CERTIVE SOLUTIONS INC.

MANAGEMENT INFORMATION CIRCULAR

As at July 9, 2015

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Certive Solutions Inc. (“Certive” or the “Corporation”) for use at the annual general meeting (the “Meeting”) of shareholders of the Corporation to be held in the boardroom of Buttonwood Law Corporation, 11th Floor, 1111 Melville Street, Vancouver, British Columbia on August 7, 2015 at 10:00 a.m. (Vancouver time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Solicitations may be made by mail and supplemented by telephone or other personal contact by the officers, employees or agents of the Corporation without special compensation. Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation materials to the beneficial owners of the common shares of the Corporation (the “Shares”). The cost of any such solicitation will be borne by the Corporation.

The Board of Directors of the Corporation has fixed the record date for the Meeting to be the close of business on **July 3, 2015** (the “Record Date”). Shareholders of record as of the Record Date are entitled to receive notice of the Meeting. Shareholders of record will be entitled to vote those Shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy are directors and/or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder of the Corporation) to attend and represent him or her at the Meeting, other than those persons named in the enclosed form of proxy. A shareholder who wishes to appoint some other person to present him or her at the Meeting may do so either by inserting such other person's name in the blank space provided in the form of proxy and signing the form of proxy, or by completing another proper form of proxy.** A form of proxy will not be valid unless it is completed, dated, signed and delivered to the office of the registrar and transfer agent of the Corporation, Computershare Investor Services Inc. (“Computershare”), Suite 300, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not less than 48 hours (excluding Saturday, Sunday and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A proxy may be revoked by depositing an instrument in writing, executed by the shareholder or his or her attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or signed by a duly authorized officer or attorney for the corporation at the office of Computershare, Suite 300, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, at any time, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used.

In addition, a proxy may be revoked by the shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation within the time period set out under the heading "Voting of Proxies", or by the shareholder personally attending the Meeting or any adjournment thereof and voting his or her Shares. Any revocation made or delivered at the Meeting or any adjournment thereof shall be valid only with respect to matters not yet dealt with at the time such revocation is received by the Chairman or the Scrutineer of the Meeting.

VOTING OF PROXIES

All Shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Shares represented by the proxy will be voted in accordance with such specifications. **In the absence of any such specifications, the management designees, if named as proxy, will vote IN FAVOUR of:**

- (i) **The election of directors;**
- (ii) **The appointment of auditors; and**
- (iii) **The resolution approving an amendment to the type of incentive stock option plan of the Corporation (the "Stock Option Plan") from a 10% rolling plan to a 20% rolling plan as allowable pursuant to the policies of the Canadian Securities Exchange.**

The enclosed form of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting. At the date of this Circular, the Corporation is not aware of any amendments to, or variations of, or other matters that may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

Proxies, to be valid, must be deposited at the office of Computershare, Suite 300, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the Meeting or an adjournment of the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a person (a "**Non-Registered Holder**") are registered either (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered

Holder deals with in respect of the Shares, such as securities dealers or brokers, banks, trust companies, and trustees, as administrators of self-administered RRSPs, RRIFs, RESPs, and similar plans; or (ii) in the name of a clearing agency of which the Intermediary is a participant. In accordance with NI 54-101, the Corporation has distributed copies of the notice of meeting and this Circular (**collectively, the “Meeting Materials”**) to the clearing agencies and Intermediaries, for distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders, and often use a service company for this purpose. Non-Registered Holders will either:

- (a) typically, be provided with a computerized form (**often called a “voting instruction form”**) which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The Non-Registered Holder will generally be given a page of instructions which contains a removable label containing a bar code and other information. In order for the applicable computerized form to validly constitute a voting instruction form, the Non-Registered Holder must remove the label from the instructions and affix it to the computerized form, properly complete and sign the form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or service company. In certain cases, the Non-Registered Holder may provide such voting instructions to the Intermediary or its service company through the Internet or through a toll-free telephone number, or
- (b) less commonly, be given a proxy form which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the proxy form and submit it to Computershare, Suite 300, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9.

In either case, the purpose of these procedures is to permit the Non-Registered Holder to direct the voting of the common shares which they beneficially own.

Should a Non-Registered Holder who receives a voting instruction form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should print his or her own name, or that of such other person, on the voting instruction form and return it to the Intermediary or its service company. Should a Non-Registered Holder who receives a proxy form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons set out in the proxy form and insert the name of the Non-Registered Holder or such other person in the blank space provided and submit it to Computershare at the address set out above.

In all cases, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when, where and by what means the voting instruction form or proxy form must be delivered.

A Non-Registered Holder may revoke voting instructions which have been given to an Intermediary at any time by written notice to the Intermediary.

Corporation to be July 3, 2015 (the “**Record Date**”), are entitled to vote such Shares at the Meeting on the basis of one vote for each Share held, except to the extent that:

It is the intention of the management designees, if named as proxy, to vote FOR the election of said persons to the Board. STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

For purposes of this Circular, “named executive officer” (“**NEO**”) of the Corporation means an individual who, at any time during the year, was:

- (a) The Corporation’s chief executive officer (“**CEO**”);
- (b) The Corporation’s chief financial officer (“**CFO**”);
- (c) Each of the Corporation’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of National Instrument 51-102F6 – *Statement of Executive Compensation*, for that financial year; and
- (d) Each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

Based on the foregoing definition, during the last completed fiscal year of the Corporation, there were two NEOs for the year ended May 31, 2015, namely, Van Potter, CEO and Brian Cameron, CFO.

All matters relating specifically to senior executive compensation are reviewed and approved by the Board. The Board has elected to not appoint a compensation committee. The Board of the Corporation is responsible for determining compensation including for the individual directors and officers of the Corporation, including the CEO. Given the stage of development of the Corporation, it is not currently envisioned that any of the directors will be paid director’s fees with the exception of the chairperson of the Corporation’s audit committee (the “**Audit Committee**”). Rather, directors will be granted incentive stock options to help ensure their continued interest in the ongoing business and affairs of the Corporation. The Board determines compensation for the officers of the Corporation, and any consulting or other agreements, to which the Corporation is a party, are reviewed on an annual basis.

The Corporation’s overall policy regarding compensation of the Corporation’s executive officers is structured to provide competitive salary levels and compensation incentives that support both the short-term and long-term goals of the Corporation, attract and retain and qualified executive management and establish a compensation framework which is industry competitive. The Corporation’s policy is to recognize and reward individual performance as well as to place executive compensation within the range of the compensation levels in the industry.

The Corporation does not have a compensation program other than paying base salaries, incentive bonuses, and incentive stock options to the NEOs. The Corporation recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive’s level of responsibility.

The Corporation has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Corporation at competitive industry rates for work of a similar nature by reputable arm's length service providers.

Base Salary

The objectives of the base salary are to recognize market pay, and acknowledge the competencies and skills of individuals. The base salary paid to the NEOs shall be reviewed annually by the Board as part of the annual review of executive officers. The decision on whether to grant an increase to the executive's base salary and the amount of any such increase shall be in the sole discretion of the Board.

Incentive Bonuses

The objectives of incentive bonuses in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No incentive bonuses were paid to NEOs, other executive officers and employees during the most recently completed fiscal year.

Option Based Awards

In accordance with Policy 4.4 of the TSXV, the directors of the Corporation have adopted a revised Stock Option Plan, subject to shareholder and TSXV approval. The revised Stock Option Plan complies with the requirements of Exchange Policy 4.4 for Tier 2 issuers. Under the Stock Option Plan, the maximum number of Shares that may be reserved for issuance under the Stock Option Plan will be a rolling number, not to exceed 10% of the issued and outstanding Shares at the time of the stock option grant. Previously the Board had adopted a fixed stock option plan allowing for a maximum issuance of 20% of the issued and outstanding shares of the Corporation. The revised Stock Option Plan will be a "rolling" stock option plan.

Compensation Source	Description of Compensation	Compensation Objectives
Annual Base Salary (all NEOs)	Salary is market-competitive, fixed level of compensation	Retain qualified leaders, motivate strong business performance
Incentive Stock Option (all NEOs)	Equity grants are made in the form of stock options. The amount of grant will be dependent on individual and corporate performance	Retain qualified leaders, motivate strong business performance

Summary Compensation Table

The following table summarizes the compensation paid to each NEO of the Corporation during the most recently completed financial years ended May 31, 2015, May 31, 2014, and May 31, 2013:

Notes:

- (1) “Non-equity Incentive Plan Compensation” includes all compensation under an incentive plan or portion of an incentive plan that is not an equity incentive plan.
- (2) “Share-based Awards” means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units, and stock.
- (3) “Option-based Awards” means an award under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights, and similar instruments that have option-like features.

Employment Contracts

There are currently no management contracts in force and effect with the Corporation’s officers or directors.

Annual Base Salary

Base salary for the NEOs is determined by the Board primarily by comparison of the remuneration paid by other companies with the same size and industry and with publicly available information on remuneration.

The annual base salary paid to the NEOs shall, for the purpose of establishing appropriate increases, be reviewed annually by the Board as part of the annual review of executive officers. The decision on whether to grant an increase to the executive’s base salary and the amount of any such increase shall be in the sole discretion of the Board.

Long Term Incentive Plan (LTIP)

The Corporation does not have a formal or written LTIP in place, pursuant to which cash or non-cash compensation intended to serve as an incentive for performance (whereby performance is measured by reference to financial performance or the price of the Corporation’s securities), was paid or distributed to the Named Executive Officer during the most recently completed financial year ended May 31, 2015.

Option Based Award

An option based award is in the form of an incentive Stock Option Plan. The objective of the incentive stock option is to reward NEOs, employees, consultants and directors for their individual performance at the discretion of the Board.

Subject to shareholder approval and approval by the Canadian Securities Exchange, the Corporation will maintain a formal stock option plan, under which stock options will be granted and may be granted to purchase a number equal to 10% of the Corporation's issued capital from time to time.

The Stock Option Plan will be administered by the Board and the process to grant option-based awards to executive officers will be within the discretion of the directors.

All previous grants of option-based awards will be taken into account when considering new grants.

All members of the Audit Committee are financially literate as required by Part 1.6 of NI 52-110.

Relevant Education and Experience

The education of each of the members of the Audit Committee is set out in this Circular. More specifically, some of the members of the Audit Committee have also taken accounting courses directly relating to financial statement preparation and analysis. Each of the members of the Audit Committee has a general understanding of the accounting principles used by the Corporation to prepare its financing statements and will seek clarification from the Corporation’s auditors, where required. CORPORATE GOVERNANCE

General

National Policy 58-201 - *Corporate Governance Guidelines* and National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), which came into force on June 30, 2005, set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

Composition of the Board

NI 58-101, when taken with Section 1.4 of NI 52-110 provides that a member is “independent” if the member has no direct or indirect material relationship with the issuer, a “material relationship” being one which could, in the view of the Corporation’s Board, reasonably interfere with the exercise of a member’s independent judgment. To facilitate independence, the Corporation is committed to the following practices:

- 1) To expand the Board’s composition through the recruitment of strong, independent directors;
- 2) To maintain a majority of independent directors on the Board;
- 3) To ensure that all committees of the Board are constituted of a majority of independent directors, and solely independent directors, if possible.

The Corporation has determined that the following individuals are independent within the meaning of NI 58-101 and NI 52-110:

John Shackleton – Independent Director
 Jack Saltich – Independent Director
 Michael Bartlett – Independent Director

The Corporation has determined that the following individuals are not independent based on the guidelines set forth in NI 58-101 and NI 52-110:

Van Potter – Not independent as a result of his position as the Chief Executive Officer of the Corporation.

Brian Cameron – Not independent as a result of his position as the Chief Financial Officer of the Corporation.

Directorships

The following table sets forth a list of directors, officers and promoters who are, or have been within the past three years, a director, officer or promoter of any other reporting issuer, which table includes the number of other issuers of which the individual is currently a director, officer or promoter and the names of the reporting issuers with which the individual was involved in the past five years, including the names, markets upon which they trade, and the approximate start and end dates for each:

Director	Name of Reporting Issuer	Name of Exchange or Market	Position	Duration	Committee Appointments
Van Potter	Canadian Data Preserve Inc.	Canadian Securities Exchange	President, CEO and Director	July 2012 – Present	Not applicable
Brian Cameron	Canadian Data Preserve Inc.	Canadian Securities Exchange	CFO	July 2012 – Present	Not applicable
Jack Saltich	Atmel Corporation	NASDAQ	Director	2007 – Present	Not applicable
Jack Saltich	Cypress Semiconductor Corporation	NASDAQ	Member Manufacturing Advisory Board	2007 – Present	Not applicable

Orientation and Continuing Education of Board Members

If any new directors are appointed to the Board, then the existing directors will provide a brief orientation consisting of a telephone conference and a review of material transactions effected to-date by the Corporation, as well as the general nature and proceedings of the Board. The existing Board will also require the Corporation's legal counsel to provide a summary of the new director's duties and responsibilities as a member of the Board. Given the direct securities industry experience of the existing Board, the Corporation does not contemplate providing continuing education for directors at this time.

Measures to Encourage Ethical Business Conduct

Pursuant to the *Business Corporations Act* (British Columbia), each of the directors of the Corporation is required to disclose any conflict of interest that any one of them may have in regard to any dealings with the Corporation. Each of the existing members of the Board has worked together in the past, either by being a director or officer of other reporting issuers. In the past, the Board has had discussions and meetings about the importance of full disclosure in regard to the business and affairs of a reporting issuer.

Given the experience of the Board, and their prior dealings, the Corporation, at this point in time, is not taking any additional steps to encourage and promote a culture of ethical business conduct.

Nomination of Board Members

The Corporation does not have in place a formal process to identify new candidates for Board nomination or a person responsible for identifying new candidates or that is in the process of identifying new candidates. Given the direct securities experience of the existing Board, each director will utilize his own judgment in determining whether or not to put forth a person as a candidate for the Board and the appropriate forum for carrying out this task.

Compensation

The Board of the Corporation is responsible for determining compensation, including compensation for the individual directors and officers of the Corporation, such as the Chief Executive Officer. Given the stage of development of the Corporation, it is not currently envisioned that any of the directors will be paid director's fees. Rather, directors will be granted stock options to help ensure their continued interest in the ongoing business and affairs of the Corporation. The Board determines compensation for the officers of the Corporation, and any consulting or other agreements, to which the Corporation is a party, are reviewed on an annual basis.

Board Committees

At this time, the Board does not have any standing committees other than the Audit Committee. The Audit Committee's role is to act in an objective, independent capacity as a liaison between the auditors, management, and the Board and to ensure the auditors have a facility to consider and discuss governance and audit issues with parties not directly responsible for operations.

Assessments

Given the current stage of development of the Corporation, the Corporation does not yet have any formal policies or procedures in place to help ensure that the board, its committees, if any, and its individual directors are performing effectively. In the event that the business of the Corporation increases in size and scale, then the Board will determine whether it is appropriate to engage an outside consulting firm to make recommendations regarding the foregoing. Certain of the members of the Board have a direct financial interest in the Corporation, by virtue of being shareholders of the Corporation.

INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Circular, the management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer at any time since the beginning of the Corporation's last financial year or any proposed nominee for election as a director, or any associate or affiliate of any of the foregoing persons, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors. All of the directors and officers may receive options pursuant to the Stock Option Plan of the Corporation.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Circular, neither the Corporation, nor any director or officer of the Corporation, nor any insider of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any one of them, has or has had, at any time since the beginning of the Corporation's last completed financial year, any material interest, direct or indirect, in any transaction or proposed transaction that has materially affected or would materially affect the Corporation, except for any interest arising from the ownership of Shares where the shareholder will receive no extra or special benefit or advantage not shared on a pro-rata basis by all shareholders.

OTHER MATTERS TO BE ACTED UPON

There are no other matters to be considered at the Meeting which are known to the directors or senior officers of the Corporation at this time. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy accompanying this Circular to vote the same in accordance with their best judgment of such matters exercising discretionary authority with respect to amendments or variations of matters identified in the notice of Meeting, and other matters which may properly come before the Meeting or any adjournment thereof.

10. Method of Exercise of Option

- (a) Except as set forth in Sections 11 and 12 below or as otherwise determined by the Board, no Option may be exercised unless the holder of such Option is, at the time the Option is exercised, a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates.

- (e) Notwithstanding anything else contained herein, at or after the time that any Option could be exercised by a Participant, the Participant may elect to surrender, in whole or in part, his or her rights under any Option by written notice given to the Corporation stating that such Participant wishes to surrender his or her Option in exchange for a payment by the Corporation of a cash amount per Optioned Share equal to the difference between the exercise price of the Option and the closing price of the Shares on the stock exchange on which the Shares are then listed. The Board has the sole discretion to consent to or

disapprove of the election of the Participant to receive cash pursuant to this Section 10(e). If the Board disapproves of the election, the Participant may (i) exercise the Option under Section 10(c) or (ii) retract the request to exercise such Option.

An Option granted to a Participant who performs Investor Relations services on behalf of the Corporation shall terminate on the date of termination of the employment or cessation of services being provided and shall be subject to exchange policies and procedures for the termination of Options for Investor Relations services. For greater certainty, the termination of any Options held by the Participant, and the period during which the Participant may exercise any Options, shall be without regard to any notice period arising from the Participant's ceasing to hold the position or positions of director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates.

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall (i) confer upon such Participant any right to continue as a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates, as the case may be, or (ii) be construed as a guarantee that the Participant will continue as a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates, as the case may be.

Subject to any written agreement between the Corporation and a Participant providing otherwise and subject to the Option Period, in the event of the death or permanent disability of a Participant, any Option previously granted to the Participant shall be exercisable until the end of the Option Period or until the expiration of 12 months after the date of death or permanent disability of such Participant, whichever is earlier, and then only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or applicable law; and

13. Rights of Participants

No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until such Shares have been paid for in full and issued to such person.

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate

purposes as the Board may determine and direct.

15. Adjustments

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made to the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share that may be acquired upon the exercise of the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.
- (b) Adjustments under this Section 15 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued upon the exercise of an Option following the making of any such adjustment.

16. Change of Control

Notwithstanding the provisions of section 10, or any vesting restrictions otherwise applicable to the relevant Options, in the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change of control of the Corporation, each Participant shall be entitled to exercise in whole or in part the Options granted to such Participant hereunder either during the term of the Option or within 90 days after the date of sale or change of control, whichever first occurs.

For the purpose of this Plan change of control of the Corporation means and shall be deemed to have occurred if and when:

- (c) the acceptance by the holders of Shares of the Corporation, representing in the aggregate of more than 35% of all issued Shares of the Corporation, of any offer, whether by way of a takeover bid or otherwise, for all or any of the Shares of the Corporation; or
- (d) the acquisition, by whatever means (including, without limitation, amalgamation, arrangement, consolidation or merger), by a person (or two or more persons who in such acquisition have acted jointly or in concert or intend to exercise jointly or in concert any voting rights attaching to the Shares acquired), directly or indirectly, of the beneficial ownership of such number of Shares or rights to Shares of the Corporation, which together with such person's then owned Shares and rights to Shares, if any, represent (assuming the full exercise of such rights to voting securities) more than 35% of the combined voting rights of the Corporation's then outstanding Shares, inclusive of the Shares that would be outstanding on the full exercise of all rights to Shares that would be outstanding on the full exercise of the rights to Shares; or
- (e) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or
- (f) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly

rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a bona fide reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the re-arrangement as that which existed prior to the re-arrangement); or

- (g) individuals who were members of the Board of the Corporation immediately prior to a meeting of the shareholders of the Corporation involving a contest, for or an item of business relating to the election of directors shall not constitute a majority of the Board following such election.

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall be non-transferrable and non-assignable unless specifically provided herein. The Board may, at any time, suspend or terminate this Plan. The Board may also at any time amend or revise the terms of this Plan, subject to the receipt of all necessary regulatory approvals provided that no such amendment or revision shall alter the terms of any Options theretofore granted under this Plan.

19. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan and options granted hereunder is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. - 8. The Participant acknowledges and agrees that neither the selection of the Participant as a Participant under the Plan nor the granting of the Option hereunder shall: (i) confer upon the Participant any right to continue as a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates, as the case may be, or (ii) be construed as a guarantee that the Participant will continue as a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates, as the case may be. The Participant further acknowledges and agrees that this Agreement and the Option granted hereby shall in no way constitute the basis for a claim for damages by the Participant against the Corporation in the event of the termination of the employment of the Participant with the Corporation or any of its subsidiaries or affiliates for any reason whatsoever, including the Participant's wrongful dismissal, and the Participant hereby releases and forever discharges the Corporation from all claims and rights of action for damages whatsoever based upon or arising out of this Agreement and the Option.

The number of Shares deliverable upon the exercise of the Option shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation prior to the Expiry Date, without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Option and to prevent its dilution or enlargement. Adjustments under this Section 10 shall be made by the board of directors of the Corporation (or by such committee or persons as may be delegated such authority pursuant to the Plan), whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. During the lifetime of the Participant the Option granted hereunder may only be exercised by the Participant as herein provided and in the event of the death of the Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.
- 12. The Participant acknowledges and agrees that the Board may, at any time, suspend or terminate the Plan. The Board may also at any time amend or revise the terms of the Plan, provided that no such amendment or revision shall alter the terms of the Option granted herein.

connection with the exercise of the Option will be returned to the Participant as soon as practicable.

14. The Participant acknowledges to have read and understood the Plan and the Participant and the Corporation agree that all provisions thereof apply to the parties hereto and to this Agreement with the same effect as if such provisions were set out in this Agreement.
15. Time shall be of the essence of this Agreement.
16. This Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the date and year first above written.
