Lifestyle Delivery Systems Inc. Announces its Affiliate, CSPA Group, Inc., has Received an Open Purchase Order for 300 Litres of Distillate a Month

Vancouver, British Columbia, Canada, May 10, 2018, Lifestyle Delivery Systems Inc. (CSE: LDS), (OTCQX: LDSYF), (Frankfurt: LD6, WKN: A14XHT) (“LDS” or the “Company”) announces that its affiliate, CSPA Group, Inc. (“CSPA”), has received an open purchase order for 300 litres of high quality distillate per month through December 2018.

CSPA will supply the biomass and the processing for the extraction and distillation. The finished high-grade distillate will be capable of filling up to 300,000 one-gram vape pen cartridges. LDS’s CEO, Brad Eckenweiler, stated, “This purchase order emphasizes the acceptability in the market for a dependable high quality white label producer. A producer capable of supplying established brands with the highest quality finished material and allowing those brands to focus their resources on marketing and building their brand with the assurance that they have the highest quality ingredients.” The Company will continue its development of processes and product lines as well as building its white label business.

About Lifestyle Delivery Systems Inc.

Lifestyle Delivery Systems Inc. is a licensed, state-compliant, vertically integrated cannabis-related company. From our isogenic pollination nursery to our cutting edge, state-of-the-art production facility located in Southern California, LDS has become one of the most diverse, innovative and scientifically based cannabis companies throughout North America. The Company’s technology produces infused strips (similar to breath strips) that are not only a safer, healthier option to smoking but also a new way to accurately meter the dosage and assure the purity of the product. From start to finish, the production process tests for quality and composition of all the ingredients used in each and every strip, resulting in a delivery system that is safe, consistent and effective.
