Due to a printing error in the attached AGM Information Circular, the time for our Annual General Meeting was incorrectly shown as 1:30 AM.

The actual meeting time is **1:30 PM EDT** Thursday August 17, 2017.

Similarly, the cutoff time for submitting proxies should be **1:30 PM EDT** Tuesday August 15, 2017.

The times and dates shown on the Voter Instruction Form (VIF) and the Proxy Form are correct.

Regards,

Greg Ball, CFO
