

Mobilum Technologies Completes Integration of Fiat-to-Crypto On-Ramp Services for BTSE and Joomace and Onboards over 74000 New Customers

VANCOUVER, BC, Dec. 6, 2021 /CNW/ - Mobilum Technologies Inc. ("Mobilum" or the "Company") (CSE: MBLM) (OTC: MBLMF) (FRA: C0B), a technology-driven company making traditional finance accessible through digital payment infrastructure and digital asset management technologies, is pleased to announce the successful integration and launch of its fiat-to-crypto on-ramp widget on the [BTSE](#) exchange ("BTSE") and [JoomAce](#) ("JoomAce") platforms.

BTSE is a leading digital assets platform for multi-currency spot and futures trading. It offers its native BTSE Token and also provides OTC trading services, payment gateways and B2B white label solutions for other exchanges and NFT marketplaces.

Following a previously announced partnership with BTSE, Mobilum has integrated its fast, secure, convenient on-ramp payment gateway service onto the BTSE spot exchange, allowing users to purchase digital assets instantly and securely with credit cards or more than 20 fiat or digital currencies.

Mobilum has also completed the integration of its fiat-to-crypto on-ramp widget for Joomace, a company primarily specialized in Search Engine Optimization (SEO) and Web Development areas of IT. With its innovative and technological solutions, Joomace aims to support the management of organizations using information technology-supported data, to increase the technological level of countries and to increase their international competitiveness

Wojciech Kaszycki, CEO of Mobilum OÜ commented: *"We are very pleased with the launch of our fiat-to-crypto on-ramp widget on BTSE and JoomAce. Going into 2022, our objective is to continue onboarding more clients through B2B on-ramp and off-ramp integrations and fulfilling our mission of bridging the gap between traditional finance and the new digital economy."*

Joshua Soh, Chief Operating Officer of BTSE, said: "We are delighted to partner with Mobilum to expand BTSE's on-ramp capability. With this on-ramp solution, BTSE users are able to fund their accounts with fiat currency using their Visa or Mastercard, adding flexibility and convenience to the platform's credit card top-up feature."

Mobilum is also pleased to announce that it has onboarded over 74,321 new users since signing a previously announced ([October 19, 2021 press release](#)) contract for services rendered for its on-ramp service offering. The Company anticipates onboarding up to 600,000 new customers through the contract.
