

**GLOBAL HEMP GROUP ANNOUNCES THE APPOINTMENT OF ARELIO USECHE
AND VÉRONIQUE LABERGE TO THE COMPANY'S BOARD OF DIRECTORS**

Vancouver, BC -- (February 14, 2023) -- **GLOBAL HEMP GROUP INC.** (“GHG” or the “Company”) (CSE: GHG / OTC Markets: GBHPF / FRANKFURT: GHG) is pleased to announce the appointment of Aurelio Useche and Véronique Laberge and as new Directors of the Company.

Aurelio Useche leverages over 20 years of senior management experience including COO, CFO and CEO in several private and publicly traded corporations in manufacturing, mining exploration, consumer goods and entertainment. Mr. Useche is a CPA, CMA and a graduate of the executive MBA program at Queen's University School of Business. Mr. Useche is also a graduate of the Corporate Directors program at the University of Toronto's Rotman School of Business and of the Masters Certificate program in Risk Management program at York University's Schulich School of Business.

Véronique Laberge began her career in an accounting firm in 2005. She participated in various certification mandates for private companies. Mrs. Laberge then chose to pursue her career in a management position in the field of professional services, an experience that allows her to acquire solid expertise in the business world. In 2018, Mrs. Laberge returned to professional practice as a self-employed practitioner. Specializing in certification mandates, general accounting and as a consultant for public and private companies, she wishes to support companies in their financial management. Also, a chartered professional accountant and holder of the title of auditor, she now has more than 15 years of experience in professional practice.

Curt Huber, President of Global Hemp commented, “I look forward to working with Aurelio and Véronique as we continue to expand the Company's business opportunities. They bring a wealth of business experience that will be exceptionally helpful going forward.”

The Company also announces that Jeff Kilpatrick has resigned as Director of the Company.

About Global Hemp Group Inc.

Global Hemp Group Inc. (CSE: GHG / OTC: GBHPF / FRANKFURT: GHG) is focused on executing a multi-phased strategy to become a leader in the industrial hemp industry. To further support and innovate, GHG has established a R&D Division to actively pursue the development of Intellectual Property that can be patented for implementation at its projects and beyond. The Division is led by Prof. Víctor M. Castaño, Ph.D., a highly recognized leader in areas of applied science and technology. The R&D team will initially focus on development of Environmentally Friendly Construction Materials, Nanofertilizers and Enhanced Extraction from Hemp.

GHG has expanded its scope of business into natural biologic therapeutics having acquired the exclusive North America licensing of patents and IP from Apollon Formulaires plc, a UK-based international pharmaceutical company developing cancer treatments from natural biologics, including medical cannabis, functional mushrooms, psychedelic mushrooms and combinations of these compounds, which to date have shown successful independent, third-party results in pre-clinical testing. Apollon utilizes an artificial intelligence-based drug discovery platform. GHG will look to begin sub-licensing this IP throughout Canada, the United States and Mexico where legally permitted to do so.
