MERCURY CAPITAL TO ACQUIRE CANADA COAL

Mercury Capital Limited (“Mercury Capital”) is pleased to announce the execution of an agreement (the “Agreement”), on June 30, 2011, with Canada Coal Inc. (“Canada Coal”) in respect to a proposed business combination to be effected by way of amalgamation (the “Amalgamation”) of the parties. It is anticipated that the issuer resulting from the Amalgamation (the “Resulting Issuer”) will be known as “Canada Coal Inc.” or such other similar name, subject to TSX Venture Exchange approval (the “Exchange”).

ABOUT CANADA COAL INC.

Canada Coal is a junior exploration and development company incorporated on August 26, 2010 under the laws of the *Business Corporations Act* (Ontario). The principal business activity of the Company is the acquisition, exploration and development of coal properties in Nunavut.

Canada Coal’s mineral interests are held through two wholly-owned subsidiaries, namely (i) Canadian Sovereign Coal Corp. (“CSC”), a British Columbia company and (ii) 5200 Nunavut Ltd. (“5200”), a Nunavut company. In aggregate, CSC and 5200 hold 2,439,438 acres consisting of 74 coal licenses and/or coal license applications located on Ellesmere Island and Axel Hieberg Island in Nunavut.

Canada Coal has raised, to date, \$4,300,000 through the sale of common shares. Canada Coal currently has approximately \$3,600,000 in cash on hand with no debt.

Canada Coal currently has 31,500,000 common shares issued and outstanding and 24,400,000 warrants and stock options outstanding. It has 52 registered shareholders. The largest shareholder of Canada Coal is AlphaNorth Offshore Inc. which holds 3,187,500 common shares (10.12%). The next largest shareholder is Marksman Geological Ltd. which holds 3,000,000 common shares (9.52%).

On or prior to the closing of the transactions contemplated herein, Canada Coal intends to complete a minimum \$20 million and maximum \$30 million private placement of its securities (the “Proposed Financing”). In this regard, Canada Coal has executed an engagement letter dated June 9, 2011 with Casimir Capital Ltd. (“Casimir”) whereby Casimir has agreed to act as lead agent on behalf of a syndicate of agents to complete the Proposed Financing.

Pursuant to the Proposed Financing, Canada Coal will issue units (“Units”) at a subscription price of \$0.80 per Unit, consisting of one common share and one-half of one transferrable common share purchase warrant (each whole warrant, a “Warrant”). Each Warrant will be exercisable for one common share of Canada Coal at an exercise price of \$1.10 for a period of 36 months from closing of the Proposed Financing. The Proposed Financing is subject to a 15% over allotment option in favour of the placement agents exercisable within 30 days of closing of

the Proposed Financing. The terms of the Proposed Financing may change in accordance with market conditions and the further agreement of Mercury Capital.

ABOUT THE TRANSACTION

On June 30, 2011, Mercury Capital and Canada Coal signed the Agreement pursuant to which they have agreed to proceed with an amalgamation which is expected to constitute a "Qualifying Transaction" for Mercury Capital as defined in Policy 2.4 of the Exchange's Corporate Finance Manual. The transaction is subject to shareholder approval from both companies as well as Exchange approval. Upon completion of the Amalgamation, the Resulting Issuer (as defined in Exchange Policy 2.4) will be considered a Tier 1 mining issuer (as defined in Exchange Policy 2.1).

The Qualifying Transaction will be completed by way of business combination agreement entered into between Mercury Capital and Canada Coal (the "**Combination Agreement**"). Under the Combination Agreement, holders of common shares and other securities (options and warrants) of Canada Coal and of Mercury Capital will each receive common shares and other securities (options and warrants) of the Resulting Issuer on a one-for-one basis. Accordingly, the existing 259,975 stock options of Mercury Capital will be exchanged for 259,975 options of the Resulting Issuer with an exercise price of \$0.20 per share, 244,975 existing warrants of Mercury Capital will be exchanged for 244,975 warrants of the Resulting Issuer with an exercise price of \$0.20 per share. A total of 1,300,000 existing stock options of Canada Coal will be exchanged for 1,300,000 options of the Resulting Issuer with an exercise price of \$0.20 per share; 1,600,000 broker warrants of Canada Coal will be exchanged for 1,600,000 broker warrants of the Resulting Issuer with an exercise price of \$0.20 per share and 21,500,000 warrants of Canada Coal will be exchanged for 21,500,000 warrants of the Resulting Issuer with an exercise price of \$0.30 per share.

After completion of the Amalgamation and assuming the completion of the minimum Proposed Financing (on the terms described above), an aggregate of 59.8 million common shares of the Resulting Issuer will be issued and outstanding or 97.3 million common shares on a fully-diluted basis, assuming exercise of all stock options and warrants. The shareholders of Mercury Capital will own 3,349,750 common shares or 5.6% of the issued and outstanding common shares of the Resulting Issuer while the shareholders of Canada Coal will own 31.5 million common shares or 52.6% of the issued and outstanding common shares of the Resulting Issuer.

After completion of the Amalgamation and assuming the completion of the maximum Proposed Financing (on the terms described above) an aggregate of 72.35 million common shares of the Resulting Issuer will be issued and outstanding or 116.004 million common shares on a fully-diluted basis, assuming exercise of all stock options and warrants. The shareholders of Mercury Capital will own 3,349,750 million common shares or 4.63% of the issued and outstanding common shares of the Resulting Issuer while the pre-amalgamation shareholders of Canada Coal will own 31.5 million common shares or 43.54% of the issued and outstanding common shares of the Resulting Issuer.

The Amalgamation constitutes an arm's length transaction according to the policies of the Exchange.

CONDITIONS PRECEDENT TO CLOSING THE TRANSACTION

The parties' obligations to complete the Amalgamation and related transactions are subject to the satisfaction of the usual conditions precedent including, among others:

- all necessary approvals to enable the Amalgamation to be carried out have been obtained from the Exchange, the shareholders of Mercury Capital and Canada Coal, and all other regulatory authorities and third parties having jurisdiction;
- the parties being satisfied with the results of their due diligence reviews; and
- the resignation of the existing officers and directors of Mercury Capital in favour of nominees of Canada Coal.

SPONSORING BROKER

As of the date hereof, no sponsoring broker has been engaged in connection with the proposed Transaction.
