

# Aurwest Resources Corporation to Present at the Adelaide Capital's Atlantic Canada Virtual Conference on Feb 23, 2021

Calgary, Alberta--(Newsfile Corp. - February 12, 2021) - Aurwest Resources Corporation (**CSE: AWR**) ("**Aurwest**" or the "**Company**") is pleased to announce that the company will be participating in a virtual mini-conference hosted by Adelaide Capital on February 23<sup>rd</sup> at 1:40 PM Eastern Time, followed by a question-and-answer period. The conference will showcase a curated group of mining companies with operations in Atlantic Canada, which we see as an up and coming region for mineral exploration. Please register here if you would like to participate: [Adelaide Capital's Atlantic Canada Conference](#). The webinar will also be live streamed on YouTube for those who are unable to access Zoom: [Adelaide Capital YouTube Channel](#).

Questions may be asked during the webinar or can be emailed ahead of time to [info@adcap.ca](mailto:info@adcap.ca). A replay will be made available after the event on the Adelaide Capital YouTube channel as well.

## About Aurwest Resources Corporation

Aurwest is a Canadian-based junior resource company focused on the acquisition, exploration, and development of gold properties in Canada. The Company currently has two Option Agreements to earn a 100% interest in Paradise Lake a 23,600-hectare (236 km<sup>2</sup>) package of gold exploration licenses within the emerging Central Newfoundland gold district. The Company currently holds a 100% interest in the Stellar copper/gold Project, located approximately 25 kilometers southwest of Houston British Columbia.

## Forward-Looking Information

Statements included in this announcement, including statements concerning our plans, intentions, and expectations, which are not historical in nature are intended to be, and are hereby identified as "forward-looking statements". Forward looking statements may be identified by words including "anticipates", "believes", "intends", "estimates", "expects" and similar expressions. The Company cautions readers that forward-looking statements, including without limitation: additional exploration of the Properties may not locate significant gold mineralization, the exploration program may not be completed as planned or at all; the Company may not be able to assemble a seasoned exploration team, the path finder elements may not be indicative of gold mineralization; the western margin of the Dunnage zone may not be located within the Property; the structural elements of the Central Newfoundland Gold Belt and not be similar to the Abitibi and Fosterville gold camps; the Company's ability to raise additional funding to conduct exploration; receipt of permits to conduct the exploration plans and matters relating to the Company's future operations and business prospects; certain risks and uncertainties that could cause actual results to differ materially from those indicated in the forward-looking statements. Readers are advised to rely

on their own evaluation of such risks and uncertainties and should not place undue reliance on forward-looking statements. Any forward-looking statements are made as of the date of this news release, and the Company assumes no obligation to update the forward-looking statements, except in accordance with the applicable laws.
