This Information Circular is being mailed by the management of the Company to everyone who was a shareholder of record of the Company on September 10, 2021 which is the date that has been fixed by the directors of the Company as the record date to determine the shareholders who are entitled to receive notice of the Meeting.

This information circular (the “**Information Circular**”) is provided in connection with the solicitation of proxies to be used at the annual and special meeting of shareholders (the “**Meeting**”) of the Corporation to be held at the time and place and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof. The enclosed proxy is being solicited by the management of the Corporation and the cost of this solicitation will be borne by the Corporation. The solicitation will be conducted primarily by mail but proxies may also be solicited personally by officers, employees or agents of the Corporation, but without additional compensation.

No person has been authorized to give any information or to make any representation in connection other than those contained in this Circular and, if given or made, any such information or representation should be considered not to have been authorized by the Company.

If you cannot attend the Meeting, complete and return the enclosed form of proxy in accordance with the instructions contained therein.

This Information Circular does not constitute the solicitation of an offer to purchase any securities or the solicitation of a proxy by any person in any jurisdiction in which such solicitation is not authorized or in which the person making such solicitation is not qualified to do so or to any person to whom it is unlawful to make such solicitation.

PART 1 – VOTING

HOW A VOTE IS PASSED

All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favor, then the resolution is approved (an “**ordinary resolution**”), or, in the event of the special resolution, it must be approved by an affirmative vote of at least two-thirds (66 2/3%) of the votes cast at the Meeting in person or by proxy.

WHO CAN VOTE?

If you are a registered shareholder of Petro Viking Energy Inc. as at September 10, 2021 you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of said corporation may attend on its behalf, but documentation indicating the officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting you can appoint someone who will attend the Meeting and act as your proxy holder to vote in accordance with your instructions (see “**VOTING BY PROXY**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “**BENEFICIAL SHAREHOLDERS**”, below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting, the Company invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not attend the Meeting, you can still make your votes count by voting over the internet or via the telephone (see proxy for instructions) or by appointing someone who will be there to act as your proxy holder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

WHAT IS A PROXY?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of proxy is enclosed with this Information Circular. You should use it to appoint a proxy holder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form of proxy to Viking’s transfer agent, Computershare, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof.

APPOINTING A PROXYHOLDER

You can choose any individual to be your proxy holder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person’s name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxy holder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be

deemed to be appointed to act as your proxy holder. Such persons are directors and/or officers of Petro Viking Energy Inc. (the “**Management Proxy holders**”).

INSTRUCTING YOUR PROXY

You may indicate on your form of proxy how you wish your proxy holder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxy holder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxy holder can vote your shares as he or she thinks fit.

At the time of printing this Information Circular, the management of Petro Viking Energy Inc. is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

If you have appointed the Management Proxy holders as your proxy holder, they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

- **FOR** the amendment of the articles to effect the name change;
- **FOR** the approval and adoption of the Stock Option Plan;
- **FOR** the election of the proposed nominees as directors and fix the number at five (5);
- **FOR** the appointment of MNP LLP, Chartered Accountants, as the auditor of Petro Viking Energy Inc.;
- **FOR** the resolution to authorize the directors to fix the remuneration to be paid to the auditor; and
- **FOR** any other matters that come before the Meeting.

REVOKING YOUR PROXY IF YOU CHANGE YOUR MIND

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by:

- (a) attending the Meeting and voting by means of telephone or other communication facilities;
- (b) signing a proxy bearing a later date;
- (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to Petro Viking Energy Inc. at 500-5940 Macleod Trail SW, Calgary, AB, T2H 2G4; or
- (d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Pacific Standard Time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under “**Non-Registered Shareholders**”).

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting.

BENEFICIAL SHAREHOLDERS

The following information is of significant importance to shareholders who do not hold common shares in their own name.

Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common shares) or as set out in the following disclosure.

If Common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common shares will not be registered in the shareholder's name on the records of the Company. Such Common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an “**intermediary**”). In the United States, the vast majority of such Common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 “Communication with Beneficial Owners of Securities of a Reporting Issuer” that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile or voted via internet as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive."

These security holder materials are being sent to both registered and NOBO owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) sending these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting and the appointment of any shareholder’s representative.

If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common shares voted or to have an alternate representative duly appointed to attend and to vote your Common shares at the Meeting.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

OUTSTANDING VIKING CAPITAL SHARES

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares. Each shareholder is entitled to one vote per share registered in his or her name. According to the records of the Company's Transfer Agent as of **September 10, 2021** there were 26,980,862 common shares issued and outstanding.

PRINCIPAL HOLDERS OF SHARES

Only those common shareholders of record on September 10, 2021 will be entitled to vote at the Meeting or any adjournment thereof. To the knowledge of the directors and executive officers of the Company, there is no shareholder that beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company which have the right to vote in all circumstances.

PART 3 - THE BUSINESS OF THE MEETING

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be dealt with at the Meeting are those matters set forth in the accompanying Notice of Meeting relating to:

1. To receive the audited financial statements of the Company for the year ended December 31, 2020 and the report of the auditor on those statements;
2. To consider and, if deemed advisable, to pass, with or without variation, a special resolution authorizing and approving an amendment to the Company's articles to effect a name change of the Company to Avila Energy Inc. or such other name as is authorized by the Board (as defined herein), acceptable to the Canadian Stock Exchange and applicable regulatory authorities, as more particularly described in the Circular. See "Name Change" in the Circular;
3. To consider and, if deemed advisable, to pass a resolution, the full text of which is set forth in the Information Circular and proxy statement, ratifying, adopting and approving the stock option plan of the Company (the "**Stock Option Plan**") and authorizing the Company's board of directors to make any amendments thereto that may be required for the purpose of obtaining the approval of applicable securities regulatory authorities or stock exchanges;
4. To fix the number of directors for the ensuing year at five (5);
5. To elect directors for the ensuing year;
6. To appoint the auditor for the Company for the ensuing year and to authorize the directors to fix the remuneration to be paid to the auditor;
7. To transact such other business as may properly come before the Meeting or any adjournments thereof.

1. FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended December 31, 2020 will be placed before you at the Meeting. A copy of these financial statements, together with the auditor's report thereon, and Management's Discussion and Analysis, were mailed to those shareholders who returned the 'request for annual and interim financial statement return card', mailed to shareholders in connection with the Company's annual general and special meeting and indicated to the Company that they wished to receive these documents. Shareholders can request a copy of our future financial statements and MD&A by completing our supplemental request card which accompanies the Notice of Meeting and this Information Circular. These financial statements and MD&A are also available for review on SEDAR.

2. NAME CHANGE

At the Meeting, or any adjournment thereof, shareholders will be asked to approve a special resolution (the "**Name Change Resolution**") authorizing the Company to file articles of amendment under the *Business Corporations Act* (Alberta) to change the name of the Company from "Petro Viking Energy Inc." to "Avila Energy Inc.", or to such other name as the Board deems appropriate and as may be approved by the regulatory authorities (the "**Name Change**"), to be implemented at a date in the future to be determined by the Board to be in the best interests of the Company.

Although approval for the Name Change of the Company is being sought at the Meeting, such a name change would become effective at a date in the future to be determined by the Board when the Board considers it to be in the best interests of the Company to implement such a change of name. The majority of the Board at its discretion may determine not to implement the Name Change Resolution at any time after the Meeting and after receipt of necessary regulatory approvals, but prior to the issuance of a certificate of amendment, without further action on the part of the shareholders.

Special Resolution

The shareholders will be asked to approve the Name Change by passing the Name Change Resolution at the Meeting, such resolution to be substantially in the form set forth below:

"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the name of the Company be changed from "Petro Viking Energy Inc." to "Avila Energy Inc." or such other name as the board of directors of the Company may, in their sole discretion, determine, and that the Articles of the Company be amended to change the name of the Company to "Avila Energy Inc.", or such other name as the board of directors of the Company may, in their sole discretion, determine;
2. notwithstanding the approval by the shareholders of the Company of this special resolution, the board of directors of the Company is hereby authorized, by resolution at any time in its absolute discretion, to determine whether or not to proceed with the transactions contemplated by the Name Change without further approval, ratification or confirmation by the shareholders of the Company; and
3. any one director or officer of the Company be and is hereby authorized for and on behalf of the Company to execute and deliver all such documents and instruments and take all such other actions as such director or officer may determine necessary or desirable to implement this resolution and the matters authorized

hereby, such determination to be conclusively evidenced by the execution and delivery of such documents and instruments or the taking of such actions."

For the Name Change to be completed, the Name Change Resolution must be passed by two-thirds (66 2/3%) of the votes cast by the shareholders of the Company present in person or by proxy at the Meeting. **Unless otherwise directed, management intends to vote such proxies in favour of the resolution approving the Name Change.**

The Board has reviewed the terms of the Name Change and concluded that it is in the best interests of the Corporation to proceed with the Name Change at the Board's discretion. **The Company's management recommends that the shareholders vote in favour of the Name Change Resolution.**

Irrespective of whether the Name Change Resolution is passed by the shareholders of the Company, the Board may elect not to proceed with the Name Change and other transactions contemplated in the Name Change Resolution at the Board's discretion.

3. APPROVAL OF STOCK OPTION PLAN

Management is seeking shareholder approval for the adoption the stock option plan (the "**Stock Option Plan**") and the approval of the number of shares reserved for issuance under the Stock Option Plan in accordance with and subject to the rules and policies of the Canadian Securities Exchange (the "**CSE**"). The Board of Directors of the Company has established an incentive stock option plan (the "**Stock Option Plan**") reserving a rolling 10% of the issued and outstanding shares of the Company from time to time. The purpose of the Stock Option Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company and reduce the cash compensation the Company would otherwise have to pay.

Terms of the Stock Option Plan

A full copy of the Stock Option Plan is available upon request for review by shareholders. Shareholders may also obtain copies of the Stock Option Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of the Stock Option Plan:

Number of Shares Reserved. The number of common shares which may be issued pursuant to options granted under the Stock Option Plan (including all options granted by the Company prior to the adoption of the Stock Option Plan) shall equal 10% of the issued and outstanding shares of the Company from time to time at the date of grant.

Maximum Term of Options. The term of any options granted under the Stock Option Plan is fixed by the Board of Directors and may not exceed ten years from the date of grant. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the Stock Option Plan is determined by the Board of Directors, provided that it is not less than the price permitted by the TSXV or the CSE, or, if the shares are no longer listed on the TSXV or on the CSE, then such other exchange or quotation system on which the shares are listed or quoted for trading.

Amendment. The terms of an option may not be amended once issued under TSXV requirements. If an option is cancelled prior to the expiry date, the Company shall not grant new options to the same person until 30 days have elapsed from the date of cancellation.

Vesting. Vesting, if any, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with TSXV and CSE requirements.

Termination. Any options granted pursuant to the Stock Option Plan will terminate on (i) the earliest of the expiration date (ii) the end of the period of time permitted for exercise of the Option (not to be in excess of six months), to be determined by the Board at the time of the grant after the Optionee ceased to be eligible for options for any reasons other than death, disability or cause (iii) the 30th day after the Optionee who is engaged in Investor Relations for the Company ceases to be so employed (iv) the date on which the Optionee ceased to be eligible for options by reason or termination of the Optionee as an employee, consultant or independent contractor of the Company (v) the first anniversary of the date on which the Optionee ceased to be eligible for options on account of disability (vi) the first anniversary of the date of death of the Optionee.

Administration. The Stock Option Plan is administered by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time.

Board Discretion. The Stock Option Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with CSE requirements.

Accordingly, at the Meeting, shareholders of the Company will be asked to consider and, if thought appropriate, approve the following resolution:

“BE IT RESOLVED:

- 1. that the Stock Option Plan be and the same is hereby adopted and approved and that the directors of the Company be and are hereby authorized to make such amendments or revisions to the Stock Option Plan from time to time, without further shareholder approval, as may be required by any other stock exchange upon which the Company's shares may be listed for trading in order to cause the Stock Option Plan to fully comply with the requirements of the of such exchange and to fully carry out this resolution;*
- 2. all options to acquire common shares of the Company previously issued by the Company to directors, officers, employees and consultants of the Company or any subsidiary of the Company and currently outstanding shall be deemed to have been granted and issued under the Stock Option Plan and otherwise be governed by the terms and conditions of the Stock Option Plan, subject to the specific terms and conditions as to exercise price, vesting periods, if any, and expiry dates as are currently applicable to such options; and*
- 3. the reservation under the Stock Option Plan of a maximum up to the amount of 10% of the issued shares of the Company on a rolling basis, at the time of granting of the stock option pursuant to the Stock Option Plan be and the same is hereby approved.”*

The Company's management recommends that shareholders vote in favor of the resolution to ratify and approve the Stock Option Plan. Unless you give instructions otherwise, the Management Proxy holders intend to vote FOR the approval and ratification of the Stock Option Plan.

4. ELECTION OF DIRECTORS

Directors of the Company are elected for a term of one (1) year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time. Under Viking's Articles and pursuant to the *Business Corporations Act (Alberta)*, the number of directors cannot be fewer than three (3). Currently there are five (5) directors.

Management proposes to nominate the persons named under the heading "Nominees for Election" below for election as directors of the Company. This requires the approval of the shareholders of the Company by an ordinary resolution, which approval will be sought at the Meeting.

Nominees for Election

The following information relating to the nominees for directors is based partly on the Company's records and partly on information received by the Company from the nominees, it states the name of each person proposed to be nominated by management for election or re-election as a director and their respective principal occupations during the term that each were directors of the Company and their respective number of common shares of the Company beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof.

While management does not contemplate that the nominees will be unable to serve as directors, if prior to the Meeting a vacancy occurs in this slate of nominees for any reason, the management representative(s) designated in the Proxy solicited in respect of the Meeting shall have the discretionary authority to vote for the election of any other person as director. Proxies received by the directors on which no designation is made will be voted for the nominees for election as directors or any substitute nominee thereof as may be determined by management, if necessary.

⁽¹⁾ Information as to ownership of shares has been taken from the list of registered shareholders maintained by the Company's transfer agent or has been provided by the individual or obtained from SEDI.

⁽²⁾ Member of the Audit Committee.

The Company's management recommends that shareholders vote in favor of the nominees for election as directors. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the election of the five (5) nominees as directors of the Company for the ensuing year.

Corporate Cease Trade Orders or Bankruptcy

Save and except as set out below, as of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, within ten years before the date of this Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity:

- (a) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (b) was subject to an event that resulted, after the director or executive officer ceased to be director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period or more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Michel Lebeuf Jr. was named director of Bitumen Capital Inc. (TSXV-BTM.H) ("**Bitumen**"), a capital pool company listed on the NEX board of the TSX Venture Exchange during Bitumen's annual general meeting in February 2017, in order to meet the requirements of the *Canada Business Corporation Act* of at least three directors on the board. On May 8, 2017, Bitumen, having not enough cash to pay the audit of its annual financial statements was unable to file in due time said annual audited financial statements and received a cease trade in the Provinces of Quebec and Ontario.

Leonard Van Betuw was President, Chief Executive Officer and director of Quattro Exploration and Production Ltd. ("**Quattro**") from November 2011 until his resignation on March 23, 2017. On August 10, 2016, Quattro filed a Notice of Intention to Make a Proposal under the *Bankruptcy and Insolvency Act* ("**BIA**"). On September 8, 2016, upon the application of Quattro, the Court of Queen's Bench of Alberta (the "**Court**") granted an Initial Order transferring Quattro's restructuring proceedings originally commenced under the BIA to the *Companies' Creditors Arrangement Act*. On February 2, 2017, the Court appointed Hardie & Kelly Inc. as receiver and manager.

Penalties or Sanctions

As of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or

regulatory body that would likely to be considered important to a reasonable investor making an investment decision.

Personal Bankruptcy

Save and except as set forth below, as of the date of this Information Circular, no proposed nominee for election as a director of the Company has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

On February 3rd, 2017 Michel Lebeuf Jr. filed a proposal with his creditors; such proposal was accepted by the Superior Court of Quebec on March 16, 2017. This proceeding was due to many contractual engagements taken by Mr. Lebeuf (namely for acting as personal guarantee) to various loans regarding his previous law firm Brière & Lebeuf Inc.

Conflicts of Interest

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a Conflict of interest arises at a meeting of the board of directors, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, that directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the best of the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management may from time to time serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of those other companies.

5. APPOINTMENT OF THE AUDITOR

The Company's management recommends that shareholders vote in favor of the re-appointment of MNP, LLP, Chartered Accountants as the Company's auditor for the ensuing year and in favor of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of MNP, LLP, Chartered Accountants as the auditor of the Company until the close of the next annual meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

Oversight and Description of Director and Named Executive Officer Compensation

Director Compensation

At present, the Company has no arrangement in place pursuant to which directors are compensated by the Company for their services in their capacity as directors but are entitled to be reimbursed for actual expenses reasonably incurred by them in the performance of their duties as directors.

Named Executive Officer Compensation

As of the date of this Information Circular, the Board as a whole is responsible for setting and administering the compensation paid to the Named Executive Officers and reviewing the Company's compensation policies, compensation matrix and guidelines generally from time to time.

While the Company has not yet adopted a formal compensation program, the Board believes it is critical to create and maintain a compensation program that will attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives, motivate their performance to achieve the Company's strategic objectives and align the interests of executive officers with the long-term interests of the Company's shareholders and enhancement in share value.

Currently, the Company compensates its Named Executive Officers through a combination of (i) base salary; and (ii) discretionary cash bonuses based on performance. At present, the Company does not have a long-term incentive compensation program.

Base Salary

Base salaries are designed to compensate each Named Executive Officer's core competencies, skills, experience, and contribution to the Company. To date, the Company has deliberately kept base salaries below market rates due to the Company's present stage of operations.

Going forward, the Board intends to review and select a compensation peer group of companies operating in areas with an operational and risk profile similar to the area in which the Company operates. Base salaries will be compared to the Company's industry peer group through publicly available information and available compensation surveys prepared by compensation consultants. Consideration has been and will be given to the Company's growth plans, area of operations and its objective of attracting and retaining highly talented individuals from within the industry.

Cash Bonus

Discretionary cash bonuses will be intended to motivate and reward the accomplishment of specific business and operating objectives within a defined period. Given the relatively early stage of development of the Company and its lack of sustained cash flow, no cash bonus payments were paid in 2020 or as of the date of this Information Circular. At this point, it is contemplated that cash bonuses will only be paid to the executive officers of the Company if the Company achieves a positive cash flow position. Similar to the determination of base salaries, consideration will be given to the Company's compensation peer group when determining the final amount of any cash bonuses to be paid.

Other than as described above there are no other perquisites provided to the Named Executive Officers.

Pension Disclosure

The Company does not have any pension, retirement or deferred compensation plans, including defined contribution plans in place for its Named Executive Officers or directors.

PART 5 – AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“**NI 52-110**”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with the Company's external auditor as set forth below.

Audit Committee's Charter

The Board has adopted a charter (the “**Charter**”) for its audit committee (the “**Audit Committee**”) which establishes the Audit Committee's mandate, organization, responsibilities and duties. The complete Charter is attached as Schedule “A” to this Information Circular.

Composition of the Audit Committee

The Audit Committee will be comprised of three directors, Kyle Appleby (Chair), Thomas Valentine, Michel Lebeuf. Mr. Appleby and Mr. Valentine are considered “independent” as that term is defined in applicable securities legislation. Mr. Lebeuf, as Corporate Secretary of the Company is not independent.

All three Audit Committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

Relevant Education and Experience

All of the audit committee members are business persons with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

Kyle Appleby, spent the first 10 years of his career working in public accounting where he worked in both audit and advisory practices working with private companies and investment funds. In 2007 Kyle left the world of public accounting to focus on providing management and accounting services to public companies across a variety of industries including junior mining, food production, agriculture, cannabis, technology, crypto-currency and others. Kyle has been the Chief Financial Officer for numerous companies, listed in Canada, US and London and has extensive experience in financial reporting, IPOs, fund raising, and corporate governance. He holds a Chartered Professional Accountant designation and is a member in good standing of the Chartered Professional Accountants of Ontario and Canada. Kyle is also a director of two other public companies.

Michel Lebeuf Jr. is a Partner of Dunton Rainville LLP, Mr. Lebeuf has an expertise in securities, particularly in the areas of natural resources, institutional and corporate financing, and public and private mergers and acquisitions. Mr. Lebeuf represents public companies, securities brokers, buyers, sellers, bankers, and financial advisors. He provides strategic advice on access to public capital markets, securities, and structured products. Over the past years, Michel Lebeuf has worked for many mining projects in Africa (Democratic Republic of Congo, Ethiopia, Angola and ROC) and his services are regularly used by mining developers, mining companies, and investment banking companies eager to develop mining projects in these countries. He also specializes in transactions such as "reverse takeovers" or RTO's on various stock exchanges among which in particular the CSE and the TSX Venture Exchange. Mr. Lebeuf also has extensive experience in corporate reorganizations, public and private transfers, and institutional funding.

Mr. Valentine has more than 30 years of experience in the oil and gas industry, both as a barrister and a solicitor. In 2002 and 2003, Mr. Valentine lived in Doha, Qatar, where he was senior counsel (projects) with Qatar Petroleum. While in Qatar, Mr. Valentine was responsible for a number of international gas and LNG projects, including projects in the United Kingdom (Qatargas II), India (RasGas) and Spain (Endesa Generacion). Since returning to Canada, Mr. Valentine's work continues to focus on oil, gas (including LNG) and project development work, including fiscal regime analysis and negotiations, E&P work, joint venture structuring, joint operations issues, purchase and sale agreements, and decommissioning obligations.

He currently provides legal advice to various gas and LNG projects (both upstream and downstream) in Asia, Nigeria, South America, North America and the Middle East. Each year Mr. Valentine delivers lectures and teaches workshops on natural gas and LNG contracts in Perth, Doha, London, Dubai, Singapore, Seoul, Algeria, Brunei, Johannesburg, Rio and Mozambique.

Since the commencement of the Company’s most recently completed financial year ended December 31, 2020, the Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year ended December 31, 2020, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services, save for the requirement that all non-audit services to be performed by the Company’s external auditor must be pre- approved and monitored by the Audit Committee. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the audit committee, on a case-by-case basis.

External Audit Service Fees (By Category)

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to MNP LLP., the Company’s external auditor, for services rendered to the Company in each of the last three fiscal years, by category, are as follows:

Financial Period Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
December 31, 2020	\$43,800	Nil	Nil	\$43,800
December 31, 2019	\$23,535	Nil	Nil	\$23,535
December 31, 2018	\$12,302	Nil	Nil	\$12,302

8. Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 Corporate Governance Guidelines (“NP 58-201”) establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) requires the Company to disclose annually in its Statement certain information concerning its corporate governance practices. As a “venture issuer” the Company is required to make such disclosure with reference to the requirements of Form 58-101F2, which disclosure is set forth below.

1. Board of Directors

Structure and Composition

The Board is currently composed of four directors.

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board is responsible for determining whether a director is an independent director. Of the proposed nominee directors, Michel Lebeuf is not independent director because of his position as Corporate Secretary of the Company. On the other hand, Lyle Appleby, Thomas Valentine and Daniel Lucero are considered to be independent directors of the Company as they have no ongoing interest or material relationship with the Company other than serving as directors.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees (see “*Committees of the Board of Directors*” below). In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate and operations budgets and forecasts, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding

shareholders' equity interests through the optimum utilization of the Company's capital resources. The Board also takes responsibility for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company's development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

The Board delegates to management, through its Named Executive Officers, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Although it is anticipated that there will be only one "independent" directors on the board of the Company, given the size of the Company's current operations, the Board believes that the independence of the Company's board from management will not be compromised by having a majority of "non-independent" directors as the operations of the Company are currently halted. The Board believes that the fiduciary duties placed on management of the Company by applicable corporate legislation and common law and the restrictions on an individual director's participation in decisions of the Company's board in which the director has an interest under applicable corporate and securities legislation will provide the "independent" directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Company's board will be entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the "independent" directors will have the ability to meet independently of management whenever deemed necessary.

Directorships

As of the date of this Information Circular, the directors of the Company are currently directors and/or executive officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

The Board itself must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics having found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the

common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders. In addition, the limited size of the Company's operations and the small number of officers and employees has allowed the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Issuer grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination and Assessment

Given its current size and stage of development, the Board has not appointed a nominating committee and these functions are currently performed by the Board as a whole. Nominees are generally the result of recruitment efforts by Board members, including both formal and informal discussions among Board members and the Chief Executive Officer, and proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing both reporting and non-reporting companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

Committees of the Board of Directors

At the present time, the Board of the Company has appointed one formal committee, being the Audit Committee.

The Audit Committee is comprised of Kyle Appleby, Thomas Valentine and Michel Lebeuf and is primarily responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws. See Part 2 "AUDIT COMMITTEE" for further information regarding the mandate of the Company's Audit Committee, its specific authority, duties and responsibilities, as well as the Audit Committee Charter.

As the Company grows, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute additional standing committees, such as a Corporate Governance

Committee, Compensation Committee and Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

Compensation

Currently, the Company does not have a formal compensation committee and the Board as a whole is responsible for determining all forms of compensation to be granted to the Company's executive officers and to the directors to ensure such arrangements reflect the responsibilities and risks associated with each position.
