Subscribe Technologies Closes Non-Brokered Private Placement

Vancouver, British Columbia / June 28, 2018 – Subscribe Technologies Inc. (the “Company”) (CSE: SAAS) (Frankfurt: 6GQ) (OTCPK: SRBBF) is pleased to announce that the Company has closed a non-brokered private placement of up to 7,500,000 units at price of \$0.08 per unit, for gross proceeds of \$600,000. Each unit will consist of one common share and one transferable common share purchase warrant, each warrant entitling the holder to acquire one additional common share of the Company at a price of \$0.14 per common share for a period of three years from the date of closing.

The Company paid a finder’s fee of 8% cash to Leede Jones Gable Inc. All Shares issued pursuant to the private placement are subject to a four month hold period in Canada. The net proceeds of the private placement will be used for general working capital.

With this financing the Company welcomes a new, predominantly US based investment network as shareholders, who collectively possess significant experience working with and investing in public micro cap, software as a service, and technology focused companies.

President and CEO Paul Dickson states, "This strategic financing welcomes a group who recognize the potential to scale a world class SaaS based technology company with the powerful leverage of a public vehicle. With their collaboration and support, we look forward to taking our Subscribe suite of small business app solutions to the next level."

About Subscribe Technologies Inc.

Subscribe Technologies is a global software and technology development agency which particularly develops, partners with, acquires, and invests in cloud based distributed ledger compatible software as a service (SaaS) solutions for small and medium sized enterprises (SMEs).
