Dear Sir/Madam:

Re: Mobilman Management Inc.

We refer to the Form 2A Listing Statement ("Listing Statement") of Surrey Capital Corp ("SCC") dated February 25, 2015 relating to acquisition of all the issued and outstanding common shares of Mobilman Management Inc. (the "Company") in exchange for 15,000,000 common shares of SCC.

We consent to being named and to the use through incorporation by reference in the above-mentioned Listing Statement, of our report dated January 26, 2015, to the Shareholders of the Company on the following financial statements:

- a. Balance sheet as at June 30, 2014; and,
- b. Statements of operations and comprehensive loss, shareholders' equity and cash flows and the notes to the financial statements for the year June 30, 2014.

We were not engaged to report on the comparative information, and as such, it is unaudited. As the Company was incorporated in May 2013, the comparative period has one month and ended on June 30, 2013.

We report that we have read the Listing Statement and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a result of our audit of such financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the Listing Statement as these terms are described in the CPA Canada Handbook – Assurance.

Yours truly,

A.B. Accounting and Consultation Inc.
