INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of December 30, 2013.

This Information Circular is being mailed by the management of the Company to everyone who was a shareholder of record of the Company on December 30, 2013, which is the date that has been fixed by the directors of the Company as the record date to determine the shareholders who are entitled to receive notice of the Meeting.

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of management for use at the annual general meeting of the shareholders of the Company that is to be held on Friday, February 7th 2014 at 1:30 p.m. (Vancouver time) at 8338-120th Street, Second Floor, Surrey, British Columbia.

The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

Under Arris's Articles, the quorum for the transaction of business at a meeting of shareholders is two or more shareholders who are present in person, or who are represented by proxy; shareholders who, in the aggregate, hold at least one-twentieth of the issued shares entitled to be voted at the meeting. If such a quorum is not present in person or by proxy, the Meeting will be rescheduled.

PART 1 – VOTING

HOW A VOTE IS PASSED

Voting at the Meeting will be by a show of hands, each shareholder in attendance having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each share held. All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, then the resolution is approved (an “ordinary resolution”) unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required (a “special resolution”).

WHO CAN VOTE?

If you are a registered shareholder of Arris as at December 30, 2013 you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating the officer's authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see **VOTING BY PROXY** below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled **NON-REGISTERED SHAREHOLDERS**, below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign, and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by voting over the internet or via telephone (see proxy for instructions) or by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

WHAT IS A PROXY?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of proxy is enclosed with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form of proxy to Arris's transfer agent, Valiant Trust, 600-750 Cambie Street, Vancouver, British Columbia, V6B 0A2 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof.

APPOINTING A PROXYHOLDER

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be deemed to be appointed to act as your proxyholder (the "Management Proxyholders").

INSTRUCTING YOUR PROXY

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit.

At the time of printing this Information Circular, the management of Arris is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

If you have appointed the Management Proxyholders as your proxyholder, they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

- ✓ **FOR the election of the proposed nominees as directors;**
- ✓ **FOR the appointment of Dale Matheson Carr-Hilton Labonte, Chartered Accountants, as the auditor of Arris;**
- ✓ **FOR the resolution to authorize the directors to fix the remuneration to be paid to the auditor.**
- ✓ **FOR the resolution approving the Arris Stock Option Plan.**
- ✓ **FOR the special resolution approving and authorizing the Company to subdivide all of the issued and outstanding Shares into a larger number of Shares on a five-for-one basis.**
- ✓ **FOR the approval of a resolution authorizing the Company to change its name,**
- ✓ **FOR any other business as may properly be put before the Meeting, or any postponement(s) or adjournment(s) thereof.**

REVOKING YOUR PROXY IF YOU CHANGE YOUR MIND

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by

- (a) attending the Meeting and voting in person;
- (b) signing a proxy bearing a later date;
- (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to Arris at 8338-120th Street, Second Floor, Surrey, BC V3W 3N4; or
- (d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under NON-REGISTERED SHAREHOLDERS)

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Valiant Trust, 600-750 Cambie Street, Vancouver, B.C., V6B 0A2 not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Some shareholders of the Company are “non-registered shareholders” because the shares they own are not registered in their names but are instead registered in the name of a “nominee”, usually a brokerage firm, bank, or trust company through which they purchased the shares. Sometimes the shares are held in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the nominee is a participant or in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company which acts as depositary for many U.S. brokerage firms and custodian banks.

If your shares are not registered in your own name, we will not have a record of your name and, as a result, unless your nominee has appointed you as a proxyholder, will have no knowledge of your entitlement to vote. If you wish to vote in person at the Meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxyholder. It is not necessary to complete the form in any other respect, since you will be voting at the Meeting in person.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of these meeting materials including the Notice of Meeting, this Information Circular and the Proxy to the clearing agencies and nominees for onward distribution to Non-Registered Holders (collectively, the “Meeting Materials”).

Nominees are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Nominees will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Nominee** (typically by a facsimile, stamped signature), that shows the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Nominee has already signed the form of proxy, a Non-Registered Holder who wishes to vote their shares completes the form of proxy and delivers it to **Valiant Trust** as noted above; or
- (b) more typically, the Non-Registered Holder receives a voting instruction form **which is not signed by the Nominee**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Nominee or its service company**, will become the voting instructions (often called a “proxy authorization form” or “voting instruction form”, VIF) that the Nominee must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, and has a removable label containing a bar code and other information. The Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy to validate the form and must also properly complete and sign the form of proxy and return it to the Nominee or its service company in according to the Nominee’s instructions.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the meeting in person, the Non-Registered Holder should strike out the names of the Management Proxyholders and insert the Non-Registered Holder’s name in the blank space provided.

In either case, Non-Registered Holders should carefully follow the instructions of their Nominee, including those regarding when and where the proxy or proxy authorization form is to be delivered.

The Notice of Meeting, this Information Circular and form of proxy are being sent to both registered and nonregistered owners of the Company’s common shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of the Company’s common shares, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

OUTSTANDING ARRIS SHARES

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value. All issued shares are entitled to be voted at the Meeting and each has one vote. As of December 30, 2013 there were 23,583,372 common shares issued and outstanding.

PRINCIPAL HOLDERS OF ARRIS SHARES

Only those common shareholders of record as of December 30, 2013 will be entitled to vote at the Meeting or any adjournment thereof. To the knowledge of the directors and executive officers of the Company, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company which have the right to vote in all circumstances.

PART 3 - THE BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended September 30, 2013 will be placed before you at the Meeting. These financial statements and MD&A are available for review on SEDAR. Shareholders can request a copy of our future financial statements and MD&A by completing our supplemental request card which accompanies the Notice of Meeting and this Information Circular.

ELECTION OF DIRECTORS

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time. Under Arris's Articles and pursuant to the *Business Corporations Act* (British Columbia), the number of directors cannot be fewer than three. Arris currently has four directors.

Management proposes to nominate the persons named under the heading **Nominees for Election**, below, for election as directors of the Company.

It is proposed to fix the number of directors at five. This requires the approval of the shareholders of the Company by an ordinary resolution, which approval will be sought at the Meeting.

Nominees for Election

The following information relating to the nominees for directors is based partly on the Company's records and partly on information received by the Company from the nominees, it states the name of each person proposed to be nominated by management for election or re-election as a director, all offices of the Company now held by him or her, his or her principal occupation, the period of time for which he or she has been a director of the Company and the number of common shares of the Company beneficially owned by him or her, directly or indirectly, or over which he or she exercises control or direction, as at the date hereof.

While management does not contemplate that the Nominees will be unable to serve as directors, if prior to the Meeting, a vacancy occurs in this slate of Nominees for any reason, the management representatives designated in the Proxy solicited in respect of the Meeting shall have the discretionary authority to vote for the election of any other person as director. Proxies received by the directors on which no designation is made will be voted for the Nominees for election as directors or any substitute nominee thereof as may be determined by management, if necessary.

The Company's management recommends that shareholders vote in favour of the nominees for election as directors.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the election of the three nominees as directors of the Company for the ensuing year.

Corporate Cease Trade Orders or Bankruptcy

Save and except as set out below, as of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, within ten years before the date of this Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity:

- (a) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (b) was subject to an event that resulted, after the director or executive officer ceased to be director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period or more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Penalties or Sanctions

Save and except as set forth below, as of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions

imposed by a court or regulatory body that would likely to be considered important to a reasonable investor making an investment decision.

Personal Bankruptcy

As of the date of this Information Circular, no proposed nominee for election as a director of the Company has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Conflicts of Interest

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the board of directors, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, that directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the best of the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management may from time to time serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of those other companies.

APPOINTMENT OF THE AUDITOR

During the financial year ended September 30, 2013, Dale Matheson Carr-Hilton Labonte, Chartered Accounts of 1500-1140 W Pender Street, Vancouver, BC V6E 4G1 served as the Company's auditor.

The Company's management recommends that shareholders vote in favour of the appointment of Dale Matheson Carr-Hilton Labonte, Chartered Accountants as the Company's auditor for the ensuing year and in favour of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Dale Matheson Carr-Hilton Labonte, Chartered Accountants as the auditor of the Company until the close of the next annual meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

APPROVAL OF STOCK OPTION PLAN

Management is seeking shareholder approval of the stock option plan (the "Stock Option Plan") and the approval of the number of shares reserved for issuance under the Stock Option Plan in accordance with and subject to the rules and policies of the Canadian Securities Exchange (the "CSE"), formerly the Canadian National Exchange. The Board of Directors of the Company has established an incentive stock option plan (the "Stock Option Plan") reserving a rolling 10% of the issued and outstanding shares of the Company from time to time. The purpose of the Stock Option Plan is to provide incentive to employees, directors, officers, management companies, and consultants who provide services to the Company and to reduce the cash compensation the Company would otherwise have to pay.

Terms of the Stock Option Plan

A full copy of the Stock Option Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Stock Option Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of the Stock Option Plan:

Number of Shares Reserved. The number of common shares which may be issued pursuant to options granted under the Stock Option Plan (including all options granted by the Company prior to the adoption of the Stock Option Plan) shall equal 10% of the issued and outstanding shares of the Company from time to time at the date of grant.

Maximum Term of Options. The term of any options granted under the Stock Option Plan is fixed by the Board of Directors and may not exceed five years from the date of grant. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the Stock Option Plan is determined by the Board of Directors, provided that it is not less than the price permitted by the CSE, or, if the shares are no longer listed on the CSE, then such other exchange or quotation system on which the shares are listed or quoted for trading.

Amendment. The terms of an option may not be amended once issued under CSE requirements. If an option is cancelled prior to the expiry date, the Company shall not grant new options to the same person until 30 days have elapsed from the date of cancellation.

Vesting. Vesting, if any, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with CSE requirements.

Termination. Any options granted pursuant to the Stock Option Plan will terminate generally within 90 days of the option holder ceasing to act as a director, officer, or employee of the Company or any of its affiliates, and within generally 30 days of the option holder ceasing to act as an employee engaged in investor relations activities, unless such cessation is on account of death. If such cessation is on account of death, the options terminate on the first anniversary of such cessation. If such cessation is on account of cause, or terminated by regulatory sanction or by reason of judicial order, the options terminate immediately. Options that have been cancelled or that have expired without having been exercised shall continue to be issuable under the Stock Option Plan. The Stock Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion, or exchange of Company's shares.

Administration. The Stock Option Plan is administered by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time.

Board Discretion. The Stock Option Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with CSE requirements.

Approval of Disinterested Shareholders (as hereinafter defined) is required if a stock option plan, together with all of the company's previously established and outstanding stock option plans or grants, could result at any time in the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the company's issued shares; or grants to Insiders, within a 12-month period, of a number of options exceeding 10% of the issued shares. Although this is not presently the case for Arris, management believes it prudent to obtain Disinterested Shareholder approval of the Stock Option Plan, in the event the situation occurs in the future and, as such, Disinterested Shareholders will be asked at the Meeting to approve this resolution.

Shareholders who are not Insiders or associates of Insiders of Arris (the "Disinterested Shareholders") will be asked to approve the Stock Option Plan. "Insider", as defined in the *Securities Act* (British Columbia), includes directors, officers and holders of greater than 10% of the issued share capital of an issuer. As at the date of this Information

Circular and based on the information available to Arris, there are no holders of common shares who are not entitled to vote on the resolution to approve the Stock Option Plan.

Disinterested Shareholders will be asked to approve the following resolutions:

“BE IT RESOLVED that

- (1) The Stock Option Plan be and is hereby approved, that in connection therewith a rolling 10% of the issued and outstanding shares from time to time be approved for granting as options and that the board of directors be and they are hereby authorized, without further shareholder approval, to make such changes to the Stock Option Plan as may be required or approved by regulatory authorities and that the reservation under the Stock Option Plan of up to a maximum of 10% of the issued shares of the Company, on a rolling basis, as at the time of granting of the stock option pursuant to the Stock Option Plan be and the same is hereby authorized and approved;
- (2) The granting of stock options under the Plan, from time to time during the ensuing year, to a single optionee that will exceed 5% of the Company’s issued shares or to insiders, as a group, that in aggregate will exceed 10% of the Company’s issued shares be and is hereby authorized and approved; and

APPROVAL OF STOCK SPLIT AND CHANGE OF NAME

At the Meeting, Shareholders will be asked to consider a special resolution approving the subdivision of the Shares on a five-for-one basis (“**Share Split**”). Based on 23,583,372 Shares issued and outstanding on the date hereof, if the Share Split is approved by the Shareholders at the Meeting and implemented by the Company, the Company will have 117,916,860 Shares issued and outstanding. The Shareholders will also be asked to approve a special resolution approving a Change of Name.

The Share Split will not change the rights of holders of Shares nor will the Change of Name. Each Share outstanding after the Share Split will be entitled to one vote and will be fully paid and non-assessable. There will be certain consequential amendments to any outstanding options to acquire Shares in accordance with the adjustment provisions of the Stock Option Plan to preserve proportionately the rights of holders of outstanding options and to adjust the number of Shares reserved for issuance under the Stock Option Plan. The number of options will increase by a multiple of five. There will also be certain consequential amendments to the outstanding warrants to acquire Shares (“**Warrants**”) in accordance with the adjustment provisions set out forth in the certificates representing the Warrants to preserve proportionately the rights of holders thereof. The number of Shares purchasable on exercise of outstanding Warrants will increase by a multiple of five. These adjustments will not take effect until the Share Split has been approved by Shareholders and implemented by the Company.

The text of the Share Split and Change of Name Resolution, subject to such amendments, variations or additions as may be approved at the Meeting, is set out below.

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

COMPENSATION DISCUSSION AND ANALYSIS

Goals and Objectives

Given the Company's current stage of development, the Board of Directors has not established a formal compensation committee. It is the Board as a whole that is responsible for determining the final compensation (including long-term incentive in the form of stock options) to be granted to the Company's executive officers and directors to ensure that such arrangements reflect the responsibilities and risks associated with each position. See PART 7 – CORPORATE GOVERNANCE - Committees of the Board of Directors. Management directors are required to abstain from voting in respect of their own compensation thereby providing the independent members of the Board with considerable input as to executive compensation.

The Company's executive compensation program focuses primarily on rewarding the efforts of its executives in increasing shareholder value and meeting the Company's goals. The Board reviews on an annual basis the corporate goals and objectives relevant to executive compensation; evaluates each executive officer's performance in light of those goals and objectives and sets the executive officer's compensation level based, in part, on this evaluation. The Board also takes into consideration the Company's overall performance, shareholder returns, and the value of similar incentive awards to executive officers at comparable companies, and the awards given to executive officers in past years.

Executive Compensation Program

The Board's compensation philosophy is aimed at attracting and retaining quality and experienced people which is critical to the success of the Company and may include a "pay-for-performance" element which supports the Company's commitment to delivering strong performance for the Shareholders.

Executive compensation is comprised of three elements: base fees (may be consulting fees) or salary, short-term incentive compensation (discretionary cash bonuses) and long-term incentive compensation (share options). The Board reviews all three components in assessing the compensation of individual executive officers and of the Company as a whole.

Base fees or salaries and bonuses (discretionary) are intended to provide current compensation and a short-term incentive for executive officer's to meet the Company's goals, as well as to remain competitive with the industry.

Base fees or salaries are compensation for job responsibilities and reflect the level of skills, expertise, and capabilities demonstrated by the executive officers. Executive officers are also eligible to receive discretionary bonuses as determined by the Board based on each officer's responsibilities, his achievement of individual and corporate objectives and the Company's financial performance.

Cash bonuses are intended to reward the executive officers for meeting or exceeding the individual and corporate performance objectives set by the Board.

Stock options are an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Company's shares over a stated period of time, and are intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall

corporate performance as measured through the price of the Company's shares and enables executives to acquire and maintain an ownership position in the Company. See Option Based Awards below.

Ms. Janda provided her services to the Company as a consultant and devoted such time to the Company's activities as was required, accounting for approximately 5 to 10 percent of her time. Given Arris's development and operational objectives, Ms. Janda did not receive a base salary nor did he charge a consulting fee to the Company.

The Company and Ms. Janda believe that at the current time, the Company's resources are better utilized by Ms. Janda foregoing compensation in the form of cash payments, thereby allowing the Company to provide compensation to such officers and employees who are employed and working full time to advance the Company's business and build shareholder value. The Company reviews these arrangements annually and, when appropriate, may implement compensation for the CEO.

Option Based Awards

Executive officers of the Company, as well as directors, employees and consultants, are eligible to participate in the Company's stock option plan (the "Stock Option Plan") to receive grants of stock options. Individual stock options are granted by the Board as a whole and the number, and terms of such options is dependent on, among other things, each officer's level of responsibility, authority and importance to the Company and the degree to which an officer's long term contribution to the Company will be crucial to its overall long-term success.

Stock options grants may be made periodically to ensure that the number of options granted to any particular officer is commensurate with the officer's level of ongoing responsibility within the Company. The Board will evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants. Options are usually priced at the closing trading price of the Company's shares on the business day immediately preceding the date of grant and the current policy of the Board is that options expire two to five years from the date of grant. See PART 3 - THE BUSINESS OF THE MEETING- APPROVAL OF STOCK OPTION PLAN.

The Company has a formalized stock option plan for the granting of incentive stock options to its officers, employees, consultants, and Directors. During the most recently completed financial year, no stock options were granted.

Directors are entitled to participate in the Company's stock option plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value over the longer term. PART 6 – AUDIT COMMITTEE

National Instrument 52-110 Audit Committees of the Canadian Securities Administrators (“NI 52-110”) requires the Company, as a CSE issuer to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its external auditor as set forth below.

The Audit Committee Charter

The Company’s audit committee is governed by an audit committee charter which is attached as Exhibit “A”.

¹ The Company has a 10% rolling stock option plan. See APPROVAL OF STOCK OPTION PLAN for further information.

Composition of Audit Committee

As of the date of this Information Circular, the Company's audit committee is comprised of three directors, Navchand (Chand) Jagpal, Charles Larsen and Sandy Janda of whom Chand Jagpal and Sandy Janda are considered "independent" as that term is defined in applicable securities legislation. As Chief Executive Officer, Mr. Larsen is not independent.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

Relevant Education and Experience

All of the audit Committee members are business persons with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavour.

In addition, Ms. Janda and Mr. Jagpal have knowledge of the role of an audit committee in the realm of reporting companies from their years of experience as directors of public companies other than the Company. Ms. Janda has enjoyed a career in business, working for companies, both public and private and is a sophisticated businesswoman. Ms. Janda also has an Business Administration Degree from SFU. All the members of the audit committee are capable of understanding the role of the audit committee and are financially literate, as that term is defined in applicable securities legislation. See PART 7 – CORPORATE GOVERNANCE.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year ended September 30, 2013, the board of directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

External Audit Service Fees (By Category)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice, and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its external auditor for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit / Audit Related Fees	Tax Fees	All Other Fees
September 30, 2013	\$6,500	\$1,000	Nil
September 30, 2012	\$6,630	Nil	Nil

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors of the Company (the “Board”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 Corporate Governance Guidelines (“NP 58-201”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58-101”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices. As a “CSE issuer” the Company is required to make these disclosures with reference to the requirements of Form 58-101F2, this disclosure is provided below.

BOARD OF DIRECTORS

Structure and Composition

The Board is currently composed of four directors. Two of the proposed nominees for election as directors at the 2014 annual general meeting are currently directors of the Company. NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors be reasonably expected to interfere with the exercise of a director’s independent judgment. The Company has determined independence as follows:

Name	Independent	Determination of Independence
Sandy Janda	Yes	Ms. Janda is a non-management director, she has received no cash payments from the Company making her an independent director and independent member of the audit committee.
Chand Jagpal	Yes	Non-management director, he has received no cash payments from the Company making him an independent director and independent member of the audit committee.
Charles Larsen	No	As the Chief Executive Officer and President of the Company, Mr. Larsen is not independent.
Mikhail Gurfinkel	Yes	Mr. Gurfinkel is a non-management director, he has received no cash payments from the Company making him an independent director.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring

the effective operation of the Board; and safeguarding shareholders' equity interests through the optimum utilization of the Company's capital resources. The Board also takes responsibility for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company's development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is also responsible for the integrity of the Company's internal control and management information systems and for the Company's policies respecting corporate disclosure and communications.

The Board delegates to management, through the Chief Executive Officer and the Chief Financial Officer, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans, and annual operating plans.

Currently, the positions of President and Chief Executive Officer are combined. However, given the size of the Company's current operations, the Board believes that the Company is well serviced and the independence of the Board from management is not compromised by the combined role. In addition, the Board has found that the fiduciary duties placed on management by the Company's governing corporate legislation and common law and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest under applicable corporate and securities legislation provides the "independent" directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the "independent" directors have the ability to meet independently of management whenever deemed necessary. As of the year ended September 30, 2013 the independent directors have not exercised their right to meet independently of management given the Company's limited operations at the current time; as such the decisions required of the board have been considered routine and in the ordinary course of business, the independent directors have not deemed it necessary to review such materials separate and apart from management.

Directorships

As of the date of this Information Circular, the directors listed in the table that follows are currently directors and/or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction; or, are nominees for directorship.

Name of Director	Other Reporting Issuer
Mikhail Gurfinkel	None
Sandy Janda	CEO and Director of AAN Ventures Inc. (present) CFO of Acana Capital Corp. (present)
Charles Larsen	None
Donald Steinberg	None
Dr. Reid Jilek	None

Ethical Business Conduct

The Board of Directors expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

However, to date, the Board has not adopted a formal written Code of Business Conduct and Ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders.

In addition, the limited size of the Company's operations and the small number of officers and employees allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination, Education and Assessment

Given its current size and stage of development, the Board has not appointed a nominating committee and these functions are currently performed by the Board as a whole. Nominees are generally the result of recruitment efforts by Board members, including both formal and informal discussions among Board members and the President, and proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium, and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, experience in running and managing public companies. Board members are encouraged to communicate with management, auditors, and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading ELECTION OF DIRECTORS in PART 3 - THE BUSINESS OF THE MEETING for a description of the current principal occupations of the Company's Board.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

Committees of the Board of Directors

At the present time, the Board of Directors of the Company has appointed only an audit committee. The audit committee, currently comprised of Charles Larsen (Chair), Chand Jagpal and Sandy Janda, is ultimately responsible for the policies and practices relating to the integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws.

As the Company evolves, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute additional standing committees and to ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

Compensation

Given the Company's current size and stage of development, the Board of Directors has not appointed a formal compensation committee, but instead the independent directors make recommendations to the Board regarding executive compensation (including long-term incentive in the form of stock options) to be paid to the Company's executive officers having regard to the responsibilities and risks associated with each position.

In addition, compensation to be paid to executive officers who are also directors must be approved by the disinterested directors thereby providing the non-executive officers and directors with significant input into compensation decisions.

The board of directors has not adopted certain standard fees to be paid to the Company's non-management directors for their services - See PART 4 – COMPENSATION above.
