

Medcolcanna Strengthens Board of Directors with Addition of Pharmaceutical Executive

BOGOTÁ, Colombia, June 11, 2019 -- **Medcolcanna Organics Inc.** (TSX-V: MCCN) ("**Medcolcanna**" or the "**Company**"), a Canadian medical cannabis company with operations in Colombia, is pleased to announce the appointment of Mr. José Joaquín Mora Hernández to its Board of Directors as well as company advisor.

"We are very pleased to welcome Mr. Mora Hernández to our Board of Directors," said Felipe de la Vega, Medcolcanna's CEO. "José's experience in the pharmaceutical industry will be very valuable to the Board and to the Company as we execute on our growth and expansion strategy in the coming years. Medcolcanna's focus is to develop high quality, end use pharmaceutical products based on different formulations for each specific condition considering different ways of administration, doses, and combination with other products to improve efficacy. José's network and knowledge of the industry will bring innovative solutions to our development and will allow us to gain traction faster in the marketplace with pharma quality products and broad distribution networks."

Mr. Mora Hernández joined the Board of Directors effective June 11, 2019. He has more than 30 years' experience in senior executive management roles in the pharmaceutical industry including those with Johnson and Johnson, Janssen-Cilag, More Pharma Corp. and FarmaLatam Holding Inc. where he currently serves as CEO & Co-Founder.

Reporting directly to two Company Group Chairmen of Johnson & Johnson, José was International Vice President for Latin America and Puerto Rico responsible for over US\$625 million in revenue and over 1,800 employees. He also served as an advisor to large Latin American pharmaceutical companies that expanded into Colombia, Mexico and Peru. He has developed and managed teams that accomplished the distinction of being the fastest growing company throughout Latin America during his tenure.

At Janssen-Cilag, Mr. Mora Hernández served as President for Mexico, Central America and the Caribbean. This region was the fifth largest for Johnson & Johnson, outside of the U.S.A. and had over \$250 million in revenue and over 1,100 employees.

As founder and owner of FarmaLatam he developed the first Technological Healthcare Platform in Colombia, Mexico and Peru. The platform provides the largest pharmaceutical product catalogue in the companies where FarmaLatam operates, provides value added services to the pharmaceutical industry and provides home care assistance in Colombia and Mexico.

Mr. Mora Hernández graduated from the Universidad de los Andes, Bogotá, Colombia with an Engineering degree and also holds an MBA in International Business from the University of South Carolina.
