Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" concerning anticipated developments and events related to LOOPShare Ltd. that may occur in the future. Forward looking information contained in this news release includes, but is not limited to, statements with respect to the completion of the settlement.

In certain cases, forward-looking information can be identified by the use of words such as "expects", "intends", "anticipates" or variations of such words and phrases or state that certain actions, events or results "may", "would", or "might" suggesting future outcomes, or other expectations, assumptions, intentions or statements about future events or performance. Forward-looking information contained in this news release is based on certain factors and assumptions regarding, among other things, the timely receipt of regulatory approvals. While LOOPShare considers these assumptions to be reasonable, they may be incorrect.

Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results to be materially different from any future results expressed by the forward-looking information. Such factors include risks related to acts of God, and the risk that regulatory approval will not be received for the settlement, and the additional risks identified in the "Risk Factors" section of LOOPShare's filings with applicable Canadian securities regulators.

Although LOOPShare has attempted to identify factors that could cause actual results to differ materially from those described, there may be other factors that cause results not to be as anticipated. Readers should not place undue reliance on forward-looking information. The forward-looking information is made as of the date of this news release. Except as required by applicable securities laws, LOOPShare does not undertake any obligation to update forward-looking information.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this release.
