number of unvested awards held by the Participant as of the date of retirement multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the date of retirement and the denominator of which is the number of days between the Date of Grant and the date any unvested awards were originally scheduled to vest, and (ii) any outstanding award that vests based on the achievement of Performance Goals (as defined in the 2023 Plan) that has not previously become vested shall continue to be eligible to vest based upon the actual achievement of such Performance Goals. Any vested award that is described in (i), such award will be settled within 90 days after the participant’s retirement. In the case of a vested award that is described in (ii), such award will be settled at the same time the award would otherwise have been settled had the participant remained in active service with the Company or its subsidiary. Notwithstanding the foregoing, if, following his or her retirement, the participant commences (the “Commencement Date”) employment, consulting or acting as a director of the Company or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any person that carries on or proposes to carry on a business competitive with the Company or any of its subsidiaries.

Change in Control

Under the 2023 Plan, except as may be set forth in an employment agreement, award agreement or other written agreement between the Company or a subsidiary of the Company and a participant:

- (a) If within 12 months following the completion of a transaction resulting in a Change in Control (as defined below), a participant's employment, consultancy or directorship is terminated by the Company or a subsidiary of the Company without Cause (as defined in the 2023 Plan), without any action by the Plan Administrator:
 - (i) any unvested awards held by the participant at Termination Date may vest in the sole discretion of the Plan Administrator; and
 - (ii) any vested awards may be exercised, surrendered to the Company, or settled by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such award; and (B) the date that is 90 days after the Termination Date. Any award that has not been exercised, surrendered or settled at the end of such period being immediately forfeited and cancelled.
- (b) Unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on the CSE, the Company may terminate all of the awards held by a participant that is a resident of Canada for the purposes of the Income Tax Act (Canada), granted under the 2023 Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such participant as determined by the Plan Administrator, acting reasonably, provided that any vested awards granted to U.S. Taxpayers (as defined in the 2023 Plan) will be settled within 90 days of the Change in Control.

Subject to certain exceptions, a "Change in Control" includes (a) any transaction pursuant to which a person or group acquires more than 50% of the outstanding Shares, (b) the sale of all or substantially all of the Company's assets, (c) the dissolution or liquidation of the Company, (d) the acquisition of the Company via consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise, (e) individuals who comprise the Board at the last annual meeting of Shareholders (the "Incumbent Board") cease to constitute at least a majority of the Board, unless the election, or nomination for election by the Shareholders, of any new director was approved by a vote of at least a majority of the Incumbent Board, in which case such new director shall be considered as a member of the Incumbent Board, or (f) any other event which the Board determines to constitute a change in control of the Company.

Non-Transferability of Awards

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a participant, by will or as required by law, no assignment or transfer of awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding award pass to a beneficiary or legal representative upon the death of a participant, the period in which such award can be exercised by such beneficiary or legal representative shall not exceed one year from the participant's death.

Amendments to the 2023 Plan

The Plan Administrator may also from time to time, without notice and without approval of the holders of voting Shares, amend, modify, change, suspend or terminate the 2023 Plan or any awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that (a) no such amendment, modification, change, suspension

or termination of the 2023 Plan or any award granted pursuant thereto may materially impair any rights of a participant or materially increase any obligations of a participant under the 2023 Plan without the consent of such participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements, and (b) any amendment that would cause an award held by a U.S. Taxpayer to be subject to the income inclusion under Section 409A of the United States Internal Revenue Code of 1986, as amended, shall be null and void ab initio.

Notwithstanding the above, and subject to the rules of the CSE, the approval of Shareholders is required to effect any of the following amendments to the 2023 Plan:

- (a) increasing the number of Shares reserved for issuance under the 2023 Plan, except pursuant to the provisions in the 2023 Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (b) increasing or removing the 10% limits on Shares issuable or issued to insiders;
- (c) reducing the exercise price of an option award (for this purpose, a cancellation or termination of an award of a participant prior to its expiry date for the purpose of reissuing an award to the same participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an award) except pursuant to the provisions in the 2023 Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) increasing or removing the limits on the participation of non-employee directors;
- (e) permitting awards to be transferred to a person;
- (f) changing the eligible participants; and
- (g) deleting or otherwise limiting the amendments which require approval of the Shareholders.

Except for the items listed above, amendments to the 2023 Plan will not require shareholder approval. Such amendments include (but are not limited to): (a) amending the general vesting provisions of an award, (b) amending the provisions for early termination of awards in connection with a termination of employment or service, (c) adding covenants of the Company for the protection of the participants, (d) amendments that are desirable as a result of changes in law in any jurisdiction where a participant resides, and (e) curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.

Anti-Hedging Policy

Participants are restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of awards granted to them.

As at the date hereof, there are 1,100,000 stock options and Nil RSUs outstanding under the 2023 Plan. A copy of the Company's 2023 Plan is available under the Company's profile on SEDAR+ at www.sedarplus.ca.

Employment, Consulting and Management Agreements

As of the day of this Information Circular, the Company does not have any contract, agreement, plan or arrangement that provides for payments to the NEOs or directors at, following, or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in a director or NEO's responsibilities.

For the purposes of this section “**Change of Control**” means change in control of the Company which includes the acquisition by a person of 50% or more of the voting securities of the Company, the removal of 50% or more of the incumbent members of the Board, or a transaction the result of which is that the current voting Shareholders of the Company own less than 50% of the voting shares of the resulting or successor corporation, or the sale of all or substantially all of the Company’s assets.

Oversight and Description of Director and NEO Compensation

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s Shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options, RSUs, DSUs and PSUs.

The Board has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options, RSUs, DSUs and PSUs encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs’ performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.
