**FOR IMMEDIATE RELEASE**

**MAY 31, 2011**

**Manuweb Software Systems, Inc. (CNSX – AIV) Announces The Appointment of New Directors and Officers**

The Boards of Directors of Manuweb Software Systems Inc. (Manuweb) and Advantive Information Management Inc. (AIM) are pleased to announce that effective May 30<sup>th</sup> 2011 Manuweb has appointed new directors and officers. Van H. Potter will assume the role of President and Chief Executive Officer and Director, and Brian Cameron will assume the role of Chief Financial Officer and Director of Manuweb. John Ragan was also appointed Director of Manuweb concurrent with these appointments. Donald Gordon will remain a Director of Manuweb. These appointments signify the first steps in a process that will result in Manuweb acquiring the remaining common shares of AIM.

**ABOUT AIM**

Advantive Information Management is a Phoenix Arizona based company that provides IT services and solutions to select vertical markets. Our flagship product, R2 Software, delivers dynamic infrastructure management solutions for the work centers and operations on the manufacturing shop floor. Our products and services limit production downtime by continuously securing critical data and optimizing recovery. We fully integrate the continuous data protection process to the network operation center to ensure highly effective monitoring of all shop floor information technology.
