Cautionary Statement on Forward-Looking Information

Certain information in this press release constitutes "forward-looking statements." Forward-looking statements in this press release include the expectation that, with assistance from Maxwell Mercantile Inc., the Company can develop and implement an effective investor relations program and expand its exposure to the investment community. Forward looking statements are based on assumptions. While management believes these assumptions and statements are reasonable in context, forward-looking statements are inherently subject to political, legal, regulatory, business, and economic risks and competitive uncertainties and contingencies. The Company cautions readers that forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Minera IRL's actual results and future performance to be materially different than those expected or estimated future results, performance or achievements and that forward-looking statements are not guarantees of future performance, results, or achievements.

Minera IRL assumes no obligation, except as may be required by law, to update or revise them to reflect new events or circumstances. Risks, uncertainties and contingencies and other factors that might cause actual performance to differ from forward-looking statements include, but are not limited to, Peru's ability to contain the COVID-19 crisis, changes in and access to the capital or precious metals markets, and changes to legislative, political, social, health or economic developments both within Peru and in general.
