**CSE: SRS**

VANCOUVER, May 3, 2018 /CNW/ - **Shamrock Enterprises Inc.** ("Shamrock" or the "Company"), a Canadian mineral exploration company, is pleased to announce the appointment of Mr. Charles J. Greig P. Geo. to the Board of Directors. Mr. Greig brings over 30 years of a wide-range of geological, project management and mineral exploration background to the company.

Mr. Greig has worked on a variety of significant projects in the Province of B.C. including Brucejack Lake (Pretivm), Red Mountain (Lac Minerals, IDM), Silbak Premier (Westmin, Ascot), and IKE (HDI-Amarc). He also has extensive international experience, having worked on projects such as La India in Mexico (Grayd, Agnico Eagle) and Bisha in Eritrea (Nevsun). He is currently Vice President, Exploration and a Director of GT Gold where he led the recent discovery of the Saddle zone, a high grade precious metal discovery on their Tatogga property in the Golden Triangle area of Northern B.C.. Mr. Greig is a graduate from the University of British Columbia, with a B.Comm. (1981), a B.Sc. (Geology 1985), and an M.Sc. (Geology, 1989). Mr. Greig's fields of expertise include geologic mapping, structural geology and exploration geology.

Scott Ansell, Director of Shamrock stated, "I want to welcome Charlie to the Shamrock team and as a member of the Board of Directors. Charlie is a high quality person and an excellent geologist. We greatly appreciate the value he brings to Shamrock with his vast knowledge and experience with the geology and exploration of British Columbia and Yukon. Shamrock looks forward to introducing his expertise to all our projects as we move forward with our exploration programs in the next few months."
