**i3 INTERACTIVE ANNOUNCES  
APPLICATION FOR MANAGEMENT CEASE TRADE ORDER**

**Toronto, ON – June 14, 2022** – i3 Interactive Inc. (CSE: BETS) (the "**Corporation**") announces that it has made an application to the British Columbia Securities Commission to approve a temporary management cease trade order (the "**MCTO**") under National Policy 12-203 *Management Cease Trade Orders* ("**NP 12-203**"), which, if granted, will prohibit trading in securities of the Corporation by the chief executive officer and chief financial officer of the Corporation until such time as the Required Filings (as defined below) and all continuous disclosure requirements have been filed by the Corporation, and the MCTO has been lifted. During the period in which the MCTO is effective, the general public, who are not insiders of the Corporation, will continue to be able to trade in the Corporation's listed securities. The MCTO application has been made, but there is no guarantee or assurance that the MCTO will be granted.

The Corporation expects it will be unable to file its audited financial statements for the 14 months period from January 1, 2020, and ended February 28, 2022 with comparative figures for the 12 months ended December 31, 2020, and the management's discussion and analysis and related Chief Executive Officer and Chief Financial Officer certificates for this period (collectively, the "**Required Filings**") before the June 28, 2022 filing deadline (the "**Filing Deadline**").

The Corporation's failure to file its Required Filings by the Filing Deadline is due to a combination of factors including (i) the Financial Year Change, (ii) change of auditors, (iii) the hiring and onboarding of new auditor, (iv) delays in audit of the new auditor as it needed to undergo additional procedures, (v) delays in obtaining financial information relating to the Corporation's assets in India and valuation of such assets.

The Corporation anticipates that it will be in a position to remedy the default by filing the Required Filings on or before August 31, 2022. The MCTO will be in effect until the Required Filings are completed.

The Corporation intends to satisfy the provisions of the alternative information guidelines set out in section 10 NP 12-203 so long as the Required Filings are outstanding.
