

uBUCK Signs Agreement with Good Gamer Corp. to Make Streambucks the Exclusive Digital Wallet of GoodGamer.gg

VANCOUVER, British Columbia, January 22, 2020 - [LiteLink Technologies Inc.](#) (“**LiteLink**”) (CSE:LLT) (OTC:LLNKF) (FRA:C0B), a key player in logistics platforms and payment solutions, is pleased to announce that its subsidiary uBUCK Technologies SEZC (“**uBUCK**”) has signed a Definitive Agreement with Good Gamer Corp. (“**GoodGamer**”) to make [Streambucks](#) the exclusive digital wallet of [GoodGamer.gg](#).

GoodGamer.gg is a mobile social gaming platform that allows users to play games, live stream, connect, interact, send virtual gifts and earn rewards via streaming, gameplay, targeted ads and game installs.

Streambucks is a digital wallet custom-designed by uBUCK, in this case, for the GoodGamer platform. Under the agreement, the Streambucks digital wallet will be integrated into the GoodGamer.gg mobile app to allow users to convert in-app currency into cash by loading a prepaid Visa debit card. The Streambucks wallet is poised to be the first digital wallet in the world specific to the gaming industry.

“We are very excited to become the exclusive digital wallet of GoodGamer.gg and facilitate fast and easy transactions for gamers and streamers,” said uBUCK CEO James Youn. *“This deal provides uBUCK with a grand entrance into the world of gaming, which includes over [2.5 billion gamers worldwide](#) and [250 million in India](#) alone. Social gaming and streaming platforms are looking for alternative payment methods and Streambucks offers the perfect solution.”*

“We are very excited to incorporate the Streambucks digital wallet into GoodGamer.gg,” said Good Gamer Corp. CEO Charles Creighton. *“We believe Streambucks is the perfect addition to the GoodGamer.gg mobile app because it allows our users to convert their in-app currency faster, safer and cheaper than other payment platforms we’ve come across.”*

uBUCK will initially focus on rolling out the Streambucks digital wallet to the mobile gaming markets in the [Philippines](#) and [India](#), which includes approximately 300 million gamers and generating over \$1 billion in revenue annually.
