(Prepared using IFRS)

General and administrative expenses varied from quarter to quarter based on corporate administrative requirements and activities related to investigating opportunities that could potentially lead to a Qualifying Transaction and then increased in the quarter ended March 31, 2012 due to the completion of the Qualifying Transaction.

LIQUIDITY AND SOLVENCY

As of June 30, 2012, the Company had working capital of \$496,273. At the current rate of expenditure, the Company has sufficient working capital to meet its ongoing administrative costs and modest exploration work on the Elizabeth Lake project. To expand exploration and development activities, the Company will have to seek additional financing.

CAPITAL RESOURCES

As of June 30, 2012, the Company had not made any commitments for capital expenditures, nor had it arranged any sources of financing.

OFF-BALANCE SHEET ARRANGEMENTS

The Company does not have any special purpose entities nor is it party to any arrangements that would be excluded from the balance sheet.

TRANSACTIONS BETWEEN RELATED PARTIES

The Company had no related party transactions for the period ended June 30, 2012.

FINANCIAL INSTRUMENTS

The Company's financial instruments consist of cash, accounts receivable and accounts payable and accrued liabilities. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risk arising from these financial instruments. The carrying amount of current financial assets and current financial liabilities approximate their fair value because of the short-term maturities of these items.
