The Agents' Fee shall be due and payable at the Closing Time (as defined herein), as applicable.

The Company agrees that the Agents will be permitted to appoint, at their sole expense, and in their sole discretion, other registered dealers (or other dealers duly qualified in their respective jurisdictions) as their agents to assist in the Offering, and that the Agents may determine the remuneration payable to such other dealers appointed by them, such remuneration to be the sole responsibility of the Agents.

- (d) the conditions in Section 8.4(4), Section 8.4(5) and Section 8.4(6) shall be complied with or satisfied, with reference therein to "Closing Time" being to "Over-Allotment Option Closing Time".

## **ARTICLE 9 TERMINATION**

### **Section 9.1 All Terms to be Conditions**

The Company agrees that all terms and conditions in this Agreement shall be construed as conditions and complied with so far as they relate to acts to be performed or caused to be performed by it, that it will use its best efforts to cause such conditions to be complied with, and that any material breach or failure by the Company to comply with any such conditions shall entitle any of the Agents to terminate its obligations to effect the sale of the Debentures by notice to that effect given to the Company at any time at or prior to the Closing Time, unless otherwise expressly provided in this Agreement. It is understood that the Agents may waive, in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to the rights of the Agents in respect of any such terms and conditions or any other or subsequent breach or noncompliance, provided that to be binding on the Agents any such waiver or extension must be in writing and signed by all the Agents.

### **Section 9.2 Rights of Termination**

- (1) Without limiting any of the foregoing provisions of this Agreement, and in addition to any other remedies which may be available to them, the Agents or any of them shall be entitled, at their option, to terminate and cancel without any liability on their part, their obligations under this Agreement to effect the sale of the Debentures by giving written notice to the Company at any time prior to the Closing Time if:
  - (a) any inquiry, action, suit, investigation or other proceeding (whether formal or informal) is instituted, threatened or announced, or any order or ruling is made, threatened or announced by any Governmental Authority (other than an inquiry, action, suit, investigation, proceeding, order or ruling based solely upon the activities or alleged activities of the Agents or the Selling Firms), or any applicable law is promulgated or changed, or the administration or interpretation thereof is changed, which, in the reasonable opinion of the Agent, operates or will operate to prevent or restrict trading in or distribution of the Debentures or the Common Shares;
  - (b) there occurs any material change (actual, contemplated or threatened) or change in a material fact such as is contemplated by Section 5.3(1)(c) or the Agent becomes aware of an undisclosed material fact which, in the reasonable opinion of the Agent, has or would reasonably be expected to have a significant adverse effect on the market price or value of the Debentures or

the Common Shares or to result in purchasers of a material number of the Debentures exercising their right under the Securities Laws to withdraw from or rescind their purchase thereof or sue for damages in respect thereof;

- (c) there (A) develops, occurs or comes into effect or existence any event, action, state, condition or occurrence, including any financial occurrence, of national or international consequence or any governmental action, applicable law, inquiry or other occurrence of any nature whatsoever, or (B) has been any attack on, outbreak or escalation of hostilities or acts of terrorism, war or like event, either within or outside Canada or any other substantial national or international calamity or emergency, which, in the reasonable opinion of the Agent, seriously adversely affects, or involves, or will seriously adversely affect, or involve, the financial markets or the business, operations or affairs of the Company and the Lender, taken as a whole;
  - (d) there comes into effect, or is announced by the appropriate Governmental Authorities, any change or any proposed change in the Income Tax Act, current administrative decisions or practices or court decisions or any other applicable laws or rules which, in any such case, in the opinion of the Agent, might reasonably be expected to have a material adverse effect on the tax treatment of interest payments on the Debentures or of dividends or other distributions made by the Company to holders of the Common Shares, or on the tax consequences associated with the purchase, holding or resale of the Debentures or the Common Shares (including a conversion of the Debentures pursuant to the Indenture) or on any payment or distribution that would be made by the Company to the holders thereof;
  - (e) the Company shall be in breach or default under or non-compliance with any material representation, warranty, term or condition of this Agreement; or
  - (f) the state of financial markets in Canada or elsewhere where it is planned to market the Debentures is such that, in the reasonable opinion of the Agents (or any of them), the Debentures cannot be marketed profitably.
- (2) The rights of termination contained in this Article 9 may be exercised by any of the Agents and are in addition to any other rights or remedies any of the Agents may have in respect of any default, act or failure to act or non-compliance by the Company in respect of any of the matters contemplated by this Agreement or otherwise.
- (3) In the event of any such termination, there shall be no further liability on the part of the Agents to the Company, or on the part of the Company to the Agents, except in respect of any liability which may have arisen prior to or arises after such termination under Article 10. A notice of termination given by an Agent under this Article 9 shall not be binding upon any other Agent.

**ARTICLE 10**  
**INDEMNITY AND CONTRIBUTION**

**Section 10.1     Rights of Indemnity**

- (1) The Company agrees to indemnify and save harmless each of the Agents and their respective directors, officers, employees, sub-agents and shareholders (collectively, the “**Indemnified Parties**” and individually, an “**Indemnified Party**”) from and against any and all expenses, losses, claims, actions, damages or liabilities, whether joint or several (excluding loss of profits and any other indirect or consequential damages but including the aggregate amount paid in reasonable settlement of any actions, suits, proceedings or claims) and the reasonable fees, disbursements and taxes of their counsel in connection with any action, suit, proceeding, investigation or claim that may be made or threatened against any Indemnified Party or in enforcing this indemnity (each a “**Claim**” and, collectively, the “**Claims**”) to which an Indemnified Party may become subject or otherwise involved in any capacity insofar as the Claims arise out of or are based upon, directly or indirectly, on the performance of professional services rendered to the Company by the Indemnified Party in connection with the Offering, including without limitation:
  - (a) any information or statement in the Offering Documents or any other material filed in compliance or intended compliance with applicable Securities Laws being or being alleged to be a misrepresentation or untrue, or any omission or alleged omission to state therein any material information (other than any information or statement relating solely to the Agents and provided by them in writing expressly for inclusion therein);
  - (b) any breach of or default under any representation, warranty, covenant or agreement of the Company in the Agreement or any other document delivered pursuant to the Agreement or under applicable Securities Laws, or the failure by the Company to comply with any of its obligations under the Agreement or under applicable Securities Laws;
  - (c) the Company not complying with any requirement of applicable Securities Laws, or any breach or violation or alleged breach or violation of any Securities Laws or other applicable legislation of any jurisdiction;
  - (d) any order made or any inquiry, investigation, or proceeding instituted, threatened or announced by any Governmental Authority (except any such proceeding or order based solely upon the activities of any of the Agents) or any change of law or the interpretation or administration thereof which operates to prevent or restrict the trading in or the distribution of the Debentures, or any other securities of the Company or any of them in any of the Qualifying Jurisdictions; or
  - (e) all actions in connection with the Over-Allotment Option and market stabilization (other than in connection with any disclosure related solely to the Agents as provided in writing by or on behalf of the Agents);

whether performed before or after the Company's execution of this Agreement and to reimburse each Indemnified Party forthwith, upon demand, for any legal or other expenses reasonably incurred by such Indemnified Party in connection with any Claim.

- (2) If and to the extent that a court of competent jurisdiction, in a final non-appealable judgement in a proceeding in which an Indemnified Party is named as a party, determines that a Claim was caused by or resulted from an Indemnified Party's breach of this Agreement, gross negligence, fraudulent act or wilful misconduct, this indemnity shall cease to apply to such Indemnified Party in respect of such Claim and such Indemnified Party shall reimburse any funds advanced by the Company to the Indemnified Party pursuant to this indemnity in respect of such Claim. The Company agrees to waive any right the Company might have of first requiring the Indemnified Party to proceed against or enforce any other right, power, remedy or security or claim payment from any other Person before claiming under this indemnity.
- (3) If any Claim is brought against an Indemnified Party or an Indemnified Party has received notice of the commencement of any investigation in respect of which indemnity may be sought against the Company, the Indemnified Party will give the Company prompt written notice of any such Claim of which the Indemnified Party has knowledge and the Company will undertake the investigation and defence thereof on behalf of the Indemnified Party, including the prompt employment of counsel acceptable to the Indemnified Parties affected acting reasonably, and the payment of all expenses, provided that no settlement of any such Claim or admission of liability and no settlement, compromise or termination of any Claim, or investigation may be made by the Company, without the prior written consent of the Indemnified Parties, acting reasonably, or unless such settlement, compromise or judgment: (i) includes an unconditional release of the Indemnified Party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or failure to act, by or on behalf of any Indemnified Party. Failure by the Indemnified Party to so notify shall not relieve the Company of its obligation of indemnification hereunder unless (and only to the extent that) such failure results in forfeiture by the Company of substantive rights or defences.
- (4) Notwithstanding that the Company will undertake the investigation and defence of any Claim, an Indemnified Party will have the right to employ separate counsel with respect to such Claim and participate in the defence thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Party unless:
  - (a) employment of such counsel has been authorized in writing by the Company;
  - (b) the Company has not assumed the defence of the action within a reasonable period of time after receiving notice of the Claim;
  - (c) the named parties to any such Claim include both the Company and the Indemnified Party and the Indemnified Party shall have been advised by

counsel to the Indemnified Party that there may be a conflict of interest between the Company and the Indemnified Party; or

- (d) there are one or more defences available to the Indemnified Party which are different from or in addition to those available to the Company;

in which case such fees and expenses of such counsel to the Indemnified Party will be for the Company's account. The rights accorded to the Indemnified Parties hereunder shall be in addition to any rights an Indemnified Party may have at common law or otherwise.

- (5) The Company hereby constitutes the Agents as trustees for the affiliates, directors, officers, employees, partners, agents, advisors and shareholders of the Agents for the covenants of the Company contained in this Article 10 with respect to the affiliates, directors, officers, employees, partners, agents, advisors and shareholders of the Agents and the Agents agree to accept such trust and to hold it and such covenants on behalf of such Persons. The Company hereby acknowledges that the covenants of the Company are intended to be for the benefit of, and directly enforceable by, each Indemnified Party.
- (6) With respect to the contribution provisions provided in Section 10.3 and Section 10.4 of this Article 10, the Company agrees that, in any event, no Indemnified Party shall have any liability (either direct or indirect, in contract or tort or otherwise) to the Company or any Person asserting claims on the Company's behalf or in right for or in connection with the Offering, except to the extent that any losses, expenses, claims, actions, damages or liabilities incurred by the Company are determined by a court of competent jurisdiction in a final judgement (in a proceeding in which the Agents are a party) that has become non-appealable to have resulted from the breach of this Agreement, gross negligence, fraudulent act or wilful misconduct of such Indemnified Party.
- (7) The Company also agrees that if any action, suit, proceeding or claim shall be brought against, or an investigation commenced in respect of, the Company or the Company and the Agents and personnel of the Agents shall be required to testify, participate or respond in respect of or in connection with the transactions contemplated hereby, the applicable Agent shall have the right to employ its own counsel in connection therewith and the Company will reimburse the Agent monthly for its disbursements and reasonable out-of-pocket expenses as may be incurred, including fees and disbursements of the Agents' Counsel.

## **Section 10.2 Failure to Provide Copy of Prospectus**

The rights of indemnity contained in this Article 10 will not enure to the benefit of the Agents if the Company has complied with the provisions of Section 2.2(5) and Section 5.3(1), Section 6.1 and Section 6.2 and the Person asserting any Claim contemplated by this Article 10 was not provided with a copy of any Prospectus or Supplementary Material which corrects any untrue statement, information, misrepresentation or omission which is the basis of the Claim and which under Securities Laws is required to be delivered

to that Person by the Agents or another member of another member of any selling, banking or other group formed for the distribution of the Debentures, including the Selling Firms.

### **Section 10.3 Rights of Contribution**

- (1) In order to provide for just and equitable contribution in circumstances in which the indemnity provided in Section 10.1 would otherwise be available in accordance with its terms but is, for any reason not attributable to any one or more of the Indemnified Parties, held to be unavailable to or unenforceable by an Indemnified Party or is insufficient to hold the Indemnified Party (or any of them) harmless, the Company shall contribute to the amount paid or payable (or, if such indemnity is unavailable only in respect of a portion of the amount so paid or payable, such portion of the amount so paid or payable) by such Indemnified Party as a result of such liabilities, claims, demands, losses, costs, damages and expenses:
  - (a) in such proportion as is appropriate to reflect not only the relative benefits received by the Company or the Company's shareholders on the one hand and the Indemnified Parties on the other from the Offering, but also the relative fault of the parties and other equitable considerations which may be relevant; or
  - (b) if the allocation provided by Section 10.3(1)(a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in Section 10.3(1)(a) above but also the relative fault of the Company on the one hand and the Agents on the other hand in connection with the matters or things referred to in which resulted in such liabilities, claims, demands, losses, costs, damages or expenses, as well as any other relevant equitable considerations,

provided that the Agents shall not in any event be liable to contribute, in the aggregate, any amount in excess of the Agents' Fee or any portion thereof actually received.

- (2) The relative benefits received by the Company on the one hand and the Agents on the other shall be deemed to be in the same ratio as the total proceeds from the Offering (net of the Agents' Fee payable to the Agents but before deducting expenses) received by the Company is to the Agents' Fee received by the Agents.
- (3) The relative fault of the Company on the one hand and of the Agents on the other shall be determined by reference to, among other things, whether the matters or things referred to in Section 10.1 which resulted in such Claims relate to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Company or to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Agents and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission or misrepresentation, or other matter or thing referred to in Section 10.1. The amount paid or payable by an Indemnified Party as a result of the Claims referred to above

shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such Claim.

- (4) The parties agree that it would not be just and equitable if contribution pursuant to this section were determined by any method of allocation which does not take into account the equitable considerations referred to in this section.

#### **Section 10.4 Rights of Contribution in Addition to Other Rights**

The rights to contribution provided in this section shall be in addition to and not in derogation of any other right to contribution which the Agents may have by statute or otherwise at law.

#### **Section 10.5 Calculation of Contribution**

In the event that the Company may be held to be entitled to contribution from the Agents under the provisions of any statute or at law, the Company shall be limited to contribution in an amount not exceeding the lesser of:

- (a) the portion of the full amount of the loss or liability giving rise to such contribution for which the Agents are responsible, as determined in Section 10.3 or Section 10.4, as the case may be, and
- (b) the amount of the Agents' Fee actually received by the Agents from the Company under this Agreement, and an Agent shall in no event be liable to contribute any amount in excess of such Agent's portion of the Agents' Fee actually received under this Agreement.

#### **Section 10.6 Notice**

If the Agents have reason to believe that a claim for contribution may arise, they shall give the Company notice of such claim in writing, as soon as reasonably possible, but failure to notify the Company shall not relieve the Company of any obligation which it may have to the Agents under this Article 10.

#### **Section 10.7 Right of Contribution in Favour of Others**

With respect to this section, the Company acknowledges and agrees that the Agents are contracting on their own behalf and as agents for their affiliates, directors, officers, employees, partners, agents, advisors and shareholders. The Agents' respective obligations to contribute pursuant to this Article 10 are several and not joint or joint and several.

### **ARTICLE 11 AGENTS' EXPENSES, OBLIGATIONS AND AUTHORITY**

#### **Section 11.1 Expenses**

Whether or not the transactions contemplated by this Agreement shall be completed, all expenses of or incidental to the issue, sale and delivery of the Debentures and all

expenses of or incidental to all other matters in connection with the transactions set out in this Agreement shall be borne by the Company, including, without limitation, prospectus filing fees, stock exchange listing fees, printing costs, the fees, taxes and disbursements of the Company's legal counsel, auditors, accountants, translators, roadshow consultants, printers and other consultants and service providers retained by the Company. In addition, the Company will reimburse the Agents upon request for the fees, taxes and disbursements of the Agents (not to exceed \$25,000 in the aggregate without the prior written approval of the Company) and Agents' Counsel (not to exceed \$120,000) (collectively, the "**Agents' Expenses**"), together with related federal and provincial sales taxes, such Agents' Expenses to be paid upon receipt of the Agents' statement of expenses: (i) at the Closing or (ii) upon termination of this Agreement.

### **Section 11.2 Authority of Canaccord**

The Company shall be entitled to and shall act on any notice, request, direction, consent, waiver, extension and other communication given or agreement entered into by or on behalf of the Agents by Canaccord who shall represent the Agents and have authority to bind the Agents hereunder except in respect of any notice of termination or waiver under Article 9 or any matter referred to in Article 10. In all cases, Canaccord shall use its best efforts to consult with the other Agents prior to taking any action contemplated herein.
