The Meeting was held, in part, to allow shareholders of the Company the opportunity to choose between two slates of directors, the Management Directors’ slate and the Concerned Shareholders’ slate as more particularly set out in the management information circular dated January 28, 2020 and the Concerned Shareholders dissent proxy circular dated February 7, 2020, respectively, as filed on SEDAR.

A total of 7,382,852 common shares were represented at the Meeting either in person or by proxy representing approximately 57.22% of the issued and outstanding shares of the Company.

Advance proxy votes received in favour of the Concerned Shareholder’s nominees totaled approximately 5,400,324 shares or 41.85% compared to 1,966,025 shares or 15.24% for management’s nominees. Mr. Christensen holds a Bachelor of Commerce degree from the University of Calgary.

The Company’s new management and directors are eager to begin the work required to move Aurwest forward, including implementing the Financial Plan as set out in the Dissident Proxy Circular dated February 7, 2020 available for review at [www.sedar.com](http://www.sedar.com). The Financial Plan is specifically structured to reverse the Company’s position by improving the current working capital deficiency and negative balance sheet structure. Furthermore, this plan will provide market liquidity and growth through strategic financings and a marketed corporate profile to attract new investors.

Additionally at the Meeting, the shareholders re-appointed Charlton & Company as the auditors of the Company.

Colin Christensen commented “*On behalf of the Board I would like to express my sincere gratitude to all those who supported us in this re-organization, and to those who did not vote for us we hope to soon earn your support as we move forward.*”
