RE: Final Short Form Prospectus of Minera IRL Limited

I, André DeRuijter, Pr. Eng (RSA), P.Eng., do hereby confirm that I am a qualified person as described in National Instrument 43-101 (“**NI 43-101**”). I am a co-author of the technical report titled “Technical Report, Don Nicolás Gold Project, Santa Cruz, Argentina”, dated 14 February 2012 (the “**Technical Report**”).

I further certify that I have read the disclosure in the final short form prospectus of Minera IRL Limited dated February 28, 2012 and the documents incorporated by reference therein (collectively, the “**Prospectus**”) and do not have any reason to believe that there are any misrepresentations in the information contained in the Prospectus that are:

- a) derived from the Technical Report; or
- b) within my knowledge as a result of the services performed by me in connection with the Technical Report.

I further certify that I have verified that the data disclosed in the Technical Report meets the criteria of NI 43-101 and that I have read, and complied with, NI 43-101 to the best of my ability.

I hereby consent to the use of my name and to the use of extracts from or a summary of the Technical Report in the Prospectus.

DATED the 28th day of February, 2012.

“André DeRuijter”
