

SUBSCRIBE TECHNOLOGIES INC.

INFORMATION CIRCULAR

(Containing information as at November 8, 2018 unless indicated otherwise)

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Subscribe Technologies Inc. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of its shareholders to be held on **December 14, 2018** at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Circular, references to “the Company”, “we” and “our” refer to Subscribe Technologies Inc. “**common shares**” means common shares without par value in the capital of the Company. “**Beneficial Shareholders**” means shareholders who do not hold common shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the common shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY INSERTING THE NAME OF THAT OTHER PERSON IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your common shares are held in physical form (ie. paper form) and are registered in your name, then you are a registered shareholder (“**Registered Shareholder**”). However, if, like most shareholders, you keep your common shares in a brokerage account, then you are a Beneficial Shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all shareholders.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the common shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your common shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified or where both choices have been specified, in favour of all matters described herein, the persons named in the Proxy will vote the common shares represented by the Proxy for the approval of such matter.

Notice and Access

The Company is not sending this Circular to registered or beneficial shareholders using “notice-and-access” as defined under National Instrument 54-101.

Registered Shareholders

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Company’s registrar and transfer agent, Computershare Investor Services Inc. (“**Computershare**”), will appear on a list of shareholders prepared by the registrar and transfer agent for purposes of the Meeting. To vote in person at the Meeting each registered shareholder or NOBO will be required to register for the Meeting by identifying themselves at the registration desk. Non-registered beneficial shareholders (other than NOBOs) must appoint themselves as a proxyholder to vote in person at the Meeting.

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company’s transfer agent, Computershare, by mail or by hand to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; or
- (b) using the Internet through the website of the Company’s transfer agent at <http://www.investorvote.com>. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder’s account number and the Proxy control number.

In all cases ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold common shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of common shares).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder’s name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for “**Objecting Beneficial Owners**”) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for “**Non-Objecting Beneficial Owners**”).

Pursuant to National Instrument 54-101 of the Canadian Securities Administrators, the Company is sending proxy-related materials directly to NOBOs, which materials will include a scannable Voting Instruction Form (a “**VIF**”). These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and Internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under National Instrument 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

Every intermediary that mails proxy-related materials to Beneficial Shareholders has its own mailing procedures and provides its own return instructions to clients. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their common shares are voted at the Meeting.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a voting instruction form (the “**Broadridge VIF**”) which will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. The Broadridge VIF will appoint the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **If you receive a Broadridge VIF, you cannot use it to vote common shares directly at the Meeting – the Broadridge VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the common shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your common shares in that capacity. **If you wish to attend at the Meeting and indirectly vote your common shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.**

Alternatively, you can request in writing that your broker send you a legal Proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your common shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or to the address of the registered office of the Company at Suite 804 – 750 West Pender Street, Vancouver, British Columbia, V6C 2T7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein. Directors and executive officers may, however, be interested in the annual approval of the Company’s stock option plan as detailed in “Particulars of Matters to be Acted Upon –Re-approval of Stock Option Plan”.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed November 7, 2018 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their common shares voted at the Meeting.

As at the Record Date, there were 47,038,280 common shares issued and outstanding, each carrying the right to one vote.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at Computershare and will be available at the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the voting rights attached to the voting securities of the Company.

SETTING NUMBER OF DIRECTORS

The persons named in the enclosed Proxy intend to vote in favour of fixing the number of directors at four (4). The Board proposes that the number of directors remain at four (4). Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be fixed at four (4).

The term of office of each of the current directors expires at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the Board of a company whose members are elected by and are accountable to the shareholders of the Company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. Effective June 30, 2005, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate

governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Company's Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Company's Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Company's Board is responsible for monitoring the Company's officers, who in turn are responsible for the maintenance of internal controls and management information systems.

The independent member of the Board is Harvey D. Dick. The non-independent directors are Paul E. Dickson, who is the President and CEO of the Company and Christopher P. Cherry, who is the CFO of the Company.

Directorships

The following director of the Company is a director of other reporting issuers:

Christopher P. Cherry

Mr. Cherry is a current director of each 1040436 BC Ltd., 1040440 BC Ltd., American Biofuels Inc., Block One Capital Inc., Cervantes Capital Corp., C21 Investments Inc., Corsurex Resource Corp., Graphite Energy Corp., Harvest Gold Corporation, Petrichor Energy Inc., NRG Metals Inc., Prevent Health Care International Corp., Wellstar Energy Corp. and Zenith Exploration Inc.

No other director of the Company is a director of other reporting issuers.

Orientation and Continuing Education

The Corporate Governance and Nominating Committee, with the assistance of the management of the Company, is responsible for providing an orientation for new directors. Director orientation and ongoing training will include presentations by senior management to familiarize directors with the Company's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its principal officers and its internal and independent auditors.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the audit committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

When a Board vacancy occurs or is contemplated, any director or officer may make recommendations to the Corporate Governance and Nominating Committee as to qualified individuals for nomination to the Board.

In identifying new candidates, the Corporate Governance and Nominating Committee will take into account the mix of director characteristics and diverse experiences, perspectives and skills appropriate for the Company at that time.

Compensation

The Board as a whole determines compensation for the directors and officers. To make its recommendations on such compensation, the Board takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies, as well as the success of the directors and officers in helping the Company to achieve its objectives and the Company's financial resources.

Other Board Committees

The Board has no other standing committees other than the Audit Committee, Compensation Committee, and the Corporate Governance and Nominating Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees. The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal periodic assessments of the effectiveness of the Board, its committees and the individual directors to satisfy itself that they are performing effectively. The assessment of the Board relates to the ongoing governance and operation of the Board and its effectiveness in discharging its responsibilities. The assessment of individual directors is comprised of an examination of each individual director's ability to contribute to the effective decision-making of the Board.

STATEMENT OF EXECUTIVE COMPENSATION

Executive Compensation

In this section "Named Executive Officer" ("NEO") means the CEO, the CFO and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was more than \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

During the year ended June 30, 2018, the Company had two NEOs; Paul E. Dickson, the President and CEO of the Company, and Christopher P. Cherry, CFO of the Company.

Compensation Discussion and Analysis

The Board has not appointed a compensation committee so the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Company's base compensation structure and equity-based compensation programs, recommending compensation of the Company's officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company. The Board receives independent competitive market information on compensation levels for executives.

The compensation for executives includes four components: base consulting fees, bonus (if applicable), stock options and perquisites. As a package, the compensation components are intended to satisfy the objectives of the compensation program (that is, to attract, retain and motivate qualified executives). There are no predefined or standard termination payments, change of control arrangements or employment contracts.

Philosophy and Objectives

The Company's compensation policies and programs are designed to be competitive with similar mining exploration companies and to recognize and reward executive performance consistent with the success of the Company's business. The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including (a) attracting and retaining talented, qualified and effective executives, (b) motivating the short and long-term performance of these executives; and (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has encouraged equity participation and in furtherance thereof employs its stock option plan.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation has been accomplished through the issuance of founder's shares and the Company's stock option plan. Stock options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base consulting fees and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board.

Given the evolving nature of the Company's business, the Board continues to review the overall compensation plan for senior management so as to continue to address the objectives identified above.

Option-Based Awards

The Board has adopted a 10% rolling stock option plan (the "Plan").

The Plan provides incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes stock option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. All stock option grants require approval of the Board.

The stock option plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company.

See Particulars of Matters to be Acted Upon – Approval of 10% Rolling Stock Option Plan for further information on the Company's stock option plan.

PARTICULARS OF MATTERS TO BE ACTED UPON

Re-Approval of Stock Option Plan

As at the date of this Circular, the Company's only incentive plan is the Plan which was re-approved by the shareholders at the Company's annual general and special meeting held on December 15, 2017 pursuant to the Company's Circular dated November 13, 2017, which is available on SEDAR at www.sedar.com.

The Plan was established to provide incentive to directors, officers and employees and consultants. As a 10% rolling plan the aggregate number of common shares issuable as options under the Plan may be up to 10% of the Company's issued and outstanding common shares on the date on which an option is granted, less common shares reserved for issuance on exercise of options then outstanding under the Plan. The purpose of the Plan is to advance the interests of the Company by encouraging equity participation in the Company through the acquisition of common shares of the Company. The Plan is administered by the Board and options are granted at the discretion of the Board to eligible optionees (an "Optionee").

Eligible Optionees

To be eligible to receive a grant of options under the Plan, regulatory authorities require an Optionee to be either a director, officer, employee, consultant or an employee of a company providing management or other services to the Company or a subsidiary at the time the option is granted.

Options may be granted only to an individual eligible, or to a non-individual that is wholly-owned by individuals eligible, for an option grant. If the option is granted to a non-individual, it will not permit any transfer of its securities, nor issue further securities, to any individual or other entity as long as the option remains in effect.

Restrictions

The Plan is subject to the following restrictions:

- (a) The Company must not grant an option to a director, employee, consultant, or consultant company (the “**Service Provider**”) in any 12-month period that exceeds 5% of the outstanding common shares of the Company, unless the Company has obtained approval by a majority of the Disinterested Shareholders (defined below) of the Company;
- (b) The aggregate number of options granted to a Service Provider conducting investor relations activities in any 12 month period must not exceed 2% of the outstanding shares calculated at the date of the grant, without prior regulatory approval;
- (c) The Company must not grant an option to a Consultant in any 12 month period that exceeds 2% of the outstanding shares calculated at the date of the grant of the option;
- (d) The aggregate number of common shares reserved for issuance under options granted to Insiders (defined below) must not exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (e) The number of optioned shares issued to Insiders in any 12 month period must not exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (f) The issuance to any one Optionee within a 12 month period of a number of common shares must not exceed 5% of outstanding shares unless the Company has obtained Disinterested Shareholder Approval to do so;
- (g) The exercise price of an option previously granted to an Insider must not be reduced, unless the Company has obtained Disinterested Shareholder Approval to do so; and
- (h) The Company may implement such procedures and conditions as the Board deems appropriate with respect to withholding and remitting taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law.

Definitions

“**Disinterested Shareholder Approval**” means the approval by a majority of the votes cast by all shareholders of the Company at the Meetings excluding votes attached to listed common shares beneficially owned by Insiders (defined below) of the Company and Associates (as defined in the British Columbia *Securities Act*) of Insiders.

An “**Insider**” is a director or senior officer of the Company, a director or senior officer of a company that is an Insider or subsidiary of the Company, or a person that beneficially owns or controls, directly or indirectly, voting common shares carrying more than 10% of the voting rights attached to all outstanding voting common shares of the Company.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) all options granted under the Plan expire on a date not later than 10 years after the issuance of such options. However, should the expiry date for an option fall within a trading Blackout Period (as defined in the Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), within 9 business days following the expiration of a Blackout Period;
- (c) for options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) an Option granted to (i) directors or officers will expire 90 days and (ii) to all others including, but not limited to, employees and consultants, will expire 30 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;

- (e) if an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) the exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;
- (i) in the event of a takeover bid being made to the shareholders generally, immediately upon receipt of the notice of the takeover bid, the Company shall notify each Optionee currently holding any Options, of the full particulars of the takeover bid, and all outstanding options may, notwithstanding the vesting terms contained in the Plan or any vesting requirements subject to regulatory approval; and
- (j) the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the Plan may be made by the Board without further shareholder approval. Accordingly, the Board proposes that the Plan also provide the following:

The Board may, without shareholder approval:

- (i) amend the Plan to correct typographical, grammatical or clerical errors;
- (ii) change the vesting provisions of an option granted under the Plan, if applicable;
- (iii) change the termination provision of an option granted under the Plan if it does not entail an extension beyond the original expiry date of such option;
- (iv) make such amendments to the Plan as are necessary or desirable to reflect changes to securities laws applicable to the Company;
- (v) make such amendments as may otherwise be permitted by regulatory authorities;
- (vi) if the Company becomes listed or quoted on a stock exchange or stock market senior to the CSE, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (vii) amend the Plan to reduce the benefits that may be granted to Service Providers.

Shareholder Approval

At the Meetings, the Company's shareholders will be asked to consider and vote on the ordinary resolution to re-approve the Plan, with or without variation, as follows:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT the Company's stock option plan be ratified, confirmed and approved, subject to any amendments that may be required by any applicable stock exchange or regulatory authority, as the directors of the Company may deem necessary or advisable.”

The Board recommends that shareholders vote in favour of the Plan. Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the foregoing ordinary resolution.

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

A copy of the Plan will be available for inspection at the Meeting.
