

The Good Flour Corp. Expands Production Capacity into the United States with Capacity of up to 40,000 Pounds Per Day

Vancouver, British Columbia--(Newsfile Corp. - April 27, 2022) - **The Good Flour Corp. (CSE: GFCO) (OTCQB: GFCOF) (FSE: 3KZ) ("GFCO")** is pleased to announce that it will expand production of its exciting line of superfood packed alt-wheat flours into the United States. GFCO has entered into a co-packing arrangement with a premier United States based flour-milling and ingredient company. The arrangement opens a significant opportunity to ramp-up production in the United States of GFCO's gluten-free, allergen-free, additive-free, hassle-free products, including flour, fried chicken batter, fish & chip batter, pizza & pasta mix, tempura batter, pancake and waffle blend and cake mix.

"The addition of United States based production capacity is key to GFCO's growth and expansion plans," stated Matthew Clayton, CEO of GFCO. "This co-packer was our first choice to provide United States production based on their significant experience and expertise within the sector."

The co-packer has the production capacity for GFCO's dry mixes in volumes up to 40,000 pounds per day. Actual production will be based on consumer and food service demand for GFCO's products.

About The Good Flour Corp.

GFCO's mission is to provide a gluten-free, allergen free, hassle-free all-purpose baking flour blend that allows individuals with gluten and other food allergies to enjoy life without giving up their favorite foods or settling for low-quality alternatives. GFCO also provides gluten and allergen free fried chicken batter, fish & chip batter, pizza & pasta mix, tempura batter, pancake and waffle blend, cake mix and pizza crusts.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" concerning anticipated developments and events related to GFCO that may occur in the future. Forward-looking information contained in this news release includes, but is not limited to, statements with respect to future production from the co-packer, demand for GFCO's products, GFCO's future sales and business objectives.

In certain cases, forward-looking information can be identified by the use of words such as "expects", "intends", "anticipates" or variations of such words and phrases or state that certain actions, events or results "may", "would", or "might" suggesting future outcomes, or other expectations, assumptions, intentions or statements about future events or performance. Forward-looking information contained in this news release is based on certain factors and assumptions regarding, among other things, the timely receipt of regulatory approvals; the ability to source ingredients; the ability to attract qualified management and staff; the ability to effectively expand manufacturing and production capacity; the success of market initiatives and the ability to grow brand awareness; the ability to obtain retail partners to distribute Company's products; the ability to attract, maintain and expand relationships with key strategic restaurant and food service partners and GFCO will continue to have access to financing until it achieves profitability. While GFCO considers these assumptions to be reasonable, they may be incorrect.

Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results to be materially different from any future results expressed by the forward-looking information. Such factors include risks related to general business, economic and social uncertainties; local and global market and economic uncertainties arising in respect of the COVID-19 pandemic; risks associated with supply chain for machinery and equipment; litigation, availability of key product ingredients; legislative, environmental and other judicial, regulatory, political and competitive developments; failure to effectively expand manufacturing and production capacity; the ability to obtain retail partners to distribute Company's products; failure to attract, maintain and expand relationships with key strategic restaurant and food service partners; changing consumer taste preferences; delay or failure to receive regulatory approvals; the sufficiency of our cash to meet liquidity needs; failure to attract qualified management and staff, labour disputes; and the additional risks identified in the "Risk Factors" section of GFCO's filings with applicable Canadian securities regulators.

Although GFCO has attempted to identify factors that could cause actual results to differ materially from those described in forward-looking information, there may be other factors that cause results not to be as anticipated. Readers should not place undue reliance on forward-looking information. The forward-looking information is made as of the date of this news release. Except as required by applicable securities laws, GFCO does not undertake any obligation to publicly update forward-looking information.
