(the “**Company**”) will be held virtually through the platform of AGM Connect via www.agmconnect.com/55north2022 to facilitate an interactive meeting for Registered Shareholders on the **7th day of June 2022, at 2:00 p.m. (Toronto time)** for the following purposes:

1. to receive the audited financial statements of the Company for the financial year ending December 31, 2021 and the auditor’s report thereon;
2. to elect the directors of the Company for the ensuing year;
3. re-appoint Scarrow & Donald LLP, as auditor of the Company for the ensuing year and authorize the directors to fix the auditor’s remuneration;
4. to consider and, if deemed advisable, to pass, with or without variation, a resolution confirming and approving the restricted share unit plan of the Company;
5. to transact such other business as may properly come before the Meeting or any adjournment thereof.

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is April 25, 2022 (the “**Record Date**”). Shareholders of the Company whose names have been entered in the register of Shareholders at the close of business on that date will be entitled to receive notice of and to vote at the Meeting.

Notice-and-Access

The Company is utilizing the notice-and-access mechanism (the “**Notice and Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Information Circular, financial statements for the financial year ended December 31, 2021 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2021 (“**MD&As**”) may be found on the Company’s SEDAR profile at www.sedar.com and also at <https://agmconnect.com/55north2022>.

Obtaining Paper Copies of Materials

Shareholders with questions about notice-and-access can call AGM Connect, toll-free at 1-855-839-3715. Shareholders may also obtain paper copies of the Information Circular, Financial Statements and MD&As free of charge by contacting Company’s Corporate Secretary. A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or AGM Connect, as applicable, no later than 5:00PM (EST) on May 18, 2022, in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies to AGM Connect or voting instruction forms to intermediaries, as applicable, before the Proxy Deadline.

Shareholders will not be able to attend the Meeting in person. Instead, Registered Shareholders (as defined in the accompanying Information Circular under the heading “Appointment of Proxy”) and duly appointed proxyholders can virtually attend, participate or submit questions at the virtual Meeting via the platform of AGM Connect. Please use a valid e-mail address and the Voter ID and Meeting Code found on the included form of Proxy to access the platform via the link below:

<https://agmconnect.com/55north2022>

To ensure a smooth process, the Company is asking registered participants to log in by 1:45 p.m. (Toronto time) on June 7, 2022.

Registered Shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, participate, submit questions online, all in real time, provided they are connected to the internet and comply with all the requirements set out in the accompanying Information Circular.

Registered Shareholders who are unable to attend the virtual Meeting are requested to complete, sign and date the accompanying form of proxy or voting instruction form in accordance with the instructions provided therein and return it in accordance with the instructions and timelines set forth in the Information Circular. Non-registered (or beneficial) shareholders who have not duly appointed themselves as proxyholder will only be able to stream the virtual Meeting via the link above, and will not be able to participate, submit questions or vote at the virtual Meeting.

If a shareholder receives more than one proxy form because such shareholder owns shares registered in different names or addresses, each proxy form should be completed and returned as indicated in the proxy form.

Since it is desirable that as many shares as possible be represented and voted at the meeting, a shareholder, who is unable to attend the meeting in person, is urged to complete and return the enclosed form of proxy following the instructions therein.

Shareholders may beneficially own common shares that are registered in the name of a broker, another intermediary or an agent of that broker or intermediary (“**Non-Registered Shareholders**”). Without specific instructions, intermediaries are prohibited from voting shares for their clients. If you are a Non-Registered Shareholder, it is vital that the voting instruction form provided to you by your broker, intermediary or its agent is returned according to their instructions sufficiently in advance of deadline specified by the broker, intermediary or its agent to ensure they are able to provide voting instructions on your behalf.

The persons named in the enclosed form of proxy are each a director and/or officer of the Company. Every shareholder has the right to appoint a person or company (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons designated in the enclosed form of proxy. If the shareholder wishes to appoint a person or company other than the persons whose names are designated in the form of proxy, they may do so by inserting the name of the shareholder’s chosen proxyholder in the space provided in the form of proxy.

The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

DATED at Toronto, Ontario this 26th day of April, 2022.

BY ORDER OF THE BOARD OF DIRECTORS

“Bruce Reid”

Bruce Reid
Chief Executive Officer

55 NORTH MINING INC.
MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (this “Management Information Circular”) is furnished in connection with the solicitation of proxies by the management and the directors of 55 North Mining Inc. (the “Corporation”) for use at the annual general and special meeting of the shareholders of the Company (the “Meeting”) to be held via live webcast online at www.agmconnect.com/55north2022 on June 7, 2022 commencing at 2:00 p.m. (Toronto time) for the purposes set forth in the accompanying notice of the Meeting (the “Notice of Meeting”). The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees behalf of the directors and management of the Company and the Company will bear the costs of this solicitation of proxies for the Meeting.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with the transfer agent, investment dealers, intermediaries, custodians, depositories and depository participants and other nominees to forward solicitation materials to the beneficial owners of the common shares (the “**Common Shares**”) of the Company. The Company will provide, without any cost to such person, upon request to the Chief Executive Officer of the Company, additional copies of the foregoing documents for this purpose.

GENERAL INFORMATION RESPECTING THE MEETING

The Company is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) in the case of registered Shareholders, and section 2.7.1 of NI 54-101 in the case of Beneficial Shareholders (as defined below).

The Notice-and-Access Provisions are a mechanism that allows reporting issuers other than investment funds to choose to deliver proxy-related materials (such as information circulars and annual financial statements) to registered holders and beneficial owners of securities by posting such materials on System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than sending such materials by mail. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of this Information Circular at the Company’s expense. The Company anticipates that notice-and-access will directly benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

In order to use Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the meeting materials to be posted on the applicable website and other materials to be delivered to Shareholders. The Notice-and- Access Provisions require a reporting issuer to provide basic information about the meeting and the matters to be voted on thereat, explain how a shareholder can obtain a paper copy of the Meeting materials and management's discussion and analyses, and explain the Notice-and-Access Provisions. All such matters are described in the Notice of Meeting. The Notice of Meeting has been delivered to Shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of Beneficial Shareholders).

Electronic copies of this Information Circular, financial statements of the Company for the financial year ended December 31, 2021 (the “**Financial Statements**”) and management's discussion and analyses for 2021 (the “**MD&As**”) may be found on the Company’s SEDAR profile at www.sedar.com and also at www.agmconnect.com/55north2022.

The Company will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Information Circular to some Shareholders with the Notice of Meeting. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Information Circular.

Shareholders are reminded to review this Information Circular before voting.

Shareholders with questions about notice-and-access can call AGM Connect, toll-free at 1-855-839-3715. Shareholders may also obtain paper copies of this Information Circular, the Financial Statements and the MD&A free of charge by contacting AGM Connect at the same toll-free number or upon request to the Company’s Corporate Secretary.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or AGM Connect, as applicable, no later than May 10, 2022, in order to allow sufficient time for Shareholders to receive the paper copies and to return their form of proxies or voting instruction forms, as applicable, by their respective due dates.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy accompanying this Proxy Circular are Bruce Reid or, failing him, Julio DiGirolamo.

A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons named in the form of proxy accompanying this Proxy Circular to represent him or her at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the enclosed form of proxy the name of the person to be designated and striking out the names of the persons named in the form of proxy and inserting the name and **EMAIL ADDRESS** of the person to be appointed as proxyholder in the blank space provided on the form of proxy, or by completing another proper form of proxy. Such Shareholder should notify the nominee of the appointment, obtain his consent to act as proxy and should provide instructions on how the Shareholder's Common Shares are to be voted. In any case, the form of proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached where an attorney has executed the form of proxy.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario, M5H 4Z4, on or before 2:00 p.m. on June 3, 2022 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment thereof. A Proxy given by a Shareholder for use at the Meeting may be revoked at any time prior to its use. In accordance with section 148(4) of the Act, in addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario M5H 2Y4, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information in this section is of significant importance to public shareholders of the Company since most public shareholders do not hold shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) are advised that only Proxies from shareholders of record can be recognized and voted upon at the Meeting. If shares are listed in the account statement provided to the shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder’s name. Such shares are more likely held under the name of the broker or a broker’s agent clearing house. Applicable corporate law provides that Beneficial Shareholders may request that the Beneficial Shareholder or the Beneficial Shareholder’s nominee be appointed as the proxyholder for such shares. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against or withheld, as applicable) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting shares for their clients.

Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person in advance of the Meeting.

The Requisitioner does not know whom the shares registered to CDS & Co. are held for. Therefore, Beneficial Shareholders cannot be recognized by the Company at the Meeting. In order to ensure that their shares are voted at the Meeting, Beneficial Shareholders should carefully follow the return instructions. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered Shareholders, however, its purpose is limited to instructing the brokers/registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of the brokers now delegate the job of obtaining instructions from clients and voting shares according to their client's instructions to a corporation named Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically mails proxy instruction forms to the Beneficial Shareholders and asks Beneficial Shareholders to return these proxy instruction forms to Broadridge, which may be by mail, by internet or by telephone. Broadridge then tabulates the results of all instructions received and then votes the shares to be voted at the Meeting according to the instructions received. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that voting instruction form to vote shares at the Meeting. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the voting instruction form provided to them and return the same in accordance with the instructions provided, well in advance of the Meeting.

All references to shareholders in this Proxy Circular and the accompanying proxy and Notice are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders that produce proof of their identity.

PROVISIONS RELATING TO VOTING OF PROXIES

The Common Shares represented by proxy in the enclosed form will be voted or withheld from voting by the designated proxy holder in accordance with the instructions of the Shareholder appointing him. If there is no direction by the Shareholder, those Common Shares will be voted for all proposals set out in the form of proxy. The form of proxy gives the person named in it the discretion to vote as they see fit on any amendments or variations to matters identified in the Notice, or any other matters, which may properly come before the Meeting. At the time of the printing of this Proxy Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Director or Senior Officer of the Company nor proposed nominee for election of Director, nor each of their respective associates or affiliates, are aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES, RECORD DATE AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares. Each Share entitles the holder of record to notice of and one vote on all matters to come before the Meeting. No group of Shareholders has the right to elect a specified number of directors nor are there cumulative or similar voting rights attached to the Common Shares of the Company.

The directors of the Company have fixed April 25, 2022, as the record date (the "**Record Date**") for determination of the persons entitled to receive notice of the Meeting. Shareholders of record as of the Record Date are entitled to vote their Common Shares except to the extent that they have transferred the ownership of any of their Common Shares after the Record Date, and the transferees of those Common Shares produce properly endorsed share certificates or otherwise establish that they own the Common Shares, and demand, not later than ten (10) days before the Meeting, that their name be included in the shareholder list before the Meeting, in which case the transferees are entitled to vote their Common Shares at the Meeting.

STATEMENT OF EXECUTIVE COMPENSATION

Interpretation

National Instrument 51-102 - *Continuous Disclosure Obligations* (“NI 51-102”) defines “Executive Officer” to mean, for a reporting issuer, an individual who is,

- (a) the chair, vice-chair, or president;
- (b) a chief executive officer or chief financial officer;
- (c) a vice-president in charge of a principal business unit, division or function including sales, finance, or production, or
- (d) performing a policy-making function in respect of the issuer.

Form 51-102F6 - *Statement of Executive Compensation* (in respect of financial years ending on or after December 31, 2008) (“Form 51-102F6”) further provides the following:

- (a) “CEO” means each individual who acted as chief executive officer of the Company or acted in a similar capacity, for any part of the most recently completed financial year;
- (b) “CFO” means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year;
- (c) “Named Executive Officers” or “NEOs” means the following individuals:
 - (i) CEO;
 - (ii) CFO;
 - (iii) each of the Company’s three most highly compensated executive officers, other than the CEO and CFO at the end of the most recently completed financial year whose total compensation, individually, exceeds \$150,000; and
 - (iv) each individual who would be a NEO under (iii) except that the individual was neither an executive officer of the Company nor acting in a similar capacity at the end of that financial year.

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about our executive compensation objectives and processes and to discuss compensation decisions relating to 55 North’s NEOs listed in the Summary Compensation Table that follows.

During our fiscal year ended December 31, 2021, the following individuals were 55 North’s NEOs:

- Bruce Reid, Chairman, President and Chief Executive Officer (since January 10, 2017); and
- Julio DiGirolamo, Chief Financial Officer (since January 10, 2017).

55 North is a mineral exploration and development company engaged in the acquisition, exploration, and evaluation of mineral properties. 55 North has no significant revenues from operations and has, since its incorporation, operated administratively with limited financial resources to ensure that funds are available to complete scheduled exploration and drilling programs. As a result, our Board of Directors has to consider not only the financial situation of 55 North

at the time of determination of executive compensation, but also the estimated financial situation of 55 North in the mid- and long-term. An important element of executive compensation is that of incentive stock options, which do not require cash disbursement by 55 North.

Additional information about 55 North and its operations is available in our audited financial statements and Management's Discussion & Analysis for the year ended December 31, 2021, which have been electronically filed with regulators and are available for viewing under 55 North's Issuer Profile at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

Compensation Objectives and Principles

The primary goal of our executive compensation process is to attract and retain the key executives necessary for our long-term success, to encourage executives to further the development of 55 North and our operations, and to motivate qualified and experienced executives. The key elements of executive compensation awarded by 55 North are: (i) base salary; (ii) potential annual incentive award; and (iii) incentive stock options. Our directors are of the view that all of these elements should be considered when determining executive compensation, rather than any single element.

Compensation Process

55 North's Board of Directors, as a whole, is responsible for determining all forms of compensation, including long-term incentives in the form of stock options or restricted share units to be granted to our Named Executive Officers, as well as to our directors, and for reviewing the recommendations respecting compensation for any other officers of 55 North from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining compensation, the Board of Directors considers: (i) recruiting and retaining executives critical to 55 North's success and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and our Shareholders; and (iv) rewarding performance, both on an individual basis and with respect to our operations in general.

Base Salary and/or Consulting Fees

55 North is an exploratory stage mining company and does not anticipate generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by our Board of Directors to be appropriate in the evaluation of corporate or Named Executive Officer performance. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry, as well as achievement in raising capital and follow through on 55 North's business plans and objectives.

55 North provides Named Executive Officers with base salaries and/or consulting fees, which represent their minimum compensation for services rendered during the fiscal year. Named Executive Officers' base salaries or consulting fees depend on the scope of their experience, responsibilities, leadership skills and performance. Base salaries and/or consulting fees are reviewed annually by our Board of Directors. In addition to the above factors, decisions regarding salary or consulting fee amounts are impacted by each Named Executive Officers' current salary or fee, general industry trends and practices competitiveness, and 55 North's existing financial resources.

Option Based Awards

Options to purchase common shares of 55 North are intended to align the interests of our directors and executive officers with those of our Shareholders, to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation 55 North would otherwise have to pay. 55 North's Stock Option Plan is administered by our Board of Directors. In establishing the number of the incentive stock options to be granted to our Named Executive Officers, our Board of Directors considers the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. Further, the Board of Directors also takes into account previous grants of options, the overall number of options that are outstanding relative to the number of outstanding common shares and the amount and term of any such grants.

See "Incentive Plan Awards – Outstanding Option-Based and Share-Based Awards" below.

Restricted Share Unit Plan

On April 26, 2022, the Board approved the adoption of a restricted share unit plan (the "RSU Plan"). The RSU Plan is subject to the approval of a majority of the votes cast on a resolution at the Meeting by Disinterested Shareholders who vote in respect of the approval of the RSU Plan.

The RSU Plan is designed to provide certain directors, officers, consultants and other key employees (an “**Eligible Person**”) of the Company and its related entities with the opportunity to acquire restricted share units (“**RSUs**”) of the Company. The acquisition of RSUs allows an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Person’s interests with that of the Shareholders.

The RSU Plan allows the Company to award, in aggregate, up to a rolling 10% maximum of the issued and outstanding Common Shares from time to time, under and subject to the terms and conditions of the RSU Plan. The grant of an RSU Award pursuant to the RSU Plan entitles the Participant thereunder, at the election of the Company, the conditional right to receive for each RSU credited to the Participant’s account, at the election of the Board, one Common Share of the Company, subject to the conditions set out in the RSU Grant Letter and in the RSU Plan. Fractional Common Shares will not be issued pursuant to the RSU Plan, and any fractional entitlement arising is to be settled by adjustment such that the Participant will only have the right to receive the next lowest whole number of Common Shares.

Benefits and Perquisites

55 North does not, as of the date of this Circular, offer any benefits or perquisites to its Named Executive Officers other than entitlement to incentive stock options as otherwise disclosed and discussed herein.

Risks Associated with 55 North’s Compensation Practises

55 North’s Board of Directors has not considered the implications of any risks to 55 North associated with decisions regarding compensation of 55 North’s executive officers.

Hedging by Named Executive Officers or Directors

55 North has not, as yet, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted or awarded as compensation or held, directly or indirectly, by executive officers or directors.

Notes:

- (1) The Corporation follows the fair value method of accounting for all stock-based compensation arrangements. The values reported represent an estimate of the grant date fair value of the options calculated in accordance with the Black-Scholes option pricing model. Please see the audited annual financial statements of the Corporation for the year ended December 31, 2021 for details regarding the assumptions underlying these Black-Scholes estimates. The Black-Scholes model is a pricing model that may or may not reflect the actual value of the options. The options have not and may never be exercised and the actual gain, if any, on exercise will depend on the value of the Common

Shares on the date of exercise. The Black-Scholes methodology was selected in order to maintain consistency with the Corporation's prior practice and because it is widely used by Canadian public companies for estimating option-based compensation.

- (2) Mr. Reid served as Chief Executive Officer and has served as a director since January 10, 2017.
- (3) Mr. DiGirolamo served as Chief Financial Officer since January 10, 2017.
- (4) Mr. Reid received \$48,000 in cash payment, and \$6,000 was accrued at year-end.
- (5) Mr. DiGirolamo received \$40,000 in cash payment, and \$20,000 was accrued at year-end.
- (6) Grant date fair value of incentive stock options entitling the purchase of 500,000 common shares in the capital of the Corporation at a per share price of \$0.15 until April 20, 2026, estimated using the Black-Scholes option pricing model.

Notes:

- (1) The Corporation follows the fair value method of accounting for all stock-based compensation arrangements. The values reported represent an estimate of the grant date fair value of the options calculated in accordance with the Black-Scholes option pricing model. Please see the audited annual financial statements of the Corporation for the year ended December 31, 2021 for details regarding the assumptions underlying these Black-Scholes estimates. The Black-Scholes model is a pricing model that may or may not reflect the actual value of the options. The options have not and may never be exercised and the actual gain, if any, on exercise will depend on the value of the Common Shares on the date of exercise. The Black-Scholes methodology was selected in order to maintain consistency with the Corporation’s prior practice and because it is widely used by Canadian public companies for estimating option-based compensation.
- (2) Grant date fair value of incentive stock options entitling the purchase of 29,615 common shares in the capital of the Corporation at a per share price of \$0.5065 until October 7, 2024; and 500,000 stock options in the capital of the Corporation at a per share price of \$0.15 until April 20, 2026, estimated using the Black-Scholes option pricing model.

- (4) Sandra Jackson and Herbert Urton were appointed to the Board on February 22, 2022.
- (5) Mr. Sethu did not stand for re-election at the shareholder meeting on June 7, 2022.
- (6) Grant date fair value of incentive stock options entitling the purchase of 800,000 common shares in the capital of the Corporation at a per share price of \$0.15 until April 20, 2026, estimated using the Black-Scholes option pricing model.

An RSU is an award in the nature of a bonus for services rendered and that upon settlement, entitles the recipient to receive Common Shares in the discretion of the Corporation. The Board may establish conditions and vesting provisions, including performance criteria, as set out in a participant’s Restricted Share Unit Grant Letter (as defined in the RSU Plan), which may not be identical for all RSUs. AUDIT COMMITTEE

NI 52-110 requires that certain information regarding the audit committee of a “venture issuer” (as that term is defined in NI 52-110) be included in this Circular sent to shareholders in connection with this annual Meeting.

Audit Committee Charter

The full text of the Company’s Audit Committee charter is attached hereto as Schedule “A” to this Circular.

Composition of the Audit Committee

The members of the Audit Committee are Bruce Reid, Dan Hrushewsky and K. Sethu Raman, both of whom are considered financially literate pursuant to NI 52-110 – *Audit Committees* (“NI 52-110”). Mr. Reid has not been determined by the Board of Directors to be “independent” as such term is defined by NI 52-110. See Business of the Meeting- Election of Directors for a summary biography of each member of the Audit Committee.

Audit Committee Oversight

At no time since the commencement of the Company’s most recently completed financial year was a recommendation by the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Pre-Approval Policies and Procedures

Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Audit Committee and, where applicable, the Company's Board, on a case-by-case basis.

Auditor Service Fees

The following table provides detail in respect of audit, audit related, tax and other fees billed to the Company by the external auditors for professional services provided to the Company and its subsidiaries:

	2021	2020
Audit fees	32,000	27,950
Audit-related fees	Nil	Nil
Tax fees	5,000	4,500
Other fees	1,996	10,500
Total	38,996	42,950

Audit Fees: Audit fees were paid for professional services rendered by the auditors for the audit of the Company's annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees: Audit-related fees were paid for professional services rendered by the auditors and were comprised primarily of the reading of quarterly financial statements.

Tax Fees: Tax fees were paid for tax compliance, tax advice and tax planning professional services. These services included preparing and/or reviewing tax returns.

All Other Fees: Fees such as those payable for professional services which include bookkeeping, accounting advice, primarily relating to preparation of IFRS compliant financial statements, and preparation of management's discussion and analysis, and due diligence.

Exemption

The Company is relying on the exemption from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) as set out in section 6.1 of NI 52-110.

CORPORATE GOVERNANCE

The Company's disclosure of corporate governance practices pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") is set out below in the form required by Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

Board of Directors

The Board of Directors is responsible for the stewardship of the Company and for the supervision of management to protect shareholder interests. The Board oversees the development of the Company's strategic plan and the ability of management to continue to deliver on the corporate objectives.

The board of directors is presently comprised of seven (7) members: William Ferreira, Dan Hrushewsky, Sandra Jackson, K. Sethu Raman, Alka Singh, Bruce Reid and Herbert Urton. All of the directors of the Company except Bruce Reid are considered to be independent directors of the Company. Bruce Reid is the Chief Executive Officer of the Company. Therefore, Mr. Reid is not considered to be independent. NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the board of directors, reasonably interfere with the exercise of a director's independent judgment. As disclosed above, the Board is comprised of a majority of independent directors. The independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has free access to the Company's external auditors, external legal counsel and to any of the Company's officers.

Directorships

The directors of the Company are also directors of other reporting issuers, see Business of Meeting- Election of Directors-Other Boards of Reporting Issuers above.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Company's business, its strategy, and present issues with the Company. New directors would also be expected to meet with management of the Company to discuss

and better understand the Company's business and would be advised by the Company's legal counsel of their legal obligations as directors of the Company.

Ethical Business Conduct

The entire Board is responsible for developing the Company's approach to governance issues. The Board has reviewed this Corporate Governance disclosure and concurs that it accurately reflects the Company's activities.

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

In addition, each nominee for director of the Company must disclose to the Company all interests and relationships of which the director is aware of at the time of consideration which will or may give rise to a conflict of interest. If such an interest or relationship should arise while the individual is a director, the individual shall make immediate disclosure of all relevant facts to the Company.

The Board is in the process of developing a written Code of Business Conduct and Ethics (the "Code") that applies to all directors, officers, employees, and consultants of the Company.

Board of Directors Tenure

The Board has not adopted policies imposing an arbitrary term or retirement age limit in connection with individuals nominated for election as directors as it does not believe that such a limit is in the best interests of the Company at this time. Directors are elected for a period of one year and remain in place until the next annual general meeting of Shareholders at which time their mandates terminate. The Board strives to achieve a balance between the desirability to have a depth of experience from its members and the need for renewal and new perspectives. The Board has determined that the Board is highly effective and well composed and that no appreciable benefit would be derived from the introduction of term or retirement age limits at this time.

Board and Senior Management Diversity

The *Canadian Business Corporations Act* (the "CBCA") defines members of designated groups ("**Designated Group Members**") to mean women, Aboriginal peoples, persons with disabilities and members of visible minorities. The Board has not adopted a written policy or targets relating to the identification and nomination of Designated Group Members as directors or members of senior management, as it does not believe that it is necessary in the case of the Company to have such measures giving the Corporation is a junior exploration company involved in the exploration of mining projects which are early stage and do not generate revenues. The Corporation has a limited number of employees, choosing to use the services of consultants almost exclusively. Whenever possible, the Corporation chooses to use the services of local persons or locally owned businesses, especially those of First Nations when available. The Board is committed to nominating the best individuals to fulfill director roles and senior management positions. The Board recognizes that Designated Group Members contribute significantly to diversity and acknowledges the important role that Designated Group Members with appropriate and relevant skills and experience can play in contributing to diversity of perspective in the boardroom and in senior management roles.

The Board reviews the general and specific criteria applicable to candidates to be considered for nomination to the Board. The Board aims to maintain the composition of the Board in a way that provides the best mix of skill and experience to guide the Company's long-term strategy and ongoing business operations. Accordingly, in searches for new directors or members of senior management, the Board considers the level of Designated Group Member representation and diversity within its leadership ranks when considering making director or officer appointments and this is just one of several factors used in such search process. The Corporation currently has no targets for the level of representation of members of the Designated Groups on the board and senior management. The table below show the current number and proportion (expressed as a percentage) of Designated Group Members who hold positions on the board of directors and who are members of senior management:

	Directors		Senior Management	
	#	%	#	%
Women	2 of 6	33	0 of 3	0
Aboriginal Peoples	1 of 6	17	0 of 3	0
Persons with Disabilities	1 of 6	17	1 of 3	33
Members of Visible Minorities	2 of 6	33	0 of 3	0

The board of directors of the Corporation considers diversity in identifying and nominating candidates for election or re-election to the Board as well as for making senior management appointments, by carefully evaluating necessary competencies, skills and other qualifications of each candidate as a whole and taking into account the track record in general business management and the ability to devote the time required.

The diversity information disclosed reflects the Corporation's situation as of the date of this Circular.

Other Board Committees

The Company has no committees other than the Audit Committee.

Assessments

The Board does not feel it is necessary at this time to establish a committee to assess the effectiveness of individual Board members. Each Board member has considerable experience in the guidance and management of public companies, and this is sufficient to meet the current needs of the Company.

OTHER BUSINESS

As at the date hereof, management of the Company knows of no amendments, variations, or other matters to be presented for action at the Meeting. If, however, any amendments, variations or other matters properly come before the Meeting or any postponement(s) or adjournment(s) thereof, or if any other matters, which are not now known to management of the Company should properly come before the Meeting or any postponement(s) or adjournment(s) thereof, the form of proxy or VIF confers discretionary authority on the person voting the proxy to vote on such amendments or variations or such other matters in the discretion of such person, whether or not the amendments, variations or other matters that come before the Meeting are or are not routine, and whether or not the amendments, variations or other matters that come before the Meeting are contested, the Company reserves the right to amend or supplement this Proxy Circular, form of proxy and VIF, as the case may be, as it sees fit in order to solicit proxies for any business to be transacted at the Meeting which is in addition to or a variation of the resolutions set out in the Circular.

6.2 Issue of Share Certificates

As soon as reasonably practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Award Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Award Agreement surrendered, the Administrator shall also provide a new Certificate for the balance of Shares available under the RSU to the Award Holder concurrent with delivery of the Share Certificate.

6.3 No Rights as Shareholder

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Award, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Award, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the certificates, the decision of the Committee shall be final, conclusive and binding.

SECTION 7 RESTRICTED SHARE UNITS

7.1 Eligibility and participation.

Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant RSUs to eligible Participants. RSUs granted to a Participant shall be credited, as of the Grant Date, to the Participant's account. The number of RSUs to be credited to each Participant shall be determined by the Committee in its sole discretion in accordance with this Plan. Each RSU shall, contingent upon the lapse of any restrictions, represent one (1) Share. The number of RSUs granted pursuant to an Award and the Restriction Period in respect of such RSU shall be specified in the applicable Award Agreement.

7.2 Restrictions.

RSUs shall be subject to such restrictions as the Committee, in its sole discretion, may establish in the applicable Award Agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Committee may, in its discretion, determine at the time an Award is granted.

7.3 Vesting.

All RSUs will vest and become payable by the issuance of Shares at the end of the Restriction Period if all applicable restrictions have lapsed, as such restrictions may be specified in the Award Agreement.

7.4 Change of control.

In the event of a Change of Control, all restrictions upon any RSUs shall lapse immediately and all such RSUs shall become fully vested in the Participant and will accrue to the Participant in accordance with Section 7.9 hereof.

7.5 Death.

Other than as may be set forth in the applicable Award Agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with Section 7.9 hereof.

7.6 Termination of employment or service.

- (a) Where, in the case of Employees or Consultants, a Participant's employment is terminated by the Company or a Subsidiary for cause, or consulting contract, subject to the applicable Award Agreement, is terminated as a result of the Consultant's breach, all RSUs granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.
- (b) Where, in the case of Employees or Consultants, a Participant's employment or consulting contract is terminated by the Company or a Subsidiary without cause, by voluntary termination or due to Retirement by the Participant, all RSUs granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination or Retirement, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 7.9 hereof.
- (c) Upon termination of a Participant's employment with the Company or a Subsidiary, or upon termination of a Consultant's contract, the Participant's eligibility to receive further grants of Awards of RSUs under this Plan shall cease as of the Termination Date.

In the event that the RSU Holder ceases to hold the position of Executive, Employee or Consultant for which the RSU was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the RSU, the Committee may, in its sole discretion, choose to permit the RSU to stay in place for that RSU Holder with such RSU then to be treated as being held by that RSU Holder in his or her new position and such will not be considered to be an amendment to the RSU in question requiring the consent of the RSU Holder under section 10.2 of this Plan. Notwithstanding anything else contained herein, in no case will an RSU be exercisable later than the Expiry Date of the RSU.

7.7 Disability.

Where, in the case of Employees or Consultants, a Participant becomes afflicted by a Disability, all RSUs granted to the Participant under this Plan will continue to vest in accordance with the terms of such RSUs, provided, however, that no RSUs may be redeemed during a leave of absence. Where, in the case of Employees or Consultants, a Participant's employment or consulting contract is terminated due to Disability, all RSUs granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to Disability, had vested pursuant to terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 7.9 hereof.

7.8 Cessation of directorship.

Where, in the case of Directors, a Participant ceases to be a Director for any reason, any RSUs granted to the Participant under this Plan that have not yet vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Cessation Date, provided, however, that any RSUs granted to such Participant which, prior to

the Cessation Date for any reason, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 7.9 hereof.

7.9 Payment of award.

As soon as practicable after receipt by the Company of a Notice of Exercise of RSU in the form set out in Schedule B in respect of an Award of RSUs, and subject to the applicable Award Agreement, the Company shall issue from treasury to the Participant, or if Section 7.5 applies, to the Participant's estate, a number of Shares equal to the number of RSUs credited to the Participant's Account that become payable on the Settlement Date. As of the Settlement Date, the RSUs in respect of which such Shares are issued shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such RSUs. Notwithstanding any other provision of this Plan, the Company shall settle RSUs to any Participant in Shares only and to the exclusion of settlement in cash.

- (a) The Committee may, subject to receipt of requisite shareholder approval and Regulatory Approvals, make the following amendments to the Plan:

- (i) any amendment to the number of securities issuable under the Plan, including an increase to a fixed maximum number of securities or a change from a fixed maximum number of securities to a fixed maximum percentage. SECTION 10 CONDITIONS PRECEDENT TO ISSUANCE OF SHARES

10.1 Compliance with Laws

An RSU shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any RSU, unless the grant and exercise of such RSU and the issuance and delivery of such Shares comply with all applicable Regulatory

Rules, and such RSUs and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Award Agreements and the certificates representing such Shares accordingly.

10.2 Obligation to Obtain Regulatory Approvals

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any RSUs to be granted without first obtaining the necessary Regulatory Approvals unless such RSUs are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of RSUs hereunder. No RSUs granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the RSUs granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the RSU Holders under section 9.2 of this Plan.

10.3 Inability to Obtain Regulatory Approvals

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of RSUs hereunder, the exercise of those RSUs or the lawful issuance and sale of any Shares pursuant to such RSUs, shall relieve the Company of any liability with respect to the failure to complete such transaction.

SECTION 11 ADJUSTMENTS AND TERMINATION

11.1 Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this SECTION 11, the Plan shall terminate on, and no more RSUs shall be granted under the Plan after, the tenth anniversary of the Effective Date of the Plan.

11.2 No Grant During Suspension of Plan

No RSU may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the RSU Holder, alter or impair any rights or obligations under any RSU previously granted.

11.3 Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the RSUs then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each RSU Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such RSUs;

For purposes of this section 11.3, and without limitation, neither:

- (b) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (c) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company.

Any adjustment made to any RSUs pursuant to this section 11.3 shall not be considered an amendment requiring the RSU Holder's consent, as applicable, for the purposes of Section 9.2 of this Plan.

11.4 Triggering Events

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Award Agreement, the Committee may, without the consent of the RSU Holder or Holders in question:

- (a) cause all or a portion of any of the RSUs granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the RSUs granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the RSU Holder's consent for the purpose of section 9.2 of the Plan.

11.5 Notice of Termination by Triggering Event

In the event that the Committee wishes to cause all or a portion of any of the RSUs granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the RSU Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the RSU Holder the opportunity to exercise the vested portion of the RSUs prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all RSUs or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such RSUs may have otherwise been subject.

11.6 Determinations to be Made By Committee

Adjustments and determinations under this SECTION 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

SECTION 12 GENERAL TERMS APPLICABLE TO AWARDS

12.1 Forfeiture Events.

The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of employment for cause, violation of material Company policies, fraud, breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.

12.3 Non-transferability of awards.

Except as otherwise provided in an Award Agreement, no Award and no right under any such Award, shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company. The Company does not intend to make Awards assignable or transferable, except where required by law or in certain estate proceedings described herein.

12.4 Conditions and restrictions upon securities subject to awards.

The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation: (A) restrictions under an insider trading policy or pursuant to applicable law; (B) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Awards; (C) restrictions as to the use of a specified brokerage firm for such resales or other transfers; and (D) provisions requiring Shares to be sold on the open market or to the Company in order to satisfy tax withholding or other obligations.

12.5 Share certificates.

All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

12.6 Conformity to plan.

In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted by the Board to become, in all respects, in conformity with this Plan.

12.7 Performance evaluation; adjustment of goals.

At the time that a performance-based Award is first issued, the Board, in the Award Agreement or in another written document, may specify whether performance will be evaluated including or excluding the effect of any of the following events that occur during the Restriction Period, as the case may be: (A) judgments entered or settlements reached in litigation; (B) the write down of assets; (C) the impact of any reorganization or restructuring; (D) the impact of changes in tax laws, accounting principles, regulatory actions or other laws affecting reported results; (E) extraordinary non-recurring items as may be described in the Company's management's discussion and analysis of financial condition and results of operations for the applicable financial year; (F) the impact of any mergers, acquisitions, spin-offs or other divestitures; and (G) foreign exchange gains and losses.

12.8 Adjustment of performance-based awards.

The Board shall have the sole discretion to adjust the determinations of the degree of attainment of the pre-established performance criteria or restrictions, as the case may be, as may be set out in the applicable Award Agreement governing the relevant performance-based Award. Notwithstanding any provision herein to the contrary, the Board may not make any adjustment or take any other action with respect to any performance-based Award that will increase the amount payable under any such Award. The Board shall retain the sole discretion to adjust performance-based Awards downward or to otherwise reduce the amount payable with respect to any performance-based Award.

**SECTION 13
MISCELLANEOUS**

13.1 No right as shareholder.

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as Shareholders in respect of any Shares covered by such Participant's Award, until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

13.2 No trust or fund created.

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

13.3 No representations or covenants with respect to tax qualification; Section 409A.

- (a) Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.
- (b) For Participants who are residents or citizens of the United States of America, this Plan is intended to be administered in a manner consistent with the requirements, where applicable, of Section 409A. Where reasonably possible and practicable, this Plan shall be administered in a manner to avoid the imposition on Participants of immediate tax recognition and additional taxes pursuant to Section 409A. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A, the Award shall be granted, paid, settled or deferred in a manner that will comply with Section 409A, except as otherwise determined by the Committee. If a Participant is a “specified employee” (within the meaning of Section 409A) and should any portion of the Award that would otherwise be payable under such Award be determined to be a payment that is not exempt from Section 409A, such payment, to the extent otherwise payable within six (6) months after a “separation from service” (within the meaning of Section 409A), and to the extent necessary to avoid the imposition of taxes under Section 409A, will be settled on the earlier of the date that is six (6) months and one (1) day after the date of such of separation from service or the date of Participant’s death. For purposes of Section 409A, each installment payment provided under this Agreement shall be treated as a separate payment.
- (c) Notwithstanding the foregoing, neither the Company nor the Committee, nor any of the Company’s directors, officers or employees shall have any liability to any person in the event any Award results in adverse tax consequences for the Participant or any of his or her beneficiaries or transferees.
