

IGT.BET's BLITZPOOLS Is Showing Incredible Growth Leading into IPL on April 9th and Corporate Update

Toronto, Ontario--(Newsfile Corp. - March 29, 2021) - Interactive Games Technologies Inc. (CSE: BETS) (FSE: F00) (OTCQB: BLITF) (IGT.BET) ("**Interactive Games Technologies Inc**" or the "**Company**") - is pleased to share that its recently acquired skill-based fantasy gaming product, BLITZPOOLS, continues to exceed expectations.

Since the official launch March 8th BLITZPOOLS has already acquired over 300,000 new players. The robust influencer led marketing campaign that is leveraging cricket and Bollywood ambassadors with a collective social media following over 215 million is clearly working!

There continues to be validation of IGT.BET's investment strategy in India. Dream Sports (parent company of DREAM11) had raised \$225 million at a valuation of \$2.5 billion in September 2020. With the valuation doubling to around \$5 billion now with a further \$400 million just raised, it is clear that the category now includes some of the most valued start-ups in India.

BLITZPOOLS is striving to reach 5 million users by the end of 2021 and is in hot pursuit of Dream11's 100 million users.

Corporate Update

The Company announces that effectively immediately, Chris Neville is no longer the CEO of the Company. The Company announces its Board of Directors has appointed Troy Grant, a current board member, to serve as interim Chief Executive Officer.

The Company is reviewing its strategic direction and exploring strategic alternatives for its assets outside of India, where it will be focusing all of its efforts and resources.
