Certive Solutions Inc. Proposes Plan of Arrangement

Scottsdale, Arizona and Vancouver British Columbia - Certive Solutions Inc. (OTCQB:CTVEF CSE:CBP) (the “Certive” or the “Company”), is pleased to announce that the Board of Directors have approved in principle conducting a Plan of Arrangement that will among other matters, subject to regulatory approval, result in Certive transitioning to an Investment Company. The Company will comply with Canadian Securities Exchange (the “Exchange”) Policy and Regulations while spinning out several corporations that will by virtue of the Plan of Arrangement become reporting issuers and seek to list on the Exchange.

One of the spin out companies will acquire the Company’s current wholly-owned subsidiary Certive Health Inc., enabling Certive Health Inc. to attract additional capital within the United States.

The Board has developed its investment policies and intends to invest in US Healthcare businesses that will not compete with Certive Health Inc. or its business undertakings. .

The primary objectives in conducting the Plan of Arrangement are summarized as follows;

- a) To divest via spinout, Certive Health Inc., a wholly-owned subsidiary which has since incorporation received several million dollars in funding from Certive Solutions Inc.
- b) To settle all convertible debt raised to finance Certive Health Inc.
- c) To increase shareholder value by providing to the Certive Solutions shareholders shares in four proposed spinoffs with each spinoff completing its own financing including that of Certive Health Inc.
- d) To re-qualify Certive Solutions Inc. as an investment issuer with \$2 million in funding.

All shareholders of Certive Solutions Inc., will upon completion of the Plan of Arrangement, retain their original ownership in Certive Solutions Inc. and have mirror image ownership in all of the spin out companies at no additional cost to the shareholders.

Additional information will be provided in the coming weeks as the filing materials are prepared in order that Certive Solutions Inc. can apply to the courts for permission to hold a shareholders meeting and seek approval to the Plan of Arrangement.

FORWARD-LOOKING AND OTHER STATEMENTS

This press release contains forward-looking statements. These statements relate to future events or future performance and reflect our expectations and assumptions regarding our growth, financial performance, results of operations, business development activities and business prospects and opportunities. Such forward-looking statements reflect our current beliefs and are based on information currently available to us. In some cases, forward-looking statements can be identified by terminology such as “may”, “would”, “could”, “will”, “should”, “expect”, “plan”, “intend”, “anticipate”, “believe”, “estimate”, “predict”, “potential”, “continue”, or the negative of these terms or other similar expressions concerning matters that are not historical facts.

A number of factors could cause actual events, performance or results, including those in respect of the foregoing items, to differ materially from the events, performance and results discussed in the forward-looking statements. Factors that could cause actual events, performance or results to differ materially from those set forth in the forward-looking statements include, but are not limited to:

- the effect of continuing operating losses on the Company's ability to obtain, on satisfactory terms, or at all, the capital required to remain a going concern;
- the ability of the Company to attract new customers and to realize its business objectives;
- the ability of the Company to retain its customers and to maintain existing contractual obligations, and to realize revenues from existing contracts;
- the ability of the Company to reduce costs and improve scalability of its operations;
- the ability to obtain sufficient and suitable financing to support operations, development and commercialization of our services;
- the risks associated with the development of our technology;
- the risks associated with the increase in operating costs from additional development costs and increased staff;
- the ability of the Company to execute appropriate strategic growth initiatives including acquisitions;
- the timing and nature of feedback from customers; and
- our ability to successfully compete in our targeted markets.

Although the forward-looking statements contained in this press release are based on what we consider to be reasonable assumptions based on information currently available to us, there can be no assurance that actual events, performance or results will be consistent with these forward-looking statements, and our assumptions may prove to be incorrect. These forward-

looking statements are made as of the date of this press release. Forward-looking statements made in this press release are made as of the date of the original document and have not been updated by us except as expressly provided for in this press release. As required by securities legislation applicable to reporting issuers, it is our policy to update, from time to time, forward-looking information in our periodic management discussions and analyses and provide updates on our activities to the public through the filing and dissemination of news releases and material change reports.
