About Xtraction Services

Founded in 2017, XS specializes in providing equipment leasing solutions in the United States to owner/operators of cannabis and hemp companies, including cultivators, oil processors, manufacturers, and testing laboratories, among others. In addition, XS provides a full range of consulting services, including equipment selection and procurement, through its network of preferred vendor partnerships with original equipment manufacturers and equipment distributors. Further, XS also provides a full range of all on-site support services, including staff recruitment, process development, and product formulation. This powerful dynamic provides an end-to-end solution for customers which results in recurring revenues, strong profit margins, and a proven business model for XS stakeholders.
