This news release may contain "forward-looking statements" within the meaning of applicable Canadian securities laws. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management, are inherently subject to significant business, economic and competitive uncertainties, and contingencies. These statements generally can be identified by the use of forward-looking words such as "may", "should", "will", "could", "intend", "estimate", "plan", "anticipate", "expect", "believe" or "continue",

or the negative thereof or similar variations. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause future results, performance or achievements to be materially different from the estimated future results, performance or achievements expressed or implied by those forward-looking statements and the forward-looking statements are not guarantees of future performance.

Mobilum's statements expressed or implied by these forward-looking statements are subject to a number of risks, uncertainties, and conditions, many of which are outside of Mobilum's control, and undue reliance should not be placed on such statements. Forward-looking statements are qualified in their entirety by the inherent risks and uncertainties of the Company's business, including: Mobilum's assumptions in making forward-looking statements may prove to be incorrect; adverse market conditions, including risks related to COVID-19 and risks that future results may vary from historical results.

Except as required by securities law, Mobilum does not assume any obligation to update or revise any forward-looking statements, whether as a result of new information, events or otherwise.
