

Cybeats Announces Increase to Private Placement

Toronto, Ontario--(Newsfile Corp. - January 22, 2024) - **Cybeats Technologies Corp. (CSE: CYBT) (OTCQB: CYBCF) ("Cybeats" or the "Company")** announces that, further to its press release of December 20, 2023, the Company has increased its non-brokered private placement to up to 2,025 debenture units (each, a "**Debenture Unit**") in the capital of the Company at a price of \$1,000 per Debenture Unit for gross proceeds of up to \$2,025,000 (the "**Offering**"), as further detailed below. The Company intends to use the net proceeds from the Offering for working capital and general corporate purposes.

Each Debenture Unit shall be comprised of: (i) a \$1,000 in principal amount of unsecured convertible debentures (the "**Debentures**"); and (ii) 3,333 common share purchase warrants (each, a "**Warrant**"). Each Warrant shall entitle the holder to purchase one common share (each, a "**Warrant Share**") in the capital of the Company at an exercise price of \$0.50 per Warrant Share for a period of twenty-four (24) months from the date of issuance (the "**Issue Date**").

The Principal Amount of the Debentures, and any accrued and unpaid interest, will mature and become due and payable in cash on the date that is 24 months from the Issue Date (the "**Maturity Date**"). The Principal Amount owing under the Debentures will accrue interest from the date of issuance at 12% per annum, payable every twelve (12) months in cash. The first interest payment will be made twelve (12) months from the Issue Date and will consist of interest accrued from and including the Issue Date.

The Principal Amount on the Debenture is convertible into common shares in the capital of the Company (each, a "**Share**") at the option of the holder, in whole or in part, at any time following the Issue Date at the conversion price of \$0.30 per Share (the "**Conversion Price**"). Upon conversion of the entire Principal Amount of the Debenture, the holder of the Debenture will receive any accrued and unpaid interest thereon from and including the period of the last interest payment date on the Debenture prior to the date of conversion to the date that is one business day prior to the date of conversion (the "**Date of Conversion**"). In the event that the Shares trade on the Canadian Securities Exchange at or above \$0.60 for a period of twenty (20) consecutive trading days at any time following the date that is four months and one day from the Issue Date, the Company shall force the Principal Amount of the Debentures to convert at the Conversion Price (the "**Forced Conversion**"). The Company shall issue a press release announcing the Forced Conversion and the Principal Amount of the Debentures shall convert five (5) business days following the issuance of the press release.

The securities issued upon closing of the Offering will be subject to a hold period of four months plus a day from the date of closing, pursuant to applicable securities laws. The closing of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals, including the approval of the Canadian Securities Exchange.
