

FOR IMMEDIATE RELEASE

August 2, 2016

Certive Solutions Inc. Announces Outpatient Pharmacy Re-Billing Contract

Scottsdale Arizona - Certive Solutions Inc. (OTCQB: CTVEF CSE: CBP) - (“Certive” or the “Company”), is pleased to announce that effective July 26, 2016, the Company’s Omega division executed an agreement with a major U.S. hospital to review outpatient pharmacy accounts for undercharges related to waste and inaccurate allocation of pharmacy units to patient accounts. Pursuant to the terms of the agreement, the Company will identify accounts to be reviewed, bill the denied claims with appropriate documentation and perform appropriate follow-up for payment.

The agreement is an expansion of a current customer relationship and a new segment of charge accuracy and chart review for the Omega division, representing opportunities across multiple Certive customers in all divisions.

Van Potter, CEO commented that “the opportunities for recovery of lost charges on pharmacy accounts is not only a new segment of business for Omega but one that leverages over 20 years of identifying missing charges in outpatient surgeries nationwide. Certive will deploy its resources to expand the scope of this “blue ocean” opportunity.” Brian Cameron, CFO noted that “the technology developed by Omega and used internally to conduct these reviews will continue to significantly enhance the scale and accretive nature of the cash flow generated by the Omega division.”

FORWARD-LOOKING AND OTHER STATEMENTS

This press release contains forward-looking statements. These statements relate to future events or future performance and reflect our expectations and assumptions regarding our growth, results of operations, performance and business prospects and opportunities. Such forward-looking statements reflect our current beliefs and are based on information currently available to us. In some cases, forward-looking statements can be identified by terminology such as “may”, “would”, “could”, “will”, “should”, “expect”, “plan”, “intend”, “anticipate”, “believe”, “estimate”, “predict”, “potential”, “continue” or the negative of these terms or other similar expressions concerning matters that are not historical facts.

A number of factors could cause actual events, performance or results, including those in respect of the foregoing items, to differ materially from the events, performance and results discussed in the forward looking statements.

Factors that could cause actual events, performance or results to differ materially from those set forth in the forward-looking statements include, but are not limited to:

- the effect of continuing operating losses on our ability to obtain, on satisfactory terms, or at all, the capital required to remain a going concern;
- the ability to obtain sufficient and suitable financing to support operations, development and commercialization of our services;
- the risks associated with the development of our technology;
- the risks associated with the increase in operating costs from additional development costs and increased staff;
- the timing and nature of feedback from customers; and
- our ability to successfully compete in our targeted markets.

Although the forward-looking statements contained in this press release are based on what we consider to be reasonable assumptions based on information currently available to us, there can be no assurance that actual events, performance or results will be consistent with these forward-looking statements, and our assumptions may prove to be incorrect. These forward-looking statements are made as of the date of this press release. Forward-looking statements made in this press release are made as of the date of the original document and have not been updated by us except as expressly provided for in this press release. As required by securities legislation applicable to reporting issuers, it is our policy to update, from time to time, forward-looking information in our periodic management discussions and analyses and provide updates on our activities to the public through the filing and dissemination of news releases and material change reports.
