Certive Solutions Inc. Announces Appointment of Senior Corporate Counsel

Scottsdale Arizona - Certive Solutions Inc. (OTCQB: CTVEF CSE: CBP) - (“Certive” or the “Company”), is pleased to announce that effective April 12, 2016, the Company has appointed Michael Miller as Chief Internal Legal Counsel. With the Company entering a period of significant growth by way of acquisition and organic business development Mr. Miller will be responsible for overseeing all external counsel workflow and all internal corporate and commercial activities.

Mr. Miller has nearly 40 years’ experience in the legal profession serving as General Counsel to a major medical enterprise, an insurance company, a publicly-traded consumer electronics manufacturer, and a data analytics firm. He also served in senior management capacities for risk management firms and international insurance brokers and created environmental insurance programs for large investment banks. Mr. Miller has been retained by state insurance regulators to consult in insurance company receiverships. As a Court-appointed Receiver, he supervised the successful financial rehabilitation of a health insurance company for the Arizona Insurance Department. Mr. Miller received his JD degree from William Mitchell College of Law and his B.S. with distinction from the University of Minnesota. He has been a member of the Minnesota Bar since 1977.

Van Potter CEO, of Certive stated that “the Company is particularly fortunate to have Mr. Miller in this role given the complexity of the transactions the Company is presently conducting. Mr. Miller’s role in coordinating outside counsel and mapping our internal legal compliance will be invaluable in the months to come. We are delighted to have Mr. Miller on board with us”.

FORWARD-LOOKING AND OTHER STATEMENTS

This press release contains forward-looking statements. These statements relate to future events or future performance and reflect our expectations and assumptions regarding our growth, results of operations, performance and business prospects and opportunities. Such forward-looking statements reflect our current beliefs and are based on information currently available to us. In some cases, forward-looking statements can be identified by terminology such as “may”, “would”, “could”, “will”, “should”, “expect”, “plan”, “intend”, “anticipate”, “believe”, “estimate”, “predict”, “potential”, “continue” or the negative of these terms or other similar expressions concerning matters that are not historical facts.

A number of factors could cause actual events, performance or results, including those in respect of the foregoing items, to differ materially from the events, performance and results discussed in the forward looking statements.

Factors that could cause actual events, performance or results to differ materially from those set forth in the forward-looking statements include, but are not limited to:

- the effect of continuing operating losses on our ability to obtain, on satisfactory terms, or at all, the capital required to remain a going concern;
- the ability to obtain sufficient and suitable financing to support operations, development and commercialization of our services;
- the risks associated with the development of our technology;
- the risks associated with the increase in operating costs from additional development costs and increased staff;
- the timing and nature of feedback from customers; and
- our ability to successfully compete in our targeted markets.

Although the forward-looking statements contained in this press release are based on what we consider to be reasonable assumptions based on information currently available to us, there can be no assurance that actual events, performance or results will be consistent with these forward-looking statements, and our assumptions may prove to be incorrect. These forward-looking statements are made as of the date of this press release. Forward-looking statements made in this press release are made as of the date of the original document and have not been updated by us except as expressly provided for in this press release. As required by securities legislation applicable to reporting issuers, it is our policy to update, from time to time, forward-looking information in our periodic management discussions and analyses and provide updates on our activities to the public through the filing and dissemination of news releases and material change reports.
