

TECHX TECHNOLOGIES INC.

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS
to be held on JULY 21, 2021

MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Information Circular**”) is furnished to the holders (the “**Shareholders**”) of Common Shares without par value (the “**Common Shares**”) of **TECHX TECHNOLOGIES INC.** (the “**Company**”) in connection with the solicitation of proxies by the management of the Company for use at the annual general and special meeting (the “**Meeting**”) of the Shareholders of the Company to be held on Wednesday, July 21, 2021, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed instrument of proxy (the “**Proxy**”) is solicited by the management of the Company. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company. Unless otherwise stated, this Information Circular contains information as at June 23, 2021. References in this Information Circular to the Meeting include any adjournment or postponement thereof and, unless otherwise indicated in this Information Circular, all references to “\$” are to Canadian dollars.

Shareholders should not construe the contents of this Information Circular as legal, tax or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, financial or other matters contained in this Information Circular.

If you hold Common Shares through a broker, investment dealer, bank, trust company, nominee or other intermediary (collectively, an “**Intermediary**”), you should contact your Intermediary for instructions and assistance in voting and surrendering the Common Shares that you beneficially own.

This Information Circular and other proxy-related materials are not being sent to registered or beneficial owners using the Notice-and-Access procedures contained in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). The Company will not deliver the proxy solicitation materials directly to the non-objecting Beneficial Shareholders (“**NOBOs**”).

The Company does not intend to pay for intermediaries to deliver proxy-related materials or Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to the objecting beneficial owners of Common Shares (“**OBOs**”) and as such, OBOs will not receive such materials unless their intermediary assumes the costs thereof (OBOs and NOBOs are herein collectively referred to as the “**Non-Registered Shareholders**”). See also “*Proxy Related Information – Advice to Non-Registered Shareholders*” in this Information Circular.

PROXY RELATED INFORMATION

Appointment of Proxy

Those Shareholders desiring to be represented at the Meeting by proxy must complete and deposit their proper Form of Proxy to the Company’s transfer agent, Odyssey Trust Company, 323 – 409 Granville Street, Vancouver, British Columbia, V6C 1T2, Attention: Proxy Department (the “**Transfer Agent**”), in the enclosed self-addressed envelope. In order to be valid, proxies must be received by the Transfer Agent at least forty-eight (48) hours, excluding Saturdays, Sundays and statutory holidays in British Columbia, prior to the Meeting or any adjournment thereof. A proxy must be executed by the Shareholder or by his duly appointed attorney authorized in writing, or if the Shareholder is a Company, under its seal or by an officer or attorney thereof duly authorized. A proxy is valid only at the Meeting in respect of which it is given or any adjournment or postponement of the Meeting.

The Company may refuse to recognize any instrument of proxy deposited in writing or by the internet received later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment or postponement thereof.

The persons named in the enclosed Form of Proxy are officers and/or directors of the Company and each is a management designee (collectively, the “Management Designees”). Management Designees will vote in favour of the matters specified in the Notice of Meeting and all other matters proposed by management at the Meeting. Each Shareholder submitting a proxy has the right to appoint a person, who need not be a Shareholder, to represent him/her or it at the Meeting other than the Management Designees. A Shareholder may exercise this right by inserting the name of the desired representative in the blank space provided in the Form of Proxy or

by completing another Form of Proxy and, in either case, depositing the completed proxy to the Transfer Agent, at the place and within the time specified above for the deposit of proxies.

Revocability of Proxy

A Shareholder who has given a proxy has the power to revoke it at any time prior to the exercise thereof. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing signed by the Shareholder or by the Shareholder's attorney authorized in writing, and either: (a) delivered to the Transfer Agent at the place specified above at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, or (b) deposited with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment or postponement thereof.

Advice to Non-Registered Shareholders

The information in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their shares in their own name, referred to in this Information Circular as "**Beneficial Shareholders**", are advised that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The Form of Proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Form of Proxy provided directly to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the Form of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Voting

Registered Shareholders may vote in person (via teleconference ONLY) at the Meeting or may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder. Please vote, sign, date and return the enclosed proxy in the envelope provided to Odyssey Trust Company, 323 – 409 Granville Street, Vancouver, British Columbia, V6C 1T2, Attention: Proxy Department or fax: 1 (800) 517-4553 so that it arrives no later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the time of the Meeting or any adjournment or postponement thereof.

You may also cast your vote using the internet through the website of the Company's transfer agent at www.odysseytrust.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

All references to Shareholders in this Information Circular and the accompanying Form of Proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

Voting by Proxyholder

The Common Shares represented by the enclosed proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. **In the absence of any such instructions, such shares will be voted IN FAVOUR of the matters set forth in the Notice of Meeting and in this Information Circular.**

If any amendment or variation to matters identified in the Notice of Meeting is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the enclosed proxy, when properly signed, confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. As at the date of this Information Circular, the management of the Company is not aware of any amendments or variations or other matters to come before the Meeting.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “**Option Plan**”) pursuant to which the board of Directors (the “**Board**”) may grant options (the “**Options**”) to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to twenty (20%) percent of the Shares outstanding from time to time (the “20% Maximum”).

Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “Exercise Period”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of: (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) thirty (30) days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

There are presently 14,165,000 Options outstanding under the Option Plan, 10,590,000 of which are held directly and indirectly by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company.

The Company has not entered into any agreement or arrangement under which compensation was provided during the most recently completed fiscal year ended February 28, 2021 or is payable in respect of services provided to the Company or any of its subsidiaries that were: (a) performed by a director or NEO, or (b) performed by any other party but are services typically provided by a director or a NEO.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board’s view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

National Instrument 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth in the following.

Audit Committee

The Audit Committee reviews all financial statements of the Company prior to their publication, oversees audits, considers the adequacy of audit procedures, recommends the appointment of independent auditors, reviews and approves the professional services to be rendered by them and reviews fees for audit services. The Audit Committee Charter (the “**Audit Charter**”) has set criteria for membership, which all members of the Audit Committee are required to meet consistent with NI 52-110 and other applicable regulatory requirements. The Audit Committee, as needed, meets separately (with the Company’s auditors to discuss the various aspects of the Company’s financial statements. A copy of the Audit Charter is attached to this Information Circular as Schedule “A”.

Composition of Audit Committee

The members of the Audit Committee are Aleem Nathwani, Michael Vogel and Peter Green. Of those, Mr. Nathwani and Mr. Vogel are “independent” in that they were independent and free from any interest and any business or other relationship, other than interests and relationships arising from shareholdings, which could or could reasonably be perceived to, materially interfere with their ability to act in the best interests of the Company. All of the members of the Audit Committee are financially literate and all have experience serving on various boards and audit committees.

Relevant Education and Experience of Audit Committee

Aleem Nathwani has over sixteen years of experience working with and advising startups, from inception through to acquisition or public offering. He was one of the earliest team members at Nutanix (NASDAQ: NTNX), pioneers in the hybrid-cloud space, where he played key roles in driving business development. He held strategic leadership roles within TELUS Communications, incubating technology infrastructure and outsourcing deals for large enterprise customers. Mr. Nathwani has also held advisor and board positions with a number of public and private companies.

Michael Vogel founded Netcoins in 2014, rapidly scaled the company as CEO & CTO to thousands of customers and millions in revenue, before leading the company to public listing in 2018 - notably the first crypto company of its type to be publicly listed. Netcoins, which was acquired by BIGG Digital Assets Inc. (CSE:BIGG) in 2019, is now one of the largest and longest operating Bitcoin exchanges in Canada. He is now the CEO of Coinstream, a Bitcoin company aimed at the US market, offering an ultra-simple way for Americans to buy cryptocurrencies. He is also founder and CEO of Encore Ventures, which is involved in the development and incubation/advisory of new startups and technologies in both crypto and tech spaces.

Peter Green started his career in 1996 within the telecom and wireless sector. He grew his career and transitioned into President of the Cable and Wireless Company in 2001. In 2011, Mr. Green took on the role as SVP and President of TELUS Business. Over the past several years, Mr. Green has taken on critical board and advisory roles for small, medium, and large global startups to support hypergrowth phases.

As a result of their education and experience, each member of the Audit Committee has familiarity with, an understanding of, or experience in:

- (a) the accounting principles used by the Company to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;

The proposed new form of Articles (the "New Articles") will be substantially similar to the Company's existing Articles.

2. Any one director of the Company, signing alone, be authorized to execute and deliver all such documents and instruments, including the New Articles, and to do such further acts, as may be necessary to give full effect to these resolutions or as may be required to carry out the full intent and meaning thereof;
3. Despite that this special resolution has been duly passed by the shareholders of the Company, the Board is authorized and empowered to revoke this resolution at any time before giving effect to the adoption of the New Articles and to determine not to proceed with the without further approval of the shareholders; and
4. It is a condition of this resolution that the alteration to the Articles of the Company referred to in paragraph 1 does not take effect until this resolution is deposited with the records of the Company as prescribed by the *Business Corporations Act* (British Columbia)."

In order to be effective, the foregoing special resolution must be approved by a two-thirds majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the special resolution adopting the New Articles.

The Board believes the passing of the foregoing special resolution is in the best interests of the Company and recommend that shareholders of the Company vote in favour of the resolution.
