

I, Mr David Seers, AusIMM CP(Geo) do hereby certify that I am co-author of the Technical Report titled "Updated NI 43-101 Technical Report Mineral IRL Limited Corihuarmi Mine Central Peru" with the effective date of May 2nd, 2018:

1. I am currently employed as a Senior Exploration Geologist by Mining Plus in Lima, Peru.
2. I am a graduate of the University of Leicester and received an undergraduate Master's degree (MGeol) with Honours in Applied Geology in 2003.
3. I am Chartered Professional in the discipline of Geology and a registered member in good standing of the Australasian Institute of Mining and Metallurgy. MAusIMM CP (Geo) membership number 991014
4. I have practised my profession continuously since September 2003. My relevant experience includes over 13 years' experience working for junior explorers focused on precious and base metal exploration, including epithermal and porphyry deposits. I also have several years' experience independently reviewing greenfield projects for public and private companies.
5. I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in 43-101) and past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101.
6. I am wholly responsible for sections 1 to 12 and 23 of this Technical Report. I am partially responsible for sections 24, 25 and 26 of this technical report.
7. As of the effective date of the Technical Report, May 2nd, 2018, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information required to be disclosed to make the report not misleading.
8. I have read NI 43-101 and Form 43101F1, and the Technical Report has been prepared in compliance with that instrument and form.
9. I am independent of Minera IRL applying all the tests in section 1.5 of NI 43-101.
10. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
11. I visited the Corihuarmi Property on January 18th, 2018. This is the only time I have spent at the Property.

Dated June 20th, 2018.

David Seers MGeol, MAusIMM, CP(Geo)
