Prior to the offering, Mr. Sprott did not beneficially own or control any securities of the Company.

The Units were acquired for investment purposes. Mr. Sprott has a long-term view of the investment and may acquire additional securities of the Company including on the open market or through private acquisitions or sell the securities including on the open market or through private dispositions in the future depending on market conditions, reformulation of plans and/or other relevant factors.

Mr. Cameron MacDonald, Chairman of Aurwest commented, "The Company is very pleased with the outcome of this oversubscribed financing. In just 15 months we have worked diligently to reorganize the Company, and now have a strong balance sheet to support our focused exploration plans for 2021/22. Aurwest is now fully financed to meet its capital commitments through 2022 and is strategically positioned to accelerate our exploration plans in Newfoundland. Supported by a strong roster of new shareholders which now includes Mr. Eric Sprott, Aurwest is very excited about the exciting 2021/22 field season as we pursue a sizeable amount of exploration in the coming months."

Certain directors, officers and other insiders of the Company ("**Interested Parties**") purchased or acquired direction or control over an aggregate of 486,666 Common Shares (206,666 Ordinary Units and 280,000 FT Units) as part of the Private Placement. The placement to those persons constitutes a "related party transaction" within the meaning of Multilateral Instrument 61-101 *Protection of Minority*

Security Holders in Special Transactions ("MI 61-101"). Notwithstanding the foregoing, the directors of the Company have determined that the Interested Parties' participation in the Offering will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 in reliance on the exemptions set forth in sections 5.5(a) and 5.7(1)(a) of MI 61-101 on the basis that, at the time the Private Placement was agreed to, neither the fair market value of the securities to be distributed in the Private Placement nor the consideration to be received for those securities, in so far as the Private Placement involves the Interested Parties, exceeds \$2,500,000. The Company did not file a material change report 21 days prior to the closing of the Private Placement as the details of the participation of Interested Parties had not been confirmed at that time.

The proceeds of the Private Placement will be used primarily to fund Aurwest's continuing exploration program in Newfoundland on its expansive 47,800 hectares 100% owned projects at Paradise Lake and Stony Caldera. A portion of the proceeds will also be used to further the Company's exploration program at Stellar, B.C. and for general working capital purposes.
