

# Lifestyle Delivery Systems Inc. Amends Terms of Non-Brokered Private Placement of Units

Vancouver, British Columbia--(Newsfile Corp. - March 21, 2019) - Lifestyle Delivery Systems Inc. (CSE: LDS) (OTCQX: LDSYF) (FSE: LD6) (WKN: A14XHT) ("LDS" or the "Company") announced that it has received an approval from the Canadian Securities Exchange to amend certain terms of the non-brokered private placement financing (the "Offering") the Company announced on March 5, 2019.

As per amended terms, the warrant exercise price was decreased from the original CAD\$0.70 per warrant share to CAD\$0.50 per warrant share. In addition, the Company agreed to finders' fees of 7% cash and 7% warrants, which will be paid to eligible finders. All other terms of the Offering remain unchanged.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, including any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933 (the "1933 Act") or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws or an exemption from such registration requirements is available.

## About Lifestyle Delivery Systems Inc.

Lifestyle Delivery Systems Inc. is a technology company that licenses its technology to a state-of-the-art production and packaging facility located in Southern California. The Company's technology produces infused strips (similar to breath strips) that are not only a safer, healthier option to any other form of delivery but also allows for inclusion of a wide spectrum of ingredients from over the counter medications to homeopathic, nutraceutical, vitamins and supplements. The technology provides a new way to accurately meter the dosage and assure the purity of selected product. From start to finish, the production process, based on the Company's technology, tests for quality and composition of all the ingredients used in each and every strip which results in a delivery system that is safe, consistent and effective.

On behalf of the board of directors of Lifestyle Delivery Systems Inc.

Brad Eckenweiler  
CEO & Director

## Cautionary Disclaimer Statement:

The Canadian Securities Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of the content of this news release.

Information set forth in this news release contains forward-looking statements that are based on assumptions as of the date of this news release. These statements reflect management's current estimates, beliefs, intentions and expectations. They are not guarantees of future performance. The Company cautions that all forward looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond the Company's control. Such factors include, among other things: risks and uncertainties relating to the Company's limited operating history and the need to comply with environmental and governmental regulations. In addition, marijuana remains a Schedule I drug under the United States Controlled Substances Act of 1970. Although Congress has prohibited the US Justice Department from spending federal funds to interfere with the implementation of state medical marijuana laws, this prohibition must be renewed each year to remain in effect. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward looking information. Except as required under applicable securities legislation, The Company undertakes no obligation to publicly update or revise forward-looking information.
