

uBUCK Technologies Announces Closed Beta Launch for Streambucks

FOR IMMEDIATE RELEASE

VANCOUVER, British Columbia - May 14, 2019 - [LiteLink Technologies Inc.](#) (“LiteLink”) (CSE:LLT) (OTC:LLNKF), a leader in logistics, artificial intelligence and digital payments, is very excited to announce that its wholly-owned subsidiary [uBUCK Technologies SEZC](#) (“uBUCK Tech”) will be launching Streambucks in July 2019, a digital payment platform dedicated to electronic sports (Esports) gaming.

uBUCK Tech has developed its second brand [Streambucks](#) to offer a seamless, secure payment solution that is catered specifically to Egamers. uBUCK Tech will sponsor Egaming tournaments and provide prize pools in the form of Streambucks. Streambucks can be used to purchase products in the Streambucks marketplace, send payments around the world for free or convert into U.S. dollars to load a prepaid debit card.

“uBUCK Tech developed Streambucks after recognizing a massive opportunity to reach a new demographic of customers through eSports gaming, an industry that has become larger than Hollywood and boasts [cash prize pools of up to \\$25 million](#),” said uBUCK CEO James Youn. “We are excited to provide seamless payments to this new target demographic and sponsor eGaming tournaments across the globe. This new platform will allow uBUCK Tech to offer digital payment solutions for the Esports community which reached [454 million gamers worldwide](#) and gain access to the [billion dollar eSports gaming industry](#).”

Like uBUCK, Streambucks can be purchased with Bitcoin, Ethereum, credit and debit cards, or cash at [7,000 convenient stores across the U.S.](#) “Streambucks will solve the payment delays caused by traditional payment methods, as reported by [The Esports Observer](#),” said uBUCK COO Greg Bauer.

About uBUCK Technologies SEZC

Based in Georgetown, Cayman Islands, uBUCK Tech is a fintech enterprise that specializes in decentralized digital payments and wallets. [uBUCK Pay](#) and [Streambucks](#) are P2P payment platforms offering consumers, businesses and merchants a fast, commission-free and highly secure alternative to traditional payment methods. uBUCK Cash and Streambuck Cash are stable utility tokens that are backed by the U.S. dollar via pin voucher purchases within the uBUCK Pay app or at participating resellers. Customers may load a uBUCK debit card and make online and offline purchases and send payments around the world for free.
