INFORMATION CIRCULAR
MANAGEMENT SOLICITATION
(Containing information as at July 10, 2013 unless otherwise stated)

SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of Telferscot Resources Inc. (the “Corporation”) for use at the Annual General and Special Meeting of the Corporation (the “Meeting”) to be held at Suite 2702, 401 Bay Street, Toronto, Ontario, M5H 2Y4, at the hour of 10:00 o’clock in the morning (Toronto time), on Monday, the 19th day of August, 2013, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers or directors of the Corporation (the “**Management Designees**”). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Transfer Agent of the Corporation, **Capital Transfer Agency, Inc., 121 Richmond Street West, Suite 401, Toronto, Ontario M5H 2K1**. A proxy can be executed by the shareholder or his attorney duly authorized in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Meeting Materials (as defined in the “Advice to Beneficial Shareholders” section below) from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) must return the proxy forms, once voted, to Broadridge for the proxy to be dealt with.

DEPOSIT OF PROXY

By resolution of the Directors duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED NOT LATER THAN 4:00 P.M. FRIDAY AUGUST 16, 2013, OR ANY ADJOURNMENT THEREOF, WITH THE CORPORATION OR ITS AGENT, CAPITAL TRANSFER AGENCY, INC.,** provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting. A return envelope has been included with this material.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, common shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder deals with in respect of the common shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant (a “**non-registered holder**”). In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Circular and the accompanying Notice of Meeting together with the form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to non-registered holders of Common Shares. Intermediaries are required to forward the Meeting Materials to non-registered holders unless a non-registered holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to non-registered holders. Generally, non-registered holders who have not waived the right to receive Meeting Materials will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the non-registered holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the non-registered holder when submitting the proxy. In this case, the non-registered holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or
- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the non-registered holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically the non-registered holder will also be given a page of instructions, which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the non-registered holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Common Shares they beneficially own. Should a non-registered holder who receives either form of proxy wish to vote at the Meeting in person, the non-registered holder should strike out the persons named in the form of proxy and insert the non-registered holder’s name in the blank space provided. Non-registered holders should carefully follow the instructions of their Intermediary including those regarding when and where the form of proxy or Voting Instruction Form is to be delivered.

All references to shareholders in this Circular and the accompanying instrument of proxy and Notice of Meeting are to Shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy for use at the Meeting will vote the shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED “FOR”:**

- (a) appointment of MNP LLP, Chartered Accountants, as the auditors of the Corporation for the ensuing year and authorizing the directors to fix their remuneration;
- (b) election of the directors as nominated by Management;

- (c) a resolution authorizing the Corporation to complete a transaction (the “**Exchange Transaction**”) with Allied Link Holdings Ltd. (“**ALH**”) pursuant to which ALH would agree to surrender its 12,237,200 common shares of the Corporation for cancellation in consideration for receiving 28.79% of the Corporation’s interest in Kolwezi Copper Corp. (“**KCC**”);
- (d) if the resolution set out in item (c) above is approved, a resolution approving a reduction in the Corporation’s stated capital to the extent necessary to complete the Exchange Transaction; and
- (c) to transact such further and other business as may properly come before the said Meeting or any adjournment of adjournments thereof.

ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

EFFECTIVE DATE

The effective date of the Circular is July 10, 2013.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Each shareholder of record will be entitled to one (1) vote for each Common Share held at the Meeting.

Holders of record of the Common Shares of the Corporation on July 10, 2013 (the “**Record Date**”) will be entitled either to attend and vote at the Meeting in person shares held by them or, provided a completed and executed proxy shall have been delivered to the Corporation as described herein, to attend and vote thereat by proxy the shares held by them. However, if a holder of Common Shares of the Corporation has transferred any shares after the Record Date and the transferee of such shares establishes ownership thereof and makes a written demand, not later than ten (10) days before the Meeting, to be included in the list of shareholders entitle to vote at the Meeting, the transferee will be entitled to vote such shares.

The authorized capital of the Corporation presently consists of an unlimited number of Common Shares, of which 42,512,200 Common Shares are issued and outstanding as fully paid and non-assessable as of the Record Date.

To the knowledge of the directors and executive officers of the Corporation, there are no parties who beneficially own, directly or indirectly, or exercise control or direction over 10% or more of any class of securities of the Corporation other than as follows:

<u>Name of Share holder</u>	<u>Number and Type of Securities</u>	<u>Percentage of Class</u>	<u>Percentage of Voting Securities</u>
Allied Link Holdings Ltd.	12,237,200 Common Shares	28.79%	28.79%
James Garcelon	4,525,000 Common Shares ⁽¹⁾	10.64%	10.64%

Note:

(1) Held as to 4,125,000 Common Shares directly with the balance held by Mr. Garcelon's spouse.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or executive officers of the Corporation since the commencement of the Corporation's last completed financial year, and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and the appointment of officers except as disclosed herein.

EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6 for Venture Issuers, as such term is defined in National Instrument 51-102.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Corporation's executive compensation objectives and processes and discusses compensation decisions relating to its named executive officers ("**Named Executive Officers**") listed in the Summary Compensation Table that follows. During its fiscal year ended December 31, 2012, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of the Corporation:

- James Garcelon, Chief Executive Officer
- Geoff Kritzinger, CPA, CA, Chief Financial Officer
- William Trewick, President and Chief Operating Officer

The Corporation does not employ or retain any other individuals who would qualify as a "Named Executive Officer" because no other executive officer or employee of the Corporation receives total compensation (including without limitation salary and bonus) in excess of \$150,000.

The Compensation Committee is responsible for the compensation program for the Corporation's Named Executive Officers.

Compensation Objectives and Principles

The Corporation is a mineral exploration company with property interests located in the Democratic Republic of Congo. The Corporation has no revenues from operations and often operates with limited financial resources. As a result, to ensure that funds are available to complete scheduled programs, the Compensation Committee has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the Named Executive Officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the Named Executive Officers with the interests of the Corporation. The other two elements of the compensation the Corporation awards to its Named Executive Officers are: (i) base cash consulting fees; and (ii) cash bonus payments for achievement of stated milestones or benchmarks. The Corporation does not provide its Named Executive Officers with perquisites or personal benefits that are not otherwise available to all of our employees.

Compensation Processes and Goals

The deliberations with respect to compensation are conducted in a special session from which management is absent. These deliberations are intended to advance the key objectives of the compensation program for the Corporation's Named Executive Officers. At the request of the Board of Directors, the Named Executive Officers may, from time

to time, provide advice to the Board of Directors with respect to the compensation program for the Corporation's Named Executive Officers.

The Corporation relies on its Compensation Committee, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its Named Executive Officers. The Compensation Committee is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the Named Executive Officers of the Corporation, and to others, including without limitation to the Corporation's directors, to ensure such arrangements reflect the responsibilities and risks associated with each such officer's position. The Compensation Committee incorporates the following goals when it makes its compensation decisions with respect to the Corporation's Named Executive Officers: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of management with the interests of the Corporation's shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources. The Board of Directors does not currently consider the implications of the risks associated with the Corporation's compensation policies and practices as a result of the limited options available to the Corporation.

The Implementation of the Corporation's Compensation Policies

Consulting Fees

During the year ended December 31, 2012, the Corporation did not pay any compensation to the Chief Executive Officer:

The Chief Financial Officer receives \$3,500 per month through the Corporation's contract with Grove Capital Group. This amount was agreed upon between the Chief Financial Officer and the Corporation taking into account the following considerations:

- the Chief Financial Officer's prior public company and financial reporting experience gained through his senior financial management roles at a number of public mineral exploration and mining companies; and
- the Chief Financial Officer's experience as a Chartered Accountant.

The President and Chief Operating Officer does not receive any compensation directly from the Corporation for acting as President. For the year ended December 31, 2012, Mr. Trewick was compensated by Kolwezi Copper Corp. On December 31, 2012 the Corporation held a 41.6% interest in KCC and was responsible for funding all of its expenses. From January 1, 2012 to June 30, 2012, Mr. Trewick received a salary of US\$120,000 per annum. From July 1, 2012 to April 30, 2013, Mr. Trewick's salary was US\$150,000 per annum. Subsequent to year end, the shareholders of KCC entered into a heads of agreement pursuant to which a new investor acquired a 70% interest in KCC and has agreed to provide up to \$20,000,000 in financing which will be used to cover all costs of KCC. As a result, the Corporation is no longer responsible for any portion of Mr. Trewick's compensation. Furthermore, effective July 10, 2013 Mr. Trewick is no longer the President and COO of the Corporation.

Stock Options

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Compensation Committee in developing its recommendations with respect to the granting of new options. On November 29, 2012, 750,000 options were granted to the Named Executive Officers.

The granting of options to the other directors of the Corporation under the Corporation's Stock Option Plan provides

STOCK OPTION PLAN

Shareholders of the Corporation adopted a stock option plan (the “**Stock Option Plan**”) on October 1, 2010. The following is a summary of its principal terms.

The purpose of the Stock Option Plan is to encourage common stock ownership in the Corporation for directors, executive officers, employees and consultants who are primarily responsible for the management and profitable growth of its business, to provide additional incentive for superior performance by such persons and to enable the Corporation to attract and retain valued directors, officers and employees by granting stock options to such persons.

The Stock Option Plan provides that eligible persons thereunder include any director, employee (full-time or part-time), executive officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding company) with whom the Corporation or a subsidiary has a contract for substantial services.

The Stock Option Plan is administered by the Board of Directors of the Corporation. The Board of Directors has the authority to determine, among other things, subject to the terms and conditions of the Stock Option Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the Stock Option Plan.

The total number of shares which may be reserved and set aside for issuance to eligible persons may not exceed 10% of the issued and outstanding common shares from time to time. Investor Relations persons may not be granted options exceeding 2% of outstanding capital and such options must vest over one (1) year with no more than 25% vesting in each quarter.

Pursuant to the Stock Option Plan, the options will not be transferable other than by will or the laws of descent and distribution, the option price to be such price as is to be fixed by the Plan’s administrator but shall not be less than the fair market value of the shares at the time the option is granted and payment thereof shall be made in full on the exercise of the options. The terms of the options may not exceed five (5) years and shall be subject to earlier redemption upon the termination of employment. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding six (6) months following the termination of the optionee’s position with the Corporation but only up to and including the original option expiry date. If an optionee dies, the legal representative of the optionee may exercise the optionee’s options for a period not exceeding one (1) year after the date of the optionee’s death but only up to and including the original option expiry date. The Stock Option Plan also contains anti-dilution provisions usual to plans of this type.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise

stock options granted under the Stock Option Plan. The Corporation has no other compensation plans or arrangements in place and none are currently contemplated.

As of the date of this Circular, there are 3,000,000 stock options outstanding under the Plan and 1,251,220 options available for grant as follows

Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Cease Trade Orders

Except as disclosed below, none of the directors or officers of the Corporation is, or within the past ten years prior to the date hereof has been, a director, officer or promoter of any other issuer that, while that person was acting in that capacity:

- (1) was subject to a cease trade or similar order or an order that denied the issuer access to any statutory exemptions for a period of more than 30 consecutive days; or
- (2) was declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that person,

Geoff Kritzinger was Chief Financial Officer of Enquest Energy Services Corp. (ENQ – TSXV), which in May, 2010, was subject to a cease trade order for failure to file audited financial statements and other required disclosures within prescribed time limits. The cease trade order has not been rescinded.

Penalties or Sanctions

None of the directors or officers of the Corporation has been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or have entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor making an investment decision.

Individual Bankruptcies

None of the directors or officers of the Corporation has, within the ten years prior to the date hereof, been declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or been subject to or instituted any proceedings, arrangement, or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Conflict of Interest

To the best of the Corporation's knowledge and other than as disclosed herein, there are no existing or potential conflicts of interest among the Corporation, its promoters, directors, officers or other members of management of the Corporation except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies and their duties as a director, officer, promoter or management of the Corporation.

The directors and officers of the Corporation are aware of the existence of laws governing accountability of directors and officers for corporate opportunity and requiring disclosure by directors of conflicts of interest and the Corporation will rely upon such laws in respect of any directors' and officers' conflicts of interest or in respect of any breaches of duty by any of its directors and officers.

4. Approval of Exchange Transaction

At the Meeting, Shareholders will be asked to, if thought appropriate, adopt, with or without amendments, a resolution to approve a transaction (the “**Exchange Transaction**”) whereby the Corporation will exchange a portion of its interest in Kolwezi Copper Corp. (“KCC”) in return for the cancellation of shares of the Corporation.

Background

As announced on June 4, 2013, the Corporation, along with all of the shareholders of KCC, entered into a heads of agreement (the “**HOA**”) with Ivory Investments Limited (“**Ivory**”) pursuant to which Ivory agreed to provide up to \$20,000,000 in funding to support exploration on KCC’s properties in the Democratic Republic of the Congo in exchange for 70% of the total outstanding capital of KCC. As a result of the HOA as well as the issuance of shares for finder’s fees in respect of the HOA, the Corporation’s interest in KCC is being reduced to 10.39%. The Corporation’s interest in KCC will effectively be a carried interest until such time as the entire \$20,000,000 has been expended or until the facility is terminated in accordance with its terms. Management of the Corporation will therefore be seeking other opportunities for the Corporation. Allied Link Holdings Ltd. (“**ALH**”) invested in the Corporation solely to participate in the properties held by KCC. ALH owns 12,237,200 common shares of the Corporation representing 28.79% of outstanding capital.

With the new direction to be undertaken by the Corporation, Management approached ALH with a proposal whereby ALH would exchange its shares of the Corporation for an equivalent percentage of the Corporation’s stake in KCC. Management is of the view that the Exchange Transaction is in the best interests of the shareholders of the Corporation.

Terms of the Transaction

ALH currently holds 12,237,200 common shares of the Corporation representing 28.79% of the 42,512,200 common shares currently outstanding. On the completion of the steps set out in the HOA, the Corporation will hold shares of KCC representing 10.39% of KCC’s total outstanding common shares (the “**KCC Stake**”). 28.79% of the KCC Stake is 2.99%. As a result, the Corporation will transfer to ALH shares of KCC representing 2.99% of KCC’s outstanding capital in consideration for ALH surrendering its entire position in the Corporation for cancellation, reducing the Corporation’s outstanding common shares to 30,275,000.

Management has also taken into account the following information in deciding to recommend the Exchange Transaction to Shareholders:

ALH acquired a majority of its shares in the Corporation in later private placements at a price materially higher than the average price paid by the remaining Shareholders. As a result, the Exchange Transaction will result in the remaining Shareholders of the Corporation having an interest in a greater percentage of KCC than their capital contributions represent of the total amount raised by the Corporation since its incorporation.

Completion of the Exchange Transaction will remove a significant controlling shareholder and provide more flexibility to pursue other opportunities.

In addition, by surrendering its entire share position in the Corporation, ALH will forgo any future opportunities pursued by the Corporation. The benefit of any future opportunities will be for the sole benefit of the remaining Shareholders.

For all of the above reasons, Management is recommending that Shareholders vote in favour of the Exchange Transaction.

Resolution

ALH is a related party of the Corporation as such term is defined in Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions (“**MI 61-101**”) as ALH controls approximately 28.79% of

outstanding capital and Louis Chertkow, the principal of ALH, is a director of the Corporation. The Exchange Transaction is exempt from the valuation requirements of MI 61-101 on the basis of the exemption set out in section 5.5(b) but the Exchange Transaction is subject to minority shareholder approval. As a result ALH is excluded from voting on the Exchange Transaction. A total of 12,737,200 shares comprised of ALH's holdings and the holdings of its associates and affiliates will be excluded from voting.

At the Meeting, Shareholders, other than ALH, will be asked to approve the following resolution. The resolution must be approved by a simple majority of all shareholders voting at the meeting other than ALH.

BE IT RESOLVED THAT:

1. The Corporation is hereby authorized to transfer to Allied Link Holding Ltd. ("ALH") that number of shares of Kolwezi Copper Corp. ("KCC") representing 2.99% of the issued and outstanding capital of KCC in consideration for ALH surrendering 12,237,500 common shares of the Corporation for cancellation;
2. Any director or officer of the Corporation be and each of them is hereby authorized to do such things and to execute and deliver all such documents that such director or officer may, in his discretion, determine to be necessary or useful in order to give full effect to the intent and purpose of this resolution.

The directors of the Corporation unanimously recommend that the Shareholders vote in favour of the Exchange Transaction.

UNLESS OTHERWISE INDICATED, THE PERSONS NAMED IN THE ACCOMPANYING PROXY INTEND TO VOTE IN FAVOUR OF THE EXCHANGE TRANSACTION.

5. Reduction of Stated Capital

General

At the Meeting, Shareholders will be asked, if the Exchange Transaction is approved, to consider and, if thought appropriate, adopt, with or without amendments, a special resolution to reduce the stated capital account of the Common Shares by up to \$1,500,000 or such other amount as shall be determined by the Board of Directors without making any payment on such reduction (the "**Stated Capital Reduction Resolution**").

Background and Reasons for the Reduction of Stated Capital

As at March 31, 2013, the Corporation had an accumulated deficit of \$3,461,437 and the stated capital of the Common Shares was \$3,440,870. The deficit was primarily attributable to losses experienced by the Corporation during the financial years ended December 31, 2011, and December 31, 2012.

Shareholders will be asked at the Meeting to approve a special resolution authorizing up to a \$1,500,000 reduction in the stated capital account of the Common Shares (the "**Reduction of Capital**"). The Reduction of Capital will be required following the completion of the Exchange Transaction. Pursuant to Section 34(2) of the *Canada Business Corporations Act* (the "**CBCA**"), the Corporation can only acquire the Common Shares held by ALH if, following the completion of the Exchange Transaction, the realizable value of the Corporation's assets exceeds the aggregate of its liabilities and its stated capital. The Board of Directors of the Corporation is in the process of determining the realizable value of its assets. Based upon the information available, the Board of Directors is of the view that the maximum amount by which the stated capital of the Corporation would need to be reduced so that following the Exchange Transaction the realizable value of its assets would be greater than the aggregate of its liabilities and stated capital is \$1,500,000. The Board of Directors will finalize the amount of Reduction of Capital immediately following the completion of the Exchange Transaction but in any event such reduction will not exceed \$1,500,000. The Reduction of Capital will be credited against the consolidated accumulated deficit of the Corporation (the "**Deficit**"). The Reduction of Capital will not otherwise affect the assets or liabilities of the Corporation. The Reduction of Capital will not result in any monetary or other payment to Shareholders. It will not change the amount of shareholder's equity, but solely its composition.

Certain Canadian Federal Income Tax Considerations

This summary is of a general nature only. It is based on the current provisions of the Tax Act and its Regulations, all proposed amendments thereto publicly announced by the Minister of Finance (Canada) prior to the date hereof, and the Corporation's understanding of the current published administrative and assessing practices of the Canada Revenue Agency ("CRA"). The summary assumes that any proposed amendments will be enacted as proposed, does not otherwise take into account or anticipate any changes in laws whether by judicial, governmental or legislative decision or action or any changes in administrative practices of the CRA, nor does it take into account provincial, territorial or foreign income tax legislation or considerations.

Generally, under the Tax Act any payment made by a public corporation (which the Corporation is) on a reduction of capital will be treated as a dividend, subject to certain limited exceptions such as the redemption of shares, certain reorganizations and the distribution of certain transaction proceeds. However, since no amount will be paid by the Corporation on the reduction of capital contemplated in the Stated Capital Reduction Resolution, none of the shareholders will be deemed to have received a dividend by virtue of such reduction of capital. In addition, there will not be any resulting adjustments to the adjusted cost base of shares held by shareholders as a result of such Reduction of Capital.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular purchaser. This summary is not exhaustive of all the Canadian federal income tax considerations. Accordingly, shareholders should consult their own tax advisors with respect to their particular circumstances.

Resolution

At the Meeting, the Corporation's Shareholders will be asked to approve the Stated Capital Reduction Resolution, in the form set out below. The approval of the Stated Capital Reduction Resolution will require the affirmative vote of 66⅔% of the votes cast by the Shareholders, present in person or represented by proxy at the Meeting.

BE IT RESOLVED, AS A SPECIAL RESOLUTION, THAT:

1. The stated capital account maintained in respect of the Common Shares of the Corporation is hereby authorized to be reduced by up to \$1,500,000, or such other amount as shall be determined by the board of directors as necessary to effect the Exchange Transaction, without any payment being made to holders of Common Shares on such reduction.
2. The reduction of the stated capital account maintained in respect of the Common Shares shall not take effect until the directors of the Corporation pass a resolution specifying the amount by which the stated capital shall be reduced.
3. Any director or officer of the Corporation be and each of them is hereby authorized to do such things and to execute and deliver all such documents that such director or officer may, in his discretion, determine to be necessary or useful in order to give full effect to the intent and purpose of this resolution.
4. Notwithstanding that this resolution has been passed by the Corporation's Shareholders, the directors of the Corporation are hereby authorized and empowered to revoke this resolution, without any further approval of the Corporation's shareholders, at any time prior to the time the directors pass the resolution contemplated above, if such revocation is considered necessary or desirable by the directors.

The directors of the Corporation unanimously recommend that the Shareholders vote in favour of the Stated Capital Reduction Resolution.

UNLESS OTHERWISE INDICATED, THE PERSONS NAMED IN THE ACCOMPANYING PROXY INTEND TO VOTE IN FAVOUR OF THE STATED CAPITAL REDUCTION RESOLUTION.
