

CERTIFICATE OF QUALIFIED PERSON

I, Jim McCord, am employed as a Principal Hydrogeologist Water Resources with AMEC South America.

This certificate applies to the technical report titled "Ollachea Gold Project NI 43-101 Technical Report on a Feasibility Study" an effective date of 29 November 2012 and an issue date of 19 December 2012 (Technical Report).

I am a member National Groundwater Association. I graduated from B.S., Civil Engineering, Virginia Polytechnic Institute and State University, 1981, M.S., Hydrology, New Mexico Institute of Mining and Technology, 1986, Ph.D., Geoscience, Dissertation in Hydrology, New Mexico Institute of Mining and Technology, 1989

I have practiced my profession for 29 years since graduation. I have been directly involved in Hydrologic and Hydrogeologic data analysis and modeling for the project, as well as tailings facility seepage analysis.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43-101 Standards of Disclosure for Mineral Projects (NI 43-101).

I have not visited the Ollachea Project.

I am responsible for Water Resources of the Technical Report.

I am independent of Minera Kuri Kullu S.A. as independence is described by Section 1.5 of NI 43-101.

I have had no previous involvement with the Ollachea project.

I have read NI 43-101 and the sections of the Technical Report for which I am responsible have been prepared in compliance with that Instrument.

As of the effective date of the Technical Report, to the best of my knowledge, information and belief, the sections of the Technical Report for which I am responsible contain all scientific and technical information that is required to be disclosed to make those sections of the Technical Report not misleading.

Dated: 19 December 2012

Signed Jim McCord, P.E.
