INFORMATION CIRCULAR

December 16, 2014

INTRODUCTION

This Information Circular accompanies the Notice of Annual General and Special Meeting of Shareholders (the “**Notice**”) and is furnished to the shareholders (the “**Shareholders**”) holding common shares (the “**Common Shares**”) in the capital of Kaiyue International Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the Annual General and Special Meeting (the “**Meeting**”) of the Shareholders to be held at 10:00 a.m. (Vancouver time) on Monday, January 12, 2015 at 900-885 West Georgia Street, Vancouver, British Columbia, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is December 16, 2014. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders as of the record date are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of December 8, 2014 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, TMX Equity Transfer Services (the “**Transfer Agent**”), 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, or by facsimile at (416) 595-9593, not later than 5:00 p.m. (Toronto time) on January 8, 2015. Alternatively, the completed form of proxy may be delivered to the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by the shareholder who has given the proxy, or (ii) submission of a subsequent proxy in

accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS (THE "BOARD") FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of common shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the common shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote common shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its common shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her common shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

This Information Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. The Company does not send proxy-related materials directly to Beneficial Shareholders and is not relying on the notice-and-access provisions of securities laws for delivery to either registered or Beneficial Shareholders. The Company will deliver proxy-related materials to nominees, custodians and fiduciaries and they will be asked to promptly forward them to Beneficial Shareholders. If you are a Beneficial Shareholder your nominee should send you a voting instruction form or proxy form along with this Information Circular. The Company has elected not to pay for the delivery of the proxy-related materials to objecting Beneficial Shareholders.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. Each Common Share carries the right to one vote at the Meeting.

Compensation Discussion and Analysis

Compensation Discussion and Analysis and Compensation Governance

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the Company's shareholders. The Company's current compensation program is comprised of base salary, short term incentives (discretionary bonuses) and long term incentives (stock options). The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives. At this time, the Board has not established any benchmark or performance goals that the NEOs must

achieve in order to maintain their respective positions as NEOs with the Company. However, the NEOs are expected to carry out their duties in an effective and efficient manner and to advance the exploration goals of the Company. If the Board determines that these duties are not being met, the Board has the ability to replace such NEOs in its discretion.

The Company does not have in place a Compensation Committee or a Nominating Committee. All tasks related to developing and monitoring the Company's approach to the compensation of NEOs of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company's employees is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary for each NEO is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company. Increases in salary are to be evaluated on an individual basis and are performance based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

The Company's compensation policies and practices are designed to provide certain executive officers incentives for the achievement of both short-term and long-term objectives without motivating them to take unnecessary or excessive risk. As part of this review, the Board noted the following factors which discourage the Company's executive officers from taking unnecessary or excessive risks:

- as a junior mineral exploration issuer with employment agreements with two NEOs there is limited opportunity for the small management team to undertake unnecessary or excessive risk to maximize compensation at the expense of the Company;
- as a junior mineral exploration issuer, there are limited opportunities for executive officers to artificially inflate financial and operating performance of the Company to increase the value of equity awards to such persons;
- all of the directors are regularly apprised of the Company's financial position throughout the year;
- executive compensation or salary for Hilda Sung and Jin Kuang is a set amount, with discretionary bonus as determined by the Board, which is tied to the overall results of the Company and not to the results of any one mineral property;
- with respect to Hilda Sung and Jin Kuang, there is an effective balance between cash and equity, near-term and long-term focus, corporate and individual performance, and financial and non-financial performance;

- with respect to Hilda Sung and Jin Kuang, the Company's approach to performance evaluation and compensation provides greater rewards to Hilda Sung and Jin Kuang achieving both short-term and long-term objectives;
- incentive plan awards granted are not awarded upon the accomplishment of a task.

Based on this review, the Board believes that the compensation policies and practices do not encourage executive officers to take unnecessary or excessive risk.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Share-based and Option-based Awards

The Company regards the strategic use of incentive stock options as a cornerstone of the Company's compensation plan. It applies to personnel at all levels and continues to be one of the Company's primary tools for attracting, motivating and retaining qualified personnel, which is critical to the Company's success. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company. The Company established a formal plan under which stock options may be granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. The Board is responsible for administering the Company's stock option plan and determining the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under a stock option plan. Stock options are typically part of the overall compensation package for executive officers and employees.

All grants of stock options to the NEOs are reviewed and approved by the Board. In evaluating option grants to an NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO's overall compensation package.
