Forward-Looking Information

This press release contains “forward-looking information” and may also contain statements that may constitute “forward-looking statements”, collectively “forward-looking information”, within the meaning of applicable Canadian securities legislation. Such forward-looking information is not representative of historical facts or information or current condition, but instead represent the beliefs and expectations regarding future events about the business and the industry and markets in which XS Financial operates, as well as plans or objectives of management, many of which, by their nature, are inherently uncertain. Generally, such forward-looking information can be identified by the use of terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or may contain statements that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “will continue”, “will occur” or “will be achieved”. Forward-looking information contained herein may include but is not limited to, any additional leasing opportunities and the ability to capitalize on such and the timing thereof. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, general market conditions, availability of financing, regulatory approvals and the results of the Company’s operations. Forward-looking information is not a guarantee of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Accordingly, readers should not place undue reliance on forward-looking information, which are qualified in their entirety by this cautionary statement. XS Financial Inc., does not undertake any obligation to release publicly any revisions for updating any voluntary forward-looking information, except as required by applicable securities law.
