CNSX: MEC

**ME RESOURCE CORP.
ANNOUNCES
DR. MICHAEL RAYMONT AS NEW BOARD MEMBER**

December 4, 2012, VANCOUVER, BRITISH COLUMBIA – ME Resource Corp. ("Company") (CNSX: MEC) announces that Dr. Michael Raymont has joined the board of directors of ME Resource Corp.

Michael Raymont is principal and partner with an Asian-based private equity company where he heads the energy and resources practice. Previously, Michael was Chief Executive Officer of EnergyINet Inc., and before that Acting President and Vice-President, Technology and Industry Support, with the National Research Council of Canada (NRC). He has extensive international experience, having spent almost seven years outside Canada, in the US, East Asia and Europe. He holds board positions in a number of public and private technology companies, and is a member of several professional associations. Dr. Raymont has a B.Sc (Hons) and Ph.D. degrees in chemistry, and was a Killam Scholar. He holds two patents, and has authored over 100 publications and presentations, principally on technology commercialization and economic development.

The Company welcomes Dr. Raymont to the board of directors.

About ME Resource Corp.

ME Resource Corp. is a resource issuer with a focus on acquiring undervalued oil and gas development and production assets in Canada and internationally. MEC has an exclusive license to a micro-refinery technology that will transform waste, flared and stranded gas to liquid fuel or clean power.
