dated January 10, 2011**

I, Daniel A. Beauchamp of 24 Malibou Road SW, Calgary, AB, hereby certify that:

1. I am an independent consulting geologist;
2. I graduated from the University of Ottawa in 1974 with an Honours B.Sc. from the University of Ottawa;
3. I graduated from the University of Calgary in 1984 with a M.B.A. (Masters in Business Administration) with specialization in finance;
4. I have been a registered member of the Association of Professional Engineers Geologists and Geophysicists of Alberta (APEGGA) since 1980 and my membership number is M29299;
5. Except for two years of post-graduate studies and two years of work in the oil and gas industry I have practiced my profession as a geologist since graduation from university in 1974 with companies, both as an employee and as a consultant. I have worked throughout Canada and have managed mineral exploration projects from the grass roots level to early stages of mine development;
6. I have worked as a geologist, directing and managing projects in the field in many geological environments for many commodities including volcanogenic massive sulphides in rocks of Archean to Cenozoic age carrying out geological mapping, supervising geochemical and geophysical surveys, and diamond drilling programs including core logging.
7. I have read the definition of “Qualified Person” set out in National Instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association and past relevant work experience, I fulfill the requirements to be a “Qualified Person” for the purposes of NI 43-101;
8. I personally examined and studied the literature, reports and company surveys on the property for Telferscot Resources Inc. and Exploratus Ltd., and I am familiar with the project area. I was in Gillam from August 16th to 18th 2010 and visited the property on August 17th 2010;
9. have had no prior involvement with the property that is the subject of this Technical Report;
10. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which would make the Technical Report misleading;

11. I am independent of the issuer applying all of the tests in section 1.4 of National Instrument 43-101. I do not own, directly or indirectly, nor am I under an agreement, arrangement or understanding or expect to acquire any securities of Telferscot Resources Inc. or Exploratus Ltd. any of their affiliated entities. I hold no interest, directly or indirectly, in the mineral properties that are the subject of the foregoing report or in any adjacent mineral properties in the area;
12. I have read the National Instrument 43-101 and Form 43-101F and this report has been prepared in accordance with these regulations;
13. I consent to the filing of the Technical Report with any stock exchange or other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public;
14. I am responsible for all sections of the report titled "Technical Report and Proposed Exploration Program for the Stephens Lake Project Manitoba, prepared for Telferscot Resources Inc. of Toronto ON and Exploratus Ltd. of Winnipeg MB", and dated 10th January 2011.
