1. Corporate information

Petro Viking Energy Inc. ("Petro Viking" or the "Company") is incorporated under the laws of the province of Alberta with shares listed on the TSX Venture Exchange, and is engaged in petroleum and natural gas exploration and development activities in western Canada. The records office and principal address is located at 200 – 744 4th Ave SW, Calgary, AB T2P 3T4.

On February 28, 2011, the Company completed its "Qualifying Transaction" pursuant to which Deep Creek Oil & Gas Inc. ("Deep Creek") and 1560368 Alberta Ltd., a wholly owned subsidiary of the Company, amalgamated pursuant to the provisions of the Business Corporations Act (Alberta) ("the Transaction"). On March 21, 2011, Deep Creek changed its name to Petro Viking Management Corp.

The unaudited interim condensed consolidated financial statements as at June 30, 2012 and for the three and six months ended June 30, 2012 and June 30, 2011, include the accounts of the Company and its wholly owned subsidiary, Petro Viking Management Corp. ("PVMC"), after the elimination of intercompany transactions and balances.

2. Basis of presentation and statement of compliance

The unaudited interim condensed consolidated financial statements as at June 30, 2012 and for the three and six months ended June 30, 2012 and June 30, 2011 do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the audited consolidated financial statements as at and for the year ended December 31, 2011. The unaudited interim condensed consolidated financial statements are prepared using the same accounting policies and methods of computation as disclosed in Note 2 to the audited consolidated financial statements as at December 31, 2011 and for the year ended December 31, 2011 and December 31, 2010.

The unaudited interim condensed consolidated financial statements are stated in Canadian dollars and have been prepared in accordance with the International Financial Reporting Standards ("IFRS") applicable to the preparation of interim financial statements, including IAS 34 Interim Financial Reporting.

The unaudited interim condensed consolidated financial statements were approved by the Company's Board of Directors on August 24, 2012.

3. Business acquisitions

Deep Creek acquisition

On February 28, 2011, the Company entered into a transaction pursuant to which Deep Creek Oil & Gas Inc. (Deep Creek) and 1560368 Alberta Ltd., a wholly owned subsidiary of the Company, amalgamated pursuant to the provisions of the Business Corporations Act (Alberta).

This acquisition is considered a business combination under common control, as the two entities, Petro Viking and Deep Creek, had common directors, as at February 28, 2011. The acquisition has been accounted for by the Company prospectively from the date of obtaining the ownership interest. Assets and liabilities have been recognized upon consolidation at their carrying amounts in the IFRS financial statements of Deep Creek.

The information in the following table summarizes the consideration paid for Deep Creek and the amounts of the assets acquired and the liabilities that were recognized at the acquisition date.

Each Unit is comprised of one Common Share of the Company and one Common Share Purchase Warrant. Each Warrant entitles the holder to purchase one additional share at a purchase price of $0.50 per share for a period of 24 months following the closing, subject to an accelerated expiry date. If, on any 20 consecutive trading days occurring after four months and one day has elapsed following the closing date, the closing sales price of the Common Shares (or the closing bid, if no sales were reported on a trading day) as quoted on the Exchange is greater than $0.60 per Common Share, the Company may provide notice in writing to the holders of the Warrants by issuance of a press release that the expiry date of the Warrants will be accelerated to the 30th day after the date on which the Company issues such press release.

The fair value of the warrants issued was $506,000 (note 12).

10. Share capital (continued…)

b. Issued and outstanding common shares (continued…)

(iii) In connection with the brokered private placement described in (ii) above, the Company paid Wolverton Securities Ltd. (the "Agent") a cash commission equal to 8% of the gross proceeds, amounting to $276,000, and 8% in Agent's options entitling the Agent to acquire 920,000 Units at a price of $0.30 per Unit until February 28, 2013.

Each Unit is comprised of one Share and one Warrant. Each Warrant entitles the Agent to purchase one additional Share at a purchase price of $0.50 per share for a period of 24 months following the closing.

The estimated fair value of $120,520 ($80,960 for the options (note 11) and $39,560 for the warrants (note 12)) as calculated using the Black-Scholes pricing model has been charged to share issuance costs with a related credit to contributed surplus. In addition, the Company has paid the Agent a corporate finance fee and related costs amounting to $66,363. The company incurred legal fees of $22,000. 19. Financial instruments and financial risk management

The Company's risk management policies are established by the Board of Directors to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to market conditions and the Company's policy.

The Company's financial instruments include cash and cash equivalents, short–term investments, accounts receivable, accounts payable and accrued liabilities, and debentures. The carrying values of accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to their relatively short periods to maturity. The short-term interest bearing securities are recorded at cost plus accrued interest earned which approximates current market value. These financial instruments are classified as follows:

- Cash and cash equivalents - Fair value through profit or loss – held-for-trading
- Short-term investments - Fair value through profit or loss – held-for-trading
- Accounts Receivable - Loans and receivables
- Accounts payable and accrued liabilities - Other financial liabilities
- Debentures - Other financial liabilities

The Company has exposure to credit risk, liquidity risk and market risk as a result of its use of financial instruments. Refer to note 16 to the audited consolidated financial statements as at December 31, 2011 and for the year ended December 31, 2011 and 2010 for further information.

20. Capital Management

The Company's objective when managing capital is to maintain a flexible capital structure which will allow it to execute its capital expenditure program, which includes expenditures in oil and gas activities which may or may not be successful. Therefore, the Company monitors the level of risk incurred in its capital expenditures to balance the proportion of debt and equity in its capital structure.

The Company considers its capital structure to include shareholders equity and debentures.

The Company monitors capital based on annual funds from operations and capital expenditure budgets, which are updated as necessary and are reviewed and periodically approved by the Company's Board of Directors. In order to maintain or adjust the capital structure, from time to time the Company may issue common shares, debt or other securities, sell assets or adjust capital spending to manage current and projected debt levels.

At June 30, 2012, the Company's capital structure was not subject to external restrictions.

The Company anticipates it will continue operations in the foreseeable future and it will have adequate liquidity to fund its financial liabilities through its future cash flows. At June 30, 2012, the Company had sufficient working capital of $329,625 to maintain adequate liquidity.

23. Subsequent Events

In connection with the proposed transaction with Grisham Assets Corp. as described in note 22 to the audited consolidated financial statements as at December 31, 2011 and for the year ended December 31, 2011 and December 31, 2010, the Company has the following updates:

(i) The Company has been informed that the Ministry of Mines and Energy of the Republic of Namibia has issued Petroleum Exploration Licenses on blocks 1810 and 2913B offshore Namibia to Grisham Assets Corp. ("Grisham"). As a result the Company is continuing with its due diligence and expects to execute a definitive agreement with Grisham shortly. The terms and conditions of the transaction, as disclosed in the Company's March 20, 2012 press release, have been amended such that the Company will acquire 100% of the issued and outstanding shares in the capital of Grisham for US$4,000,000 cash and the issuance of 7,000,000 common shares at a deemed issue price of $0.20 and 7,000,000 warrants of the Company. The transaction will not include block 1710 as previously announced.

23. Subsequent Events (continued…)

The definitive agreement will include customary conditions to closing, plus the following specific conditions: (i) receipt of any applicable approvals by the Ministry of Mines and Energy (Namibia); (ii) completion of satisfactory due diligence on Grisham and all legal, financial, geological and technical documentation related to Blocks 1810 and 2913B; (iii) TSX Venture Exchange approval; and (iv) approval from the respective boards of the Company and Grisham.

(ii) On July 18, 2012, the Company announced that it will not be proceeding with its $25M brokered private placement as previously announced, due to continuing weakness in global equity markets. A further announcement is expected to be made about the status of the transaction with Grisham and requisite financing.

(iii) On August 24, 2012 the Company announced that it has entered into a new Letter of Intent (“LOI”) with Grisham Assets Corp. (“Grisham”) dated August 22, 2012 to acquire 80% of the issued and outstanding shares of Alphapetro (Pty) Ltd.)”Alphapetro”). A Namibian company which owns a 100% interest in Petroleum Exploration License No. 0027 in relation to Block 1710A&B off-shore Namibia. The remaining 20% is owned by Kwest Investments Holdings (Pty) Ltd. as to 10% and Ace Investments and Mineral Resources CC as to 10% interest.

Under the terms of the acquisition, Petro Viking will acquire 80% of the shares of Alphapetro in consideration of USD $2,000,000 casj (including a non-refundable deposit of $20,000), 2,500,000 common shares, and 2,500,000 common share purchase warrants (exercisable at the minimum price permitted by the TSX Venture Exchange and with an expiration date 24 months after the date of closing).
